TOWN OF KILLINGLY RECYCLING CENTER

The Recycling Center and Transfer Station is available to any Town Resident. The facility is open Thursday & Saturday from 8:00 am to 3:15 pm (closed holidays). An annual permit (vehicle sticker) is required, except for electronics. The cost is $95 ($40 for seniors and disabled). A Three-Visit Pass is available for $30. This allows the bearer three separate trips to the facility. There is no limit on the number of passes purchased. All Passes/Permits expire on June 30th. All other fees apply.

The facility is located on **246 Brickhouse Road**: from Route 6 head North on Bailey Hill Road to Brickhouse Road (approximately one mile). There are green directional signs on Route 6 and at the intersection of Bailey Hill Road and Brickhouse Road. **If you sell, trade-in, or dispose of your vehicle, you must remove the sticker and return it to the Revenue Collector's Office at the Town Hall, along with the new registration, for a replacement sticker at no cost.**

All residents who want to dispose of **household waste** at the Recycling Center are required to use Town disposal stickers. No bag larger than **35 gallons** may be utilized to dispose of household trash. **The stickers should be placed flat on the garbage bag, not at the top.** Stickers are available for purchase at the transfer station and local businesses including Stop & Shop, Big Y, and Sunny Side Farms. The cost of the sticker is $6 each. **Bulky Waste** items can be disposed of at a cost of **$.15 per lb.** and must be paid for at the recycling center at the time of disposal (SEE BACK OF THIS FORM). There are no fees for **recyclables**.

No type of permit will be issued to any applicant who has an outstanding delinquent financial obligation due to the Town. If a current permit holder becomes delinquent on a financial obligation during the year, the permit may be revoked. This includes personal and real property taxes, sewer fees, and other charges.
