
Pet Foster Application

Thank you for your interest in fostering an animal for Amelia Animal Control. By agreeing to take in a homeless dog, cat, or other animal, you are giving the most vulnerable pets a safe space to stay until they find their forever home. Please fill out the following form, and we will contact you to discuss this further.

By signing up to foster, you agree to:

- Be available to provide love, care, and attention to your foster animal.
- Socialize the animal. Many of these dogs and cats are scared after all they've been through. Socializing them helps make them more adoptable.
- Learn about your foster animal (their preferences, dislikes, etc.) to provide us with details we might not otherwise know. This will help us find the best possible fit for their new home.
- Take photos and videos of the animal so we can share those with potential adopters and post on our social media.
- Return the animal to the shelter as requested for medical care, vaccines, tests, and any visits with potential adopters.
