MINUTE APPROVAL

On a motion by Bob Nelson, and duly seconded, the Budget Committee voted unanimously to approve the March 12, 2019 meeting minutes with minor spelling and grammatical corrections. W. John “Jack” Mitchell was not present for the vote.

PRESENTATION OF GMT

Green Mountain Transit (GMT): Mark Sousa informed the Committee that many changes are/will be taking place. Some changes already include the streamlining of administration, changing fleet vehicles to accommodate mini vans, and the need to review the future rates being charged (this depends on the services/insurances/federal and state funding). He noted that some urban areas (Chittenden), by GMT charter, can be assessed charges.

The Statement of Assets, Budget to Actual for year ending December 31, 2018 were presented Barre Town and the number of riders versus number of trips was noted. State reduction to funding and options to replace said funding are being discussed in Legislature. The service covers five counties.
QUESTIONS

Items discussed were reclassification of bank charges (011-411-310), Police Department Salaries do not include a School Resource Officer (there are still 2 regular vacancies) and no K-9 expenses at this time.

GENERAL FUND CONTINUED

Recreation Department (011-462): The proposed budget is projecting a 16% increase. This budget will reflect the Town taking ownership of the Barre Recreation Fields located beside the Elementary School.

The Recreation Board is very active with 4 members present for this review. Revenues include use of field fees (not for children’s leagues such as BYSA), use of field lights, picnic shelter rental (not-for-profits do not pay), and donations received to help with the maintenance of the Travis Mercy Skatepark.

Department Expenses: insect control products, paint and stains, equipment and hand tool purchases, bleacher and side railings (3 sets) being fixed, softball field light upgrades, the Lower Graniteville playground renovation ($23,000), the reserve/set-aside for the renovation of the 1980’s tennis courts ($26,000), fencing throughout town properties and contracted services to help treat/remove invasive species in the Town Forest were reviewed. It was brought to the Manager’s attention there may be grant monies available from USDA to assist with treating of invasive species in the Town Forest.

Recreation Board members present noted they are volunteers. The Chair and Vice Chair alone have donated over 300 hours this year. Doug Farnham spoke to their future fiscal responsibility of preparing a fencing inventory (size, type, etc.), creating a 5-Year Plan, increased need of fields (baseball, softball, soccer, lacrosse, etc.), tennis court upgrades will include striping for Pickleball (ever growing sport in Barre Town) and rewriting the Memorandum of Understanding with the Dog Park Committee. The Recreation Board distributed a list of the various Recreation properties (Town Forest, dog park, courts, playground, picnic shelter, bathrooms, skate park, ball fields, track, tennis court, etc.).

Other Departments reviewed were Auditing, Town Managers Office, Elections, and Town Clerk’s Office which had minimal changes.

PUBLIC COMMENT – None

RECESS AND RECONVENE

On a motion by Tom White, seconded by Phil Cecchini, the Budget Committee meeting recessed at 7:56 p.m. to allow for a quick Selectboard meeting. W. John “Jack” Mitchell was not present for the vote.

On a motion by Bob Nelson, seconded by Paul White, the Budget Committee meeting reconvened at 8:20 p.m. W. John “Jack” Mitchell was not present for the vote.

GENERAL FUND CONTINUED

With little comment other Departments discussed included Data Processing, Municipal Building, Assessor Office (noted wages), and Emergency Management (generator/shelters). Benefits (011-486) did have some changes: adding the Retirement Group C for the Police Department, changes in employees and their insurance coverage, and a reduction in the Health Insurance buy-out.

The only Department yet to be reviewed is the EMS/Ambulance Department. Without this department budget the General Fund is currently looking at 1% increase. However, based on the preliminary items seen by the Manager in the Ambulance Department (which has some costly items) he is estimating a budget increase of 2.5% +/-.
