**Notice**

**The Fire Line permit becomes null and void if work or construction authorized is not commenced within 6 months or if construction or work is suspended or abandoned for a period of 6 months at anytime after work is commenced.**

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of Laws and Ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any City Guidelines, Ordinances, Codes, State or Local Laws pertaining to or regulating construction or the performance of construction. I hereby certify that the plans I have submitted are in compliance with State Laws, and the City of Cibolo Codes and Ordinances.

And by signing below, you confirm that you have obtained & understand the City of Cibolo's Tunneling Requirements for Plumbing Installation / Repairs dated April 22, 2021. You further agree to provide a safe environment for inspections based on safety measures established by OSHA.
