POSSIBLE CHARTER AMENDMENTS - ELECTED AUDITORS

Background: The Selectboard requested discussion about the possibility of eliminating the elected three auditor positions (required by Town Charter). Town Attorney
Selectboard Minutes of January 30, 2018 continued:
Mike Monte will be presenting information on the process/requirements to amend the charter. Charlie Woodhams, elected town auditor was present.

Attorney Monte noted the following:

- The town would have to amend the charter to take steps to eliminate the position of auditors. Monte suggests that we incorporate the statute item 17 section 2651B into a proposed new subsection of the charter to have the town vote to eliminate the position. There are some provisions in the statute that say the selectboard has to make provisions for any other auditing duties and must have a CPA audit each year. The process of amending the charter is to warn the proposed amendments by holding two warned public hearings that are at least 14 days before each meeting. You would need to publish what is going to be changed with underline additions and strikeouts for deletions. Hold 2 public hearings, vote to put on the ballot before the May election. It would then go before the legislature for approval and if approved the charter would be amended. At that point the town would schedule a vote to see if the voters want to eliminate the position.

- Charlie Woodhams stated he has been serving for about 20 years as town auditor. Instead of eliminating the position, he suggests rewriting the job description. He has never audited the town’s books, but his duties have been primarily helping to prepare the town report and helping in the delinquent tax report. He would like to see this eliminated from the town report because it is very time consuming and easy to make errors. On the report itself he likes the spiral binders and would like to see a town map included in the town report. Attorney Monty recommended a name change i.e. overseer of accounts if the auditor’s duties are changed or the position is eliminated.

Tom White thanked Charlie for his 20 years of service.

Discussion was had on what Plan B would be if the auditor’s position was eliminated or changed to overseer of accounts and these positions could not be filled. Discussed who would take over those duties.

Tom White took a poll and presented two options:

1. Continue with the charter change and remove the auditor’s position in its entirety or
2. Remove the auditor’s position but create an overseer of accounts or committee position.

The board members were in favor of the latter.

In summary, the board is in favor of proceeding with the two warned hearings to remove the auditor’s position the way it is currently established and if it goes
through with the voters to not have that position, then the board can discuss if they will have a committee position and define what that position entails.

NEW POSTAGE FEE FOR DRB AND PLANNING COMMISSION APPLICANTS

Background: Postal rates have recently increased. Every abutter to a property which is the subject of a Development Review Board (DRB) or Planning Commission application MUST receive a notice by certified mail. The Zoning Administrator noted it now costs $6.67 (42¢ increase) to mail certified letters. He is requesting the Selectboard approve a new fee of $6.70 abutter fee effective February 1, 2018.

On a motion by Nelson, seconded by Tessier, the Selectboard voted to approve increasing the per abutter mailing fee for the Development Review Board and Planning Commission application to $6.70 effective February 1, 2018.
