Ms. Kinsey said that last year the County switched to Gerber Life due to cost savings and this year if the County renewed with them, the expected cost increase would be 22.62%, which would be approximately $726,000.00. If the County switches from Gerber Life to US Fire for 2018, the cost increase would only be 4.08% which would be approximately $130,943.00. Lincoln has reprocessed the claims without employees having to go back to the provider. She said that USI has also offered their services if anyone needs calls to be made.
