

## For Tax Year 2020

INCOME TAX DIVISION  
DEPARTMENT OF FINANCE

Dear Taxpayer,

On March 9, 2020, Governor Mike DeWine signed Executive Order 2020-01D, declaring a state of emergency in the state of Ohio in response to the COVID-19 global pandemic. Thereafter, the Ohio Legislature passed, and Governor DeWine signed into law House Bill 197 (“HB 197”). Section 29 of HB 197 states, “[n]otwithstanding section 718.011 of the Revised Code, and for the purposes of Chapter 718 of the Revised Code, during the period of the emergency declared by Executive Order 2020-01D, issued on March 9, 2020, and for thirty days after the conclusion of that period, any day on which an employee performs personal services at a location, including the employee’s home, to which the employee is required to report for employment duties because of the declaration shall be deemed to be a day performing personal services at the employee’s principal place of work.” In light of the passage of HB 197 and its clear mandate, 2020 Tax Year non-resident refund requests require confirmation that none of the days out of town, during the period of 3/9/2020 - 12/31/2020, are “work from home” days because your work location changed due to COVID-19.

Keeping in mind the foregoing limitations, taxpayers must use the JEDD Refund Application, or a generic form containing all required information, to request reimbursement for days worked outside of the JEDD. You must complete the entire form and the itinerary schedule found on Page 2 of the Application. Make extra copies of the itinerary if more lines are needed. Before submission to the City of Akron and to ensure accuracy, completed Applications must be verified by an authorized representative of your employer. Authorized representatives of your employer are those individuals who have personal knowledge of your work schedule, and who have legal authority to bind and sign for your employer.

Please be advised that we will be notifying your resident city, and those Ohio cities shown on your itinerary that also have an income tax, of your filing and/or refund request. In the event you receive a non-resident refund, your base city of employment, the work city, and/or your city of residence may elect to pursue recovery of these dollars. Refunds are typically issued within 90 days after: i) the date the City has received a complete and accurate Refund Application and itinerary forms, plus a copy of your employer’s complete and accurate JW-3 reconciliation form; or ii) April 15<sup>th</sup> of the year following the tax year at issue, whichever is later.

Sincerely,

INCOME TAX DIVISION
