Altoona Palooza committee would like to hold an event August 28, 2021 at Sam Wise. Scott mentioned that they will need to reach out to the leagues and make sure they are all okay with that date.

Park Update:

Townsend Community Center, parking lot is still not completed. The contractor is waiting for Mid-American Energy to complete underground utility work. Also, we found that windows in the home had rot around them and they will need repaired. It makes sense to get those replaced prior to opening the facility up to the Seniors and rentals. Money should be available after July 1, 2021. Furniture has also been delivered.

Artistic Manufacturing may possibly be interested in selling a parcel of their land to help with a disc golf expansion at Lions Park. We will be working with them to see if this will be an option.

Terrace Hill hopefully will have the Club House, parking, and maintenance building completed by mid summer. The area cleaned up well and looks really nice.

An updated Comprehensive Plan is being done at Sam Wise.

A motion to adjourn the meeting was made by Mike Wall, seconded by Lisa Moody-Tunks at 7:15 p.m. All ayes. Motion carried.
