APPLICANT: MALONE PITMAN ROAD PROPERTIES, LLC
Request by Malone Pitman Road Properties, LLC for a 3-lot merger of land located at 69 Pitman Road; Parcel ID’s 006/034.02, 006/034.07 & 006/034.08; Zoned: Industrial; P-15000008/09/10

Consultant: Stephen C. Fraser
Date: October 9, 2015

STAFF REPORT/REVIEW COMMENTS FROM CHRIS VIOLETTE, PLANNING OFFICER

This is a warned public hearing for the purpose of amending a previously approved subdivision by merging three lots back into one undivided parcel of land totaling 3.56 acres. The subject property is located in the Wilson Industrial Park with road frontage on both Pitman and Parker Road. Zoning for this area is industrial with a minimum lot size of 2 acres and 200 feet of road frontage. The character of the area surrounding this parcel is industrial.

The three lots being merged were created in May of 1991 (plan 14-1662) when lot 1, 1.01 acres was created along with lot 2, 1.51 acres, and lot 3, 1.04 acres. The original lot was created by Barre Area Development as part of the Wilson Industrial Park (13-1557).

Lot 2 has an existing 4,000sf industrial building along with associated drives and parking areas located on it that was home to Maine Drilling and Blasting for many years. Currently the building is leased to a construction company. Lots 1 & 3 are undeveloped.

The applicant has supplied the necessary plan for the merger. I’ve requested a deed to complete the merger be recorded in the land records.

SUMMARY OF RECOMMENDATIONS & CONDITIONS:

With consideration to the following conditions, I recommend approval of this request to amend a previously approved subdivision, merging three lots and creating one undivided parcel of 3.56 acres

1. To complete this merger, a merger deed merging lot 1, 2, and 3 into one lot totaling 3.56 acres must be executed within 30 days. Said deed must also clearly state that this land is merged.

2. One (1) (18” x 24”) recording plat must be submitted to the Planning office for filing in the Town of Barre land records in accordance with Barre Town subdivision regulation and state statute within 180-days of approval.

3. Three (3) sets (24” x 36”) paper copies of the final approved plan must be submitted to the Planning Office within 30-days of approval unless a request to extend is made and approved by staff.

4. One (1) (24” x 36”) mylar copy of the final approved plan must be submitted to the Planning office within 30-days of approval unless a request to extend is made and approved by staff.

5. No changes to the approved plan can be made unless first reviewed by either the Town Planning Officer, or the Town Engineer for a determination of significance. If it is determined that an
proposed change is significant, the plan will be required to go back before the Development Review Board for approval of the proposed change.

6. Failure to comply with any conditions as stated herein, could lead to nullification of this subdivision.

ADDITIONAL COMMENTS:

CV provided a summary of this agenda item.

CV stated that he has seen drafts of the deed.

CV recommends approval with conditions as listed.
