

Bradford Energy Committee Special Meeting

October 24, 2023

Climate and Energy Commission By-Laws

Tom reviewed his drafts; minor changes were made. Discussion of who will post the agendas and minutes to the website and at necessary locations?

Adding “climate resiliency” to our mission so it is clear that these issues are part of our mission.

The name was decided to be Bradford Climate and Energy Commission.

Addition of budget responsibilities to chair.

Motions designations leave in.

Tom is not sure he can make revisions by this Thursday. So, Ed will try to get us onto the agenda on November 12, 2023.

Other Matters

Ed made a motion to give up to \$500.00 to Facilities BA maintenance to cover cost from overage due to lights. Motion passed.

Next Meeting: First Tuesday on November 7th. May need another special meeting.
