

This budget will raise more total property taxes than last year's budget by \$662,034 (5.4%), and of that amount \$494,451 is tax revenue to be raised from new property added to the tax roll this year.

Section 102.007 of the Texas Local Government Code requires that the following information be included as the cover page for a budget document:

"This budget will raise more total property taxes than last year's budget by \$662,034 (5.4%), and of that amount \$494,451 is tax revenue to be raised from new property added to the tax roll this year."

Property tax rates for the preceding fiscal year, and each municipal property tax rate that has been adopted or calculated for the current fiscal year, include:

		Current	Preceding
		Tax Year	Tax Year
a.	Adopted Tax Rate	\$0.4835	\$0.4835
b.	No-New-Revenue (NNR) Tax Rate	\$0.4563	\$0.4918
C.	NNR Maintenance & Operations Tax Rate	\$0.2844	\$0.3043
d.	Voter-Approval Tax Rate	\$0.4925	\$0.5024
e.	Debt Rate	\$0.1793	\$0.1875

Total outstanding municipal debt obligations secured by property taxes is \$69,573,443 (including principal and interest). Of that, the total amount of outstanding debt obligations considered self-supporting is \$14,425,000. Sales taxes, utility revenues and public- private partnership agreements currently secure self-supporting debt. In the event such amounts are insufficient to pay debt service, the City will be required to assess an ad valorem tax to pay such obligations.

Re: Fiscal Year 2021-2022 Adopted Budget

EXECUTIVE SUMMARY

The City of Cibolo's annual budget affects every resident and business in our growing City. It serves as a communication, management, and policy resource that reflects Council's priorities and how the City will allocate taxpayer dollars along with utility and fee revenues to cover operational costs, which means it has a direct impact on the levels of service, range of services, and capital improvements provided to our residents, businesses, and customers. The proposed Fiscal Year 2021 – 2022 Annual Budget (Fiscal Year 2022 or FY22) is a balanced budget that responds to the current context of the economy, job market, physical development and growth, investment in our workforce, and overall needs of the community; it reflects that the City is in sound financial shape and continues to experience strong revenue growth as a result of the expanding residential, commercial, and industrial land development occurring in our City.

The development of an annual budget is a public process that provides transparency on how the City proposes to use revenues in a fiscally responsible manner. The Mayor, Council members, and City staff worked closely together in developing this annual budget to ensure it aligns with the Council's priorities for our growing community. Here is an overview of the multiple public presentations and scheduled public hearings of this year's budget process (materials and videos from each Council meeting can be found on the City's website):

June 29 th	Review of Council Requests at Budget Workshop

July 20th Council Budget Workshop

July 27th Review of Employee Compensation and Benefits with Council

August 2nd Council Sub-Committee of 5-Year CIP Plan (Mtg #1)

August 10th City Manager's Proposed FY22 Annual Budget Submission to Council

Set Public Hearing Date for September 14th

Set Maximum Tax Rate

August 24th Council Sub-Committee of 5-Year CIP Plan (Mtg #2)

Council Feedback on Potential Changes to Proposed FY22 Annual Budget

Presentation of Revised Fee Schedule and Possible Adoption

September 14th Final Council feedback on FY22 Annual Budget

Adoption of New and Revised Fees if Needed

September 20th Public Hearings and Adoption of FY22 Annual Budget and Setting of Tax Rate

This process afforded Council opportunities to set priorities, consider options, and provide direction on a preliminary budget, so staff could develop a proposed budget that reflects their feedback. The top themes of the FY22 Annual Budget are as follows:

Fire Dept. Continue multi-year transition to professional, paid staff and opening of FS #3

Development Services. Improve customer service and performance to manage growth

Special Events. Increase and improve City sponsored events

Business Recruitment. Recruit hospitality user and retail/commercial/industrial businesses

Workforce Development. Strengthen employee engagement and supervisor training

Infrastructure. Improve maintenance of existing infrastructure, particularly roads

CIP. Strengthen the City's Capital Improvement Program Management

The FY22 Annual Budget's combined operating budget totals \$32,649,892. Operating funds are comprised of the General Fund, the Utility Fund, the Drainage Utility District Fund, and the Economic Development Corporation Fund. Each of which is discussed separately in this executive summary. The FY22 Annual Budget is based on a tax rate of \$0.4835 which is 1.8% below the calculated no-new-revenue tax rate. Impact fees and other fees are proposed to be modified to cover costs.

Initiatives within the FY22 Budget:

<u>City Facilities</u>. The City's facilities continue to expand in response to growth and staff will occupy two new buildings - the third fire station and the new City Hall Annex.

Personnel. Addition of 12.5 FTEs across multiple departments to respond to increased workloads due to growth.

<u>Fleet</u>. Within this budget is continued financing of a vehicle replacement fund for the management and replacement of the City's aging fleet vehicles.

<u>Premium Pay</u>. Move to market competitive pay for Essential Workers in Fire, Police, and Public Works using the American Rescue Plan of 2021. This change impacts 109 positions or approximately 70% of the City's workforce. This funding will be used across FY22, FY23, and FY24 with the City's General Fund revenue slowly absorbing the full impact by FY25.

Special Events. Resumption of special events for the full year after ceasing these activities in 2020.

Redistricting. Funding for a demographer to assist the City in redistricting efforts following the 2020 U.S. Census.

