Massachusetts Food Protection Manager
Certification Exam and Trainer Directory

This directory was compiled to assist individuals and retail food businesses to find optional training programs and/or examinations for compliance with the food protection management certification requirement in 105 CMR 590.003(A)(2). Trainers listed in this directory:

1) meet the recommended instructor qualification identified in the Massachusetts Guideline for Food Protection Manager Training Programs,

2) use one or more of the Food Protection Manager Certification exams recognized in Massachusetts. The exams are provided by one of the three accredited test development organizations listed below, and

3) include in their training, the provisions of 105 CMR 590.000 that are unique to Massachusetts.

When choosing a trainer, we strongly recommend that you contact as many trainers as possible and obtain the following information:

- Examination offered (see list below)
- Length of training/class schedules
- Cost of exam and/or training
- Educational background of the trainer
- Food safety experience of the trainer
- References from previous students
