AUDIT OF WEBSTERVILLE FIRE DISTRICT

Background: July 1, 2018 the Town owns the Websterville Fire District. It was learned there have no “full audits” since 2005. However, there have been financial reviews with the last one being completed about 2 – 3 years ago. The Manager and Town Treasurer believe it would be wise to have an audit done to help us learn what we do not know but should and to protect the Town from things which may have happened under the Fire District control. A quote of $7,000 to $8,000 has been obtained from Sullivan & Powers to perform the work.

On a motion by Nelson, seconded by Malone, the Selectboard voted unanimously to engage Sullivan & Powers to do an audit of the Websterville Fire District #3 for the estimated cost of $7,000 - $8,000 with the understanding that if additional monies are needed it will require Selectboard approval. W. John “Jack” Mitchell was not present for the vote.
