 Entire Fence

Fences may be built across other areas of private property, provided that the fence is not taller than any intersecting fence and in no case taller than eight (8) feet in total height.

Fences cannot cross onto any public or private property and may not block access to any fire hydrant or utility meter.

The owner or person in control of any property adjacent to any intersection where a traffic control device is erected shall not permit any vegetation, fences or other structures to obstruct any such intersection.

For additional requirements:

[Cibolo Unified Development Code \(UDC\) - Article 8. Fences, Screenings and Exterior Design Standards](#)

A permit becomes null and void if work or construction authorized is not commenced within 6 months or if construction work is suspended, or abandoned for a period of 6 months at any time after work is started.

Continued on back

As Contractor, I authorize the property owner to pick up this permit on my behalf. I understand that work may not begin until the permit is posted on the job site. I assume all responsibility for any penalty that may be assessed if work is performed without the permit being posted. _____ **Initial, if homeowner authorized to pick up permit on your behalf**

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I understand granting of a permit does not presume to give authority to violate or cancel the provisions of any City Guidelines, Ordinances, Codes, State or Local Laws regulating construction or the performance of construction.

(SIGNATURE OF OWNER, CONTRACTOR OR AUTHORIZED AGENT)
