

FEBRUARY 8, 1966

Pursuant to adjournment, the Board of Supervisors convened at the Courthouse in the City of Munising on the above date.

Meeting called to order by Chairman James W. Knox, with the following members present: Supervisors Mead, Lezotte, Bartol, Chevrette, Mariin, Chudacoff, Gariepy, Carberry, Swajanen, Arsenault, Sr., and Knox. Absent: Supervisor Bovan.

Minutes of the preceeding meeting approved as read.

Supervisor Bovan came in and took his seat.

Prosecuting Attorney Charles H. Stark was present at this meeting.

The Board then proceeded to audit the claims.

Munising, Michigan
February 8, 1966

We, the members of the Board of Supervisors of Alger County, constituting an Auditing Committee have examined the claims presented herewith, same being bill number 13300 to 13318 inclusive and recommend the payment of the same. Hugo R. Mariin, Cecil A. Bovan, Jack S. Carberry, Frank W. Mead, Leo R. Gariepy, Frank J. Bartol, Peter J. Arsenault, Sr., Arthur C. Swajanen, John R. Lezotte, George Chudacoff, Charles W. Chevrette, James W. Knox.

On motion of Supervisor Mead that the report of the Auditing Committee be accepted and the Clerk be and he is hereby authorized to issue warrants in payment of the same when funds are available. Supported by Supervisor Mariin and carried.

On motion of Supervisor Carberry that the County Abstractor's Bond in the amount of \$2,500.00 be accepted and made a part of this record. Supported by Supervisor Bovan and carried by the following vote: Ayes--Supervisors Bovan, Mead, Lezotte, Bartol, Chevrette, Mariin, Chudacoff, Gariepy, Carberry, Swajanen, Arsenault, Sr., and Knox. Nays--None.

The following resolution was offered by Supervisor Gariepy who moved its adoption:

WHEREAS, the Department of Corrections has designated by Department Memorandum No. 48, Camp Cusino, Alger County, as the administrative offices of the Upper Peninsula Conservation Prison Camp Program, and

WHEREAS, by reason of such designation, the Alger County Circuit Court must handle all escapes from Conservation Camps throughout the Upper Peninsula, and

WHEREAS, the handling of these escapes results in this County bearing considerable expense for court appointed counsel, transcripts on preliminary examination and on appeal, and other court costs, and

WHEREAS, at the present time there are no attorneys readily available for appointment as defense counsel, necessitating the appointment of out-county counsel who must travel a minimum of 45 miles to attend court, and

WHEREAS, counsel appointed from this judicial circuit must often travel to Marquette Prison to interview defendants, a minimum distance of 60 miles, and

WHEREAS, Marquette Prison officials must transport each prisoner 45 miles one way for every procedural step in the disposition of these cases, and

WHEREAS, this County has experienced a marked increase in demands for counsel, special motions, and appeal proceedings, and this County having a low tax base with a large deficit,

NOW, THEREFORE, BE IT RESOLVED: The Alger County Board of Supervisors requests and recommends the following:

1. That the Department of Corrections designate another administrative office, possibly Marquette, which would be more convenient to the prison and where court appointed counsel are more readily available.
2. That in lieu of the above shift, legislative provisions be made to reimburse this County at least for the expenses involved in these proceedings in addition to the present provision under M.S.A. 28.1030, and in particular, reimbursement for transcript expenses and that such reimbursement be retroactive to 1962.

BE IT FURTHER RESOLVED, that copies of this Resolution, duly certified by the Clerk of this Board be sent to, State Senators, Joseph S. Mack and Thomas F. Schweigert and State Representative, Dominic J. Jacobetti.

Supported by Supervisor Bartol and adopted by the following vote: Ayes--Supervisors Bovan, Mead, Lezotte, Bartol, Chevrette, Mariin, Chudacoff, Gariepy, Carberry, Swajanen, Arsenault, Sr., and Knox. Nays--None.

