

EMOJI MAGNETS

MATERIALS

- 3 bottle caps
- Paintbrush
- Yellow paint
- White paint
- Red paint
- Black paint
- 3 magnets
- Tacky Glue
- Mod Podge

INSTRUCTIONS

1. Paint each bottle cap with a base coat of yellow. This may take 2-3 coats to cover the bottlecap. Be sure to let the paint dry FULLY between coats.
2. Let the yellow dry and then use the accent color paints to paint on your favorite emoji faces (there is some inspiration over to the right!).
3. Wash out and dry your paint brush. You need it for the next step.
4. After the emoji faces are totally dry, flip the cap over and use your paintbrush to place a dot of glue in the center. Stick the magnet on the glue and let dry before hanging your creation on any magnetic surface!
