

Bradford Energy Committee

Minutes for Thurs November 7th, 630pm via ZOOM

<https://us02web.zoom.us/j/4739957902>

Minutes for November 7th, 2023, Bradford Energy Committee Regular meeting.

Attended by Elizabeth, Tom, Susanna, Stu, and Ed.

Public comment: None.

Bylaws: Members discussed the proposed bylaws for the Bradford Climate and Energy Commission and agreed on a last version of the draft written by Tom. We will need to have this approved by the SB with a planned effective date of March 31, 2024.

Ed will work up a budget to propose to the SB prior to the town meeting.

Susanna reported that the WD build is a go with over two hundred inserts to be built.

The MERP assessment, via a grant from Vermont Building and General Services is scheduled for Friday, December 15th and members have volunteered to cover shifts. This assessment qualifies The Town of Bradford to compete for grants of up to 500,000.00. Jeff Groat from TRORC is expected along with Paul Rivers, the building manager, and the audit crew.

Other:

Minutes from two meetings (a special meeting and regular meeting) held in October were approved.

The meeting was adjourned at approx. 7:30 PM.
