

CASE MANAGEMENT SEARCH DOCKET

The Case Management Web-Based Search allows the public to check court records quickly and efficiently. Anyone seeking details about pending or closed cases in Bartow County can perform a case lookup through this official court system.

The Case Management Search allows online access to various public court records that include information on civil, criminal, and family matters. Users can search by case number, party name, or associate party name. While most records are available for public review, some may have privacy restrictions due to the sensitive nature of the case.

Types of Records Available Online

The online case search provides multiple types of records, such as:

- **Civil cases:** Disputes between individuals or organizations, including property, contract, or personal injury cases.
- **Criminal cases:** Information about charges, court dates, and outcomes for offenses.
- **Family cases:** Matters like divorce, child custody, or support orders.

Once you have created your account online you will be able to search and view the different cases free of charge.

Fees apply if you print copies of any of the documents. You can set up your credit or debit card to purchase copies so that you can print them at your convenience.
