

City Manager Report

January 2, 2024

- Over the next few months will begin the process of assembling next year's fiscal budget with staff. Our Finance Director will lay out for the Mayor and City Council a timeline and a process for moving forward. We look forward to working with the Mayor and Council on this exercise moving forward.
- We will be interviewing applicants for the Accounting Clerk III position in the Finance Department this week and expect to decide in the next couple of weeks on a candidate.
- The City Attorney position has been readvertised and we will be vetting resumes as they come in. The candidate that we made the offer to declined the position.
- We will be reporting to the Finance Committee on how the awarded ARPA funds have been spent down since the money was awarded. A report to the Mayor and City Council will follow.
- With the onset of colder weather please stay tuned for any closures, delayed openings or early dismissals that will be posted on our website and social media outlets.
- We have posted the 2024 Boards and Commission meeting to the website.
- Our bulk leaf and Christmas tree collection will run through mid-January so please make sure you get your leaves and trees curbside for pick-up.
- Just a reminder to our citizens that if they come across any maintenance issues please go to our website and enter a ticket or phone the office.
