FY 2025/2026 BUDGET IN BRIEF

Dear Avon Neighbor:

This issue of the Town newsletter is devoted to presenting the proposed Fiscal Year (FY) 2025/2026 Town and Board of Education operating budgets, capital budgets and special revenue budgets. The annual budget process provides the community with the opportunity and means to review past accomplishments and identify collective goals and objectives for the future of our Town.

The FY 2025/2026 budget process began in August 2024 and the budget that is presented to you in this newsletter is the result of the months of consideration and decision making on the part of the Board of Education, the Town Council, the Board of Finance, Town and Avon Public Schools staff, and the integration of crucial public input. The proposed budget includes funding for core government services including public safety, education, social services and infrastructure needs, maintains existing service levels, and meets long-term financial obligations.

The annual budget process now culminates in two events during the month of May: the Annual Budget Meeting on Monday, May 5th and the Budget Referendum on Wednesday, May 14th. More details on these events can be found below and within this newsletter. Inside, you will also find an overview of the proposed budget. Additional information, including the budget document in full, can be accessed at www.avonct.gov/home/pages/annual-town-budget. The Board of Education budget can be found at www.avon.k12.ct.us/departments/business_services/budget_information. A Tax Calculator is also available on the Town's website (Assessor's page) so that you can calculate the proposed budget's impact on your property taxes.

The **Annual Budget Meeting** will be held on **Monday, May 5, 2025 at 7:00 p.m.** in hybrid format: both in-person at the Avon Senior Center and virtually via GotoMeeting. The virtual meeting link will be made available on the Town's website. The Annual Budget Meeting is held for the purpose of presenting the Board of Finance's proposed budget to the voters. The Annual Budget Meeting will not include a vote for the budget or result in an increase or decrease in the budget. Electors or taxpayers wishing to provide public comment may participate in the meeting in-person or virtually. Should a speaker wish to provide public comment virtually, we recommend accessing the virtual meeting link using the web link rather than the phone number.

The Annual Budget Meeting will be adjourned to a **Referendum Vote** on **Wednesday, May 14, 2025**. Polls will be open at the Avon Senior Center from 6:00 a.m. to 8:00 p.m. As always, if you have questions about the annual budget process or anything contained in this newsletter, please do not hesitate to contact the Town Manager's Office at (860) 409-4300.

REVENUES

The proposed FY 2025/2026 total revenue budget is \$118,623,207. This includes **General Fund Revenues** in the amount of \$111,641,962.

Of this amount, approximately 12%, or \$13,517,511, would be supported by non-property tax revenues such as licenses, fees, & permits (i.e. building permits, recording & conveyance fees); intergovernmental revenues (i.e. state and federal grants); charges for services (i.e. landfill permits, recreation fees); other local revenues (i.e. interest income); and other financing sources (i.e. use of fund balance).

The remaining 88% or \$98,124,451 would be supported by the property tax levy. This is a 3.90%, or \$3,682,481, increase over the property tax levy required to support the adopted FY 2024/2025 budget. The proposed FY 2025/2026 budget would require a mill rate of 30.75, an increase of 3.67% over the mill rate required to support current year adopted budget.

The increase in the property tax levy required to support the proposed FY 2025/2026 budget is, in part, the result of the loss of approximately \$2.25 million in revenue that was included in the FY 2024/2025 adopted budget and is no longer available to the Town. This includes approximately \$1 million in revenue loss due to legislative changes at the state level. The remaining \$1.25 million is due to the use of unassigned general fund balance that was used in the FY 2024/2025 to offset the total impact of the 2023 Revaluation on the budget. These revenue reductions put upward pressure on the mill rate before any budgetary adjustments are considered, driving a 2.39% increase on their own.

The proposed budget also includes \$6,981,245 in revenues to support **Special Revenue Funds**. Special Revenue Funds are used to account for certain non-tax revenues and associated expenditures that are used for a specific purpose. Special Revenue Funds are NOT supported by the property tax levy. The Town's largest Special Revenue Fund is used to support the operations and maintenance of the sanitary sewer collection system.

The charts below and on Page 7 of this newsletter summarize the General Fund Revenue Budget and the Special Revenue Fund Revenue Budget.

VFW Annual Memorial Day Parade and Poppy Drive May 26, 2025

This is the 80th anniversary of the Parade following the end of WWII and the 80th anniversary of our Post. We are producing our 80th anniversary magazine and asking for support from local business and anyone who has a relative to remember. All veterans are welcomed and encouraged to march in the Parade, which steps off at 11:00 a.m. from the Board of Education on Simsbury Road (Rts. 10 & 202). The parade travels west on Rt. 44 to the Town Memorial for a brief ceremony (off Ensign Drive). Contact Bill Samol at (860) 673-0594 (leave a message) with questions, or if you want to be involved. Come out and support your local heroes during these challenging times. In case of rain, meet at the Avon Senior Center at 11:00 a.m.

The **VFW Poppy Drive** starts May 17th and ends on Memorial Day. **All funds are 100% donated to veterans' charities and are 100% TAX deductible (we are a 501-C3 non-profit).** Come and meet the veterans at the Avon Walmart & Shop Rite in Canton stores and receive a FREE "Buddy Poppy" to display. The drive will be ongoing thru our web site: www.avonctvfw.com. Please contribute and support the Veterans who gave their all. Call the Commander at (415) 810-9320 with questions.