On motion of Supervisor Gariepy that the Sheriff be instructed to turn off the corridor lights in the cell block of the Alger County Jail at 9:00 o'clock P. M. Supported by Supervisor Bartol and carried.

On motion of Supervisor Carberry that the meeting adjourn. Supported by Supervisor Arsenault, Sr., and carried.

On motion of Supervisor Carberry that the following Sanitation Code for the County of Alger be adopted.

SANITATION CODE FOR ALGER COUNTY

An ordinance to regulate the minimum construction and other requirements of buildings, structures and devices in the unincorporated portions of Alger County, Michigan, in accordance with the provisions of Act 62 of the Public Acts of the State of Michigan for the year of 1943 as amended, and to provide for the administration and enforcement,

including penalties, for the violation thereof.

The County Board of Supervisors of Alger County, State of Michigan ordains as follows:

ARTICLE I

Section 1 TITLE

This ordinance shall be known as the Alger County Sanitation Code.

Section 2 PURCHASE

The fundamental purpose of this code is to promote the public health, safety, morals and general welfare, and the safety, protection and sanitation of buildings, structures or devices which may hereafter be erected, altered or moved anywhere within the unincorporated portions of Alger County, Michigan.

Section 3 SCOPE

Beginning with the effective date of this code, no cabin, cottage, dwelling, commercial establishment, structure or device shall be erected, altered or moved, within the unincorporated portion of Alger County, except in compliance with the provisions of this code.

ARTICLE 2

Section 1 WATER SUPPLY

A. SOURCES

Every living unit shall have available a supply of safe water obtained from a drilled or driven well.

B. LOCATION OF WELL

Each such well shall be so located that the area within (50) feet of the casing or suction pipe be free from sources of possible contamination, such as: Seepage pits, farm drains, cesspools, out-houses, barnyards, septic tanks, disposal fields and county drains. All connecting to the well shall be made in such a manner that no surface water can contaminate the well water. Buried or unexposed sewers or pipes through which sewage will back up shall not be located within thirty (30) feet of any casing or suction pipe. When sewers or pipes are located within the thirty (30) to fifty (50) feet area, they shall be constructed of extra heavy case iron soil pipe, with lead joints tested for water tightness. Such pipes when exposed and accessible for inspection may be allowed within the ten (10) to thirty (30) foot area. All public wells shall be located at least seventy five (75) feet from the closest source of contamination.

C. DEPTH

No well shall be less than ten (10) feet in depth and any well less than twenty five (25) feet must be tested and approved by the Michigan Department of Health and/or their qualified representative. All wells serving the public must be tested at least once each year.

Section 2 SEWAGE AND EXCRETIA DISPOSAL

A. It shall be unlawful for any person to construct or maintain any premise which is not equipped with adequate facilities for the disposal of sewage in a sanitary manner. Such facilities shall be constructed in accordance with the provision of these regulations. Under no condition may the sewage from an existing or hereafter constructed premise be deposited upon the surface of the ground, into roadside ditches or water courses.

B. Construction and maintainance of privies or similar toilet devices

All privies and other toilet devices shall be constructed and maintained in accordance with Act 273 of the Public Acts of the State of Michigan for the year of 1939.

C. Location of privies or similar toilet devices.

No privy or similar toilet device shall be located within ten (10) feet of the adjoining property line. Any such installation shall be replaced with approved sewage disposal.

D. Requirements for the construction and maintenance of water carried sewage disposal wastes.

1. If public sewer systems are available, connections shall be made. Where sewers are not available for public use, all facilities hereafter installed such as flush toilets, urinals, lavatories, sinks, showers and similar fixtures used to receive or conduct water carried wastes shall be connected to a septic tank or to some other device approved by these regulations. Any existing facilities which were constructed prior to the adoptions of those regulations, which in the opinion of the health officer constitute a nuisance or a menace to public health, shall be removed and replaced by a septic system herein approved.

2. Sewers.

a. Type and location.

