CV SOLID WASTE MANAGEMENT GRANT

Background: The CV Solid Waste Management District (CVSWMD) offers a Municipal Services Grant Program with awards up to $5,000. Applications are due by October 11, 2019 for next Spring disbursement. There are seven different categories to select from. This past Spring the Town participated with CVSWMD in a mattress recycling program. The District has not decided to host another event but encouraged the Town to do so, noting the Town could apply for this grant which would help offset costs. Should the CVSWMD decide not to hold a mattress recycling event they would assist the Town with information (trucker, outlet for mattresses, and what is acceptable).

Board topics of conversation were: the application process and reporting are not cumbersome, preparing a budget for the service, assistance to operate the program is available through CVSWMD, costs for recycling of this type of material could change dramatically between now and next May, needs for the additional service items - volunteers and equipment, and participation would be limited to Town residents only.

Consensus of the Board is to have the Town Manager/staff prepare and submit the grant application to CVSWMD in the amount of $5,000 given the cost uncertainties.

DISCUSS DRAFT PURCHASING POLICY

Background: During the last Selectboard meeting the Manager was asked to revise the draft Purchasing Policy to include language regarding the use of Federal Funds. A revision was provided for discussion purposes.

Consensus of the Board is to eliminate the Gifts or Gratuities section as it is in the Conflict of Interest Policy and revamp the section “Using Federal Funds.” The Manager will rework the proposed Policy and bring it back to the Board.

ACCOUNTS PAYABLE WARRANT

On a motion by Jack Mitchell, seconded by Paul White, the Selectboard voted to approve the accounts payable warrant dated September 24, 2019. Bob Nelson abstained due to an employer conflict.

ROUND TABLE

Assistant Manager Wang invited the Selectboard to attend the Recreation Board Fall Festival being held this Saturday, September 28th from 10:00 a.m. – 2:00 p.m., at the Barre Town Recreation Field picnic shelter.

Manager Rogers provided the Board and viewing audience with information on the Fall Bulk Trash Event held last Saturday. There were 148 trips which is average for the past 10 years. He thanked all those that assisted. Bob Nelson thanked the Phoenix House volunteers as well.

Further Bulk Trash discussion focused on the weight of shingles and why we charge double, loose items as well as those not accepted, and the limited ability for the check-in folks to always see what is in a load.
Selectboard Minutes of September 24, 2019 Continued:

Jack Mitchell informed the Board of a recent article on the Vermont first responder crisis written by Don Turner (Milton). He was happy to read and concurred with the author’s findings on what areas need to be addressed: local/regional consolidation, recruitment benefits, and a conversation on the training/licensing credentialing.

Mr. Mitchell also stated he likes the “short” agendas.

Chair White stated the Aldrich Public Library Trustees would like to hold a joint City-Town dinner on October 21st or 28th. The purpose would be to tour the facilities and have a brief fiscal report. Due to scheduling, Board consensus is they would prefer to meet on Monday, October 21st – begin at 5:30 p.m. and then hold the regular Barre Town Selectboard meeting the same night perhaps in their meeting room. Chair White will relay the information to the Trustees.
