## MECHANICAL PERMIT FEES

### A) **RESIDENTIAL INSTALLATION:** new construction, remodel, addition.

Check all that apply

#### Base Fee

**\$ 25.00** Required

Installation or relocation of each forced-air or gravity-type furnace or burner Including ducts and vents attached to such appliance, **up to an including 100,000 Btu/h** ☐ \$ 75.00

Installation or relocation of each forced-air or gravity-type furnace or burner, including ducts and vents attached to such appliance, **over 100,000 Btu/h** ☐ \$ 95.00

Installation, relocation, or replacement of each appliance vent installed and not included in an appliance permit ☐ \$ 50.00

Installation or relocation of each boiler, water heater, gas fireplaces or compressor **up to and including 3 HP**, or each absorption system **up to and including 100,000 Btu/h** ☐ \$ 45.00

Installation or relocation of each boiler or compressor **over 3 HP** or each absorption system **over 100,000 Btu/h** ☐ \$ 50.00

Inspection of high efficiency flue (each system) ☐ \$ 50.00

For each air handling unit **up to and including 10,000 cfm** including attached ducts

**Note:** This fee shall not apply to an air handling unit which is a portion of a factory assembled appliance, cooling unit, evaporative cooler or absorption unit for which a permit is required elsewhere in the code. ☐ \$ 45.00

For each air handling unit **over 10,000 cfm** ☐ \$ 50.00

For each evaporative cooler other than portable type ☐ \$ 30.00

Installation of each hood which is served by mechanical exhaust including the ducts ☐ \$ 75.00

Appliances or equipment regulated by this code not classed in other appliance categories, for which no other fee is listed in this code. (i.e. Pellet or Wood burning Stoves and Wood Fireplaces.) ☐ \$ 50.00

Fuel gas piping system (number of outlets) No. x \$ 20.00 \$ \_\_\_\_\_

Fuel gas pressure regulator No. x \$ 30.00 \$ \_\_\_\_\_

**TOTAL** \$ \_\_\_\_\_

**The use of an existing flue system will require compliance with current adopted codes.**

### B) **FLAT FEE PERMIT:** No Base fee required.

Bonding inspection of CSST by electrical inspector ☐ \$100.00

Backflow preventer – Lawn Irrigation ☐ \$100.00

Mobile/Modular home connection (1 trip – sewer, water, gas) ☐ \$100.00

**TOTAL \$** \_\_\_\_\_

### C) **MISCELLANEOUS FEES:**

Re-inspection Fee \$100.00

Partial/Extra Inspections Fee \$100.00

# MECHANICAL PERMIT APPLICATION

**D) COMMERCIAL INSTALLATION:** Valuation (Total contract amount of labor & materials) \$ \_\_\_\_\_

(Example: Valuation is \$8400.00 (Round up to \$9000.00).  $9 \times \$20.00 = \$180.00 + \$25.00$  Total Fee = \$205.00)

| Commercial Installation Worksheet | Number<br>(per thousand rounded up to the next thousand) | Fee | Sub-Total |
|-----------------------------------|----------------------------------------------------------|-----|-----------|
| Valuation                         | Valuation x \$20.00                                      |     |           |
| Base Fee                          |                                                          |     | \$25.00   |
| <b>Total Fee</b>                  |                                                          |     | \$        |

Scope of Work: \_\_\_\_\_

If an inspection is disapproved or rejected, you may be required to pay a re-inspection fee prior to another inspection being performed. This department will notify you when this fee is required. Partial inspections or any extra inspection requested or required will be subject to an additional fee. \*If a mechanical permit is not filed and approved in advance of the commencement of an installation the permit fee will be doubled.

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Master / Homeowner / \*Non-Licensed Contractor

If using fillable application, digital signature required. Do not leave blank.

**\*Carbon monoxide detectors must be installed in any single family or multi-family dwelling unit that has a fuel-fired heater or appliance, a fireplace, or an attached garage per Colorado state statute.**

NOTICE: This permit expires one year from the date of issuance. If a final inspection has not been requested and approved within this year, a new permit or extension will be required.

**Provide a one-line sketch of the gas system to include the appliance demand and pipe length and sizing.**