Sewers from a dwelling or habitable building, shall be constructed of cast iron, vitrified clay, orangeburg, plastic pipe or other approved sewer pipe, with leaded, bitumen or cement joints. All buried sewer lines shall comply with regulations in Section 1 b herein.

b. Size

Buried or unexposed sewers shall not be less than four (4) inches in diameter.

c. Grade

Four (4), five (5), or six (6) inch pipe shall be laid at a grade not less than twelve (12) inches per one hundred (100) feet. Larger sewers shall be laid at such a grade as to provide a sewage flow of velocity of not less than (200) two hundred feet per second when flowing full.

3. SEPTIC TANKS A.

a. Location

Septic tanks shall be located at least (50) feet from any well, spring, water suction line, or other drinking water supplies, except this distance shall be increased to seventy five (75) feet in public buildings. No septic tank shall be so located that it cannot readily be accessible for cleaning and inspection purposes.

b. Manholes

All septic tanks shall be provided with one or more suitable openings with covers to permit cleaning and inspection.

c. Capacity

Each tank shall have such a capacity as to receive a normal twenty four (24) hour flowage, but in no case shall be less than 500 gallons capacity.

d. Design and material

Tanks shall be constructed in accordance with recommendations in "Michigan Extension Bulletin 118", "Septic Tanks for rural and suburban areas". They shall be of watertight construction and of material not subject to decay or corrosion. In all public establishments this material shall be concrete or concrete block.

SEPTIC TANKS B. SURFACE DISPOSAL SYSTEMS

Septic tank effluent shall be disposed of in compliance with subsurface disposal systems requirements or a method approved by the Health Officer.

a. Location

Subsurface disposal systems shall be located at least (75) feet from any drinking water source except in the case of public building where the minimal distance from a drinking source shall be seventy five (75) feet.

b. Tile Trench Construction

The trenches shall be constructed and the tile laid in accordance with the instructions in "Michigan Extension Bulletin 118".

c. Tile size

The subsurface disposal system shall have a diameter of not less than four (4) inches.

d. Dosing Tank and Automatic Siphons

Dosing tanks and automatic siphons of the type approved by the Michigan Department of Health shall be used in all installations where liquid capacity is over two thousand (2000) gallons.

e. Dry Wells

Dry wells shall be constructed only where the construction of a sub-surface disposal system cannot conform with the provision of these regulations. A special permit for the construction of a dry well shall be required before the construction is started.

ARTICLE 3

Interior Plumbing Work

The installation of all interior plumbing shall comply with the articles 1 through 15 inclusive of the "Michigan State Plumbing Code."

ARTICLE 4

Designation of unfit dwellings and legal procedure of condemnation.

a. The designation of dwellings or dwelling units as unfit for human habitation and the procedure for the condemnation and placarding of such unfit dwellings or dwelling units shall be carried out in compliance with the following requirements.

b. Any dwelling or dwelling unit which shall be found to have any of the following defects shall be condemned as unfit for human habitation and shall be so designated and placarded by the health officer.

Item 1. One which is so damaged, decayed, delapidated, unsanitary, unsafe or vermin-infested that it creates a serious hazard to the health or safety of the occupants or of the public.

Item 2. One which lacks illumination, ventilation, or sanitation facilities adequate to protect the health or safety of the occupants or of the public.

Item 3. One which because of its general condition or location is unsanitary, or otherwise dangerous, to the health or safety of the occupants or of the public.

c. Any dwelling or dwelling unit condemned as unfit for human habitation, and so designated and placarded by the health officer, shall be vacated in a reasonable time as ordered by the health officer.

d. No dwelling or dwelling unit which has been condemned and placarded as unfit for human habitation shall again be used for human habitation until written approval is secured from, and such placard removed by the health officer or his authorized representative. The health officer shall remove such placard whenever the defect or defects upon which placarding and condemnation action were based have been eliminated.

e. No person shall deface or remove the placard from any dwelling or dwelling unit which has been condemned as unfit for human habitation and placarded as such, except as provided in subsection (d).

f. Any person affected by any notice or order relating to the condemning and placarding of a dwelling or dwelling unit as unfit for human habitation, may request and shall be granted a hearing on the matter before the health officer. Such request for a hearing must be made within ten (10) days of notification of condemnation action.

