**COMMUNITY REINVESTMENT AREA  
RESIDENTIAL TAX ABATEMENT PROGRAM**

**What is a Community Reinvestment Area?**

- A Community Reinvestment Area (CRA) is an area of land in which a property owner can receive tax incentives for investing in real property improvements. The entire City of Akron has been designated as a CRA.
- The CRA provides for temporary tax abatement of increased real property taxes on significant residential remodeling or new residential construction within the area (for mixed-use projects, only the residential portion will be eligible for the abatement).
- CRA's are used to encourage revitalization of the existing housing stock and the development of new structures.

**What is Akron's residential CRA Tax Abatement?**

- The abatement allows owners to pay taxes solely on the pre-improvement assessed value of their residential property for 15 years after improvements are completed. Property owners will not be required to pay property taxes on any increase in value that resulted from renovation or new construction on the property for a period of 15 years.
- The abatement stays with the property for the 15-year duration of the abatement. If it is sold during the 15-year period of the abatement, the new owner continues to receive the abatement.
- At the end of the 15 years of abatement, the property will be taxed at its total post-improvement assessed value.

<b>Type of Structure</b>	<b>Minimum Cost of Improvements</b>	<b>Period of Abatement</b>
New construction of single family homes or multi-family investor owned properties	All new construction	15 years
Existing single-family and multi-family housing <b>rehabilitation</b>	\$5,000*	15 years

*\*It is not anticipated that property improvements of less than \$5,000 will result in an increase in property taxes*

## What types of improvements qualify?

Major improvements that **MAY** qualify homeowner for tax abatement:

- ✓ Build a new porch
- ✓ Remodel a basement/attic into living space

## Are there any restrictions?

- Appropriate building permits must be issued to qualify for the tax abatement. Certificates of Occupancy or final inspections signed PRIOR TO APRIL 24, 2017 WILL NOT qualify the property for abatement.
- The property must be located in the City of Akron and identified on the Summit County Fiscal Office Auditor property card as being located within the City of Akron.
- Property taxes and assessments cannot be delinquent.

- The property must be appropriately maintained or the tax exemption may be revoked.
- Only residential structures are eligible for the abatement. For mixed-use structures, only the residential portion will be eligible.
- Properties must meet City of Akron zoning requirements.
- A minimum \$5,000 investment in renovation or construction is required to apply.
- Per the Ohio Revised Code Section 3735.67, if the housing structure qualifies as a historic structure, the appropriateness of the remodeling must be certified, in writing, by an authorized person or organization prior to issuance of abatement.

### **What are the steps in the process?**

- **Step 1** – The developer must pull a building permit with the Summit County Building Department located at 1030 E Tallmadge Ave # 3, Akron, OH 44310.
- **Step 2** – Upon pulling a permit, provide a copy of the permit and complete the City of Akron Community Reinvestment Area Tax Abatement-Residential Application and submit to:  
**City of Akron Tax Abatement**  
**Department of Planning and Urban Development**  
*Comprehensive Planning Division*  
**166 S. High Street, Room 401**  
**Akron, Ohio 44308**
- **Step 3** – The City of Akron Department of Planning and Urban Development reviews the applications for completeness. If the application and supporting documentation meet the requirements, the application will be processed for tax abatement. The application will be forwarded to the County Auditor's Office.
- **Step 4** – The Summit County Auditor will conduct a field inspection and verify new construction/rehabilitation. Value (if appropriate) will be added to the property. Tax adjustments will be made accordingly.

**The tax abatement does NOT guarantee abatement for county periodic reassessments. The abatement is only for the increase in assessed property tax value triggered by the current remodeling or new construction improvements.**
