#3 Map 008 Lot 010-00 located at 128 Richardson Road, a Misc., building and .42 acre lot.
   Current Value is $71,500

The following facts were presented through the Assessing team and information from the cross-examination.
- This is a former granite shed.
- This past Saturday the property was visited and the Assessor and Interim agree the value should be lowered to $61,000. Mr. Beaudin stated due to the short notice to fill in for the Assessor Grievance hearings he did not have the opportunity to inspect/view this property prior to that meeting.
- It is vacant, built around 1930 (old post and beam construction) with no doors or plumbing, water or electricity, has a dirt and concrete floor
- The building still has functional value and currently serves as storage.
- The building also has crane rails but the Assessor is unsure if they are functional so no value was placed on them.
- The appellant feels the building is not very marketable and does not have much value even at $61,000.

- The basement is full of water.
- The value was decreased from $243,000 down to $162,000.
- The Appellant noted the insurance company is ready to cancel its' policy due to the property condition.
- There is a private mortgage on the property.

#1 Map 006 Lot 064-00 located at 770 E. Barre Road, Buildings and 5.42 acres.

- The land is flat good usable land and not in the flood plain.

Prior to the closing of evidence the BCA asked the agent, Ms. Labrie, if she fully understood that once the evidence was closed she would not have an opportunity to