ARTICLE 5 CONSTRUCTION PERMITS

As of the effective date of this ordinance all persons intending to erect, alter or move any cabin, cottage, dwelling or commercial establishment, shall first apply for a construction permit from their local township board. At the time of application for a permit, a sketch of the proposed layout shall be submitted and include the location of the building, the location of the septic tank and subsurface disposal field or other sewage disposal device and the location of the well. If a septic tank is to be used, a sketch of the proposed tank and subsurface disposal system shall also be submitted. Both well and septic tank construction shall comply with regulations described herein.

ARTICLE 6 AMENDMENTS

The Alger Board of Supervisors may from time to time amend, supplement or change these regulations.

ARTICLE 7 VALIDITY

These regulations and the various parts, sections, and clauses thereof are hereby declared to be severable. If any part, sentence, paragraph, section or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of these regulations shall not be effected thereby.

ARTICLE 8 CONFLICTING REGULATIONS

Where any of the provisions of these regulations or the provisions of any other local or state ordinances or regulations apply, the more restrictive provisions of any or all ordinances and regulations shall prevail.

ARTICLE 9 ENFORCEMENT

It shall be the duty of the health officer and/or his authorized representative to enforce their regulations.

ARTICLE 10 PENALTIES

If any person should violate the provisions of these regulations or any part thereof, he shall be deemed guilty of a misdemeanor and on conviction thereof, shall be punished by a fine not exceeding the sum of \$100.00 or by imprisonment in the county jail, not exceeding 30 days, or discretion of the court.

ARTICLE 11 EFFECTIVE DATE

These regulations shall be deemed to be in effect on and after June 30, 1966. ✓

Supported by Supervisor Bovan and adopted by the following vote: Ayes--Supervisors Bovan, Bartol, Mariin, Chudacoff, Gariepy, Carberry and Swajanen, Nays--Supervisors Lezotte, Chevrette, Arsenault, Sr., and Knox.

On motion of Supervisor Swajanen that the following Resolution be adopted.

WHEREAS, The Board of Supervisors of the County of Alger desires to make available to all its eligible employees a pension plan as provided by the Michigan Municipal Employees' Retirement Act established by Act No. 135 of the Public Acts of 1945, as amended,

BE IT RESOLVED, that the Board of Supervisors, the governing body of the County of Alger, a municipality within the meaning of that term as defined in said Act No. 135 of the Public Acts of 1945, as amended, does hereby, on behalf of the municipality as permitted by Section 6 of said Act, elect to come under the provisions of said Act. The effective date of this Resolution with respect to the making of deductions from the salaries of the eligible employees of the municipality, and the making of payments required by said Act on behalf of said municipality shall be April 1, 1966.

BE IT FURTHER RESOLVED, the County Clerk is hereby authorized and directed to make all wage and salary deductions on behalf of the eligible employees of the municipality required by law and to pay the same to the Retirement Board established by the Municipal Employees' Retirement Act, together with such amounts as the municipality is required to make on behalf of the same employees under the provisions of said Act.

Supported by Supervisor Mariin and adopted by the following vote: Ayes--Supervisors Bovan, Lezotte, Bartol, Chevrette, Mariin, Chudacoff, Gariepy, Carberry, Swajanen, Arsenault, Sr., and Knox. Nays--None.

The following resolution was offered by Supervisor Arsenault, Sr., who moved its adoption:

WHEREAS, The Board of Supervisors of Alger County having ascertained from an examination of the assessment rolls of the several Townships and City in said County, find that the value of the Real and Personal Property in said assessment rolls, as fixed by the Boards of Review of the several Townships and City for the year A.D. 1966, is as follows:

<u>Townships and City</u>	<u>Acres</u>	<u>Real Estate</u>	<u>Personal</u>	<u>Total</u>
