Statement of Acknowledgement for Commercial Institutional or Multi-Family Buildings with Asphalt Shingles Re-roof Requirements.

1. Roofing contractor needs both Village of Arlington Heights Contractor's License and State Roofer's License. Copy of State License shall accompany application for permit.
2. Contain debris and remove promptly. Dumpster to be on private property.
3. Provide roof /attic ventilation in accordance with Section 1202 of 2018 IBC.

MEET THE REQUIREMENTS OF SECTION 1507 OF THE 2018 IBC FOR ROOF COVERINGS.

4. Underlayment shall comply with Section 1507.1.1 of the 2018 IBC as adopted and amended by the Village of Arlington Heights.
5. Roof extensions shall be underlaid with ice/water shield to a point two feet past inside of wall.
6. Asphalt shingles shall be applied only to solidly sheathed decks and per manufacturer's printed instructions and this code. All bundles shall carry a Fire Underwriters' label in accordance with the Fire Classification in accordance with section 1505 of the 2018 IBC and the exposure shall be as required to attain this rating.
7. Asphalt shingles shall only be used on roof slopes of two units vertical in 12 units horizontal or greater. For roof slopes from two units vertical to 12 units horizontal up to 4 units vertical up to 12 units horizontal double underlayment application is required.
8. **REROOF:** New roof coverings shall not be installed without first removing existing roof coverings when the existing roof has two or more applications of any type of roof covering. When recovering or replacing an existing roof, the roof shall be drained and ventilated in accordance with the requirements for new roofs.

I have read all of the above.