<u>Senior Program</u>. Funding for senior services to provide access to activities and programs for our growing senior population.

Property Taxes

2021 Certified Net Taxable Value for the City of Cibolo is \$2,701,134,112 which is approximately 10.8% higher than the 2020 Certified Net Taxable Value of \$2,437,489.578. New property on the tax roll of \$183 million accounts for 69% of the total increase. Fluctuations in value account for the difference. Residential values net of exemptions increased by approximately \$183 million, or 8.7%, while commercial values increased by \$37 million, or 24%. Last year a decrease in industrial values of approximately \$22.5 million occurred. Currently, industrial values have increased \$7 million or 22%.

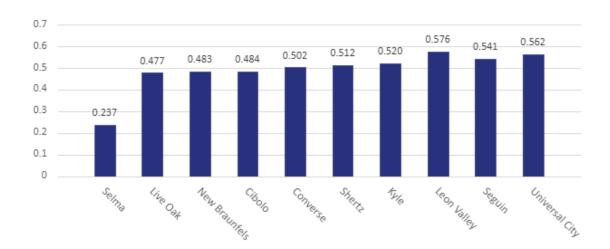

The tax rate is made up of two components. The component for maintenance and operations (M&O) related to General Fund operations, and the component for interest and sinking (I&S) related to Debt Service Fund obligations. Each July, our property tax value is certified by the Guadalupe County Appraisal District. Tax rate calculations are prepared by Guadalupe County Tax Assessor-Collector's Office. The no-new-revenue (formerly "effective") tax rate is the rate at which the same amount of tax revenue is generated on the same properties which are on the tax roll in both years. The voter-approval (formerly "rollback") tax rate is the highest rate that a taxing entity can adopt without requiring an election.

This budget is supported by a property tax rate of \$0.4835 per \$100 of value, which is 5.9% above the calculated nonew-revenue tax rate, but 1.9% less than the voter approved tax rate of \$0.4925 per \$100 value.

The General Fund budget is based on a rate for maintenance and operations (M&O) of \$0.3042 per \$100 value. The Debt Service Fund budget is based on a rate for interest and sinking (I&S) of \$0.1793 per \$100 valuation, which is 4.5% less than the prior year rate of \$0.1875 per \$100 valuation.

It should be mentioned that the City continues to enjoy one of the lowest property tax rates in our immediate region for similar sized cities. The tax chart shown below compares the City of Cibolo tax rate for fiscal year 2020-2021 as well as three preceding years, to that of its neighbors.

Surrounding City Tax Rates

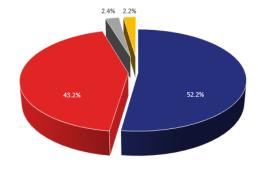

Bond Rating 2021

Standard & Poor's (S&P) Ratings Services assigned its 'AA-' rating to the City's series 2021 Combination Tax and Revenue Certificates of Obligation (CO) and affirmed its 'AA-' rating with a stable outlook on the City's outstanding General Obligation (GO) debt. The 'AA-' Bond Rating allows the City to sell bonds at lower interest rates. Standard & Poor's includes the following rationale for the bond rating:

- Strong economy with access to a broad and diverse metropolitan statistical area;
- Strong management with good financial policies and practices;
- Adequate budgetary performance;
- Very strong budgetary flexibility;
- Very strong liquidity;
- Weak debt and contingent liability profile; and
- Strong institutional framework score.

Combined Operating Accounts

The combined operating budgets include the General Fund, the Utility Fund, the Drainage Utility District Fund, and the Economic Development Corporation Fund. Daily operations of the City are accounted for within these funds. In total, operating funds increased by 10.4% when compared to the prior year budget.

General Fund

The General Fund accounts for primary operations of the City including administration, public safety, planning and engineering, and street and park maintenance.

General Fund Revenue Highlights

Major revenue sources of the General Fund include property and sales taxes, franchise fees, and building permits. The following table summarizes General Fund revenue sources for Fiscal Year 2021-2022 as compared to Fiscal Year 2020-2021:

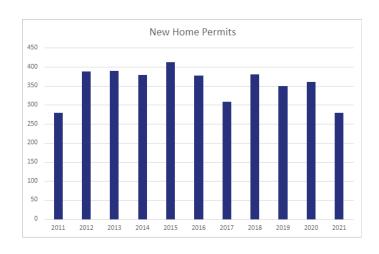

Revenue Category	FY 20-21 Current Budget	FY 20-21 Estimated Actual	FY21-22 Adopted Budget	\$ Difference	% Difference

Revenue Projections

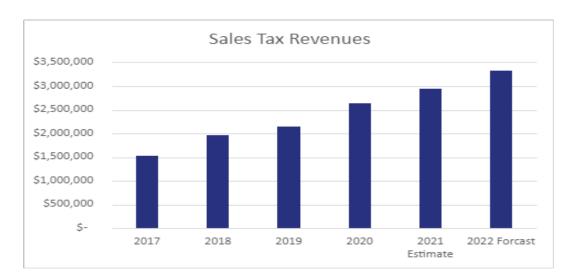

Revenue projections in the General Fund for FY22 reflect higher than anticipated property taxes and franchise fees, but lower than anticipated fines, some fees, and investment income. Revenue projections reflected in the annual budget show an overall increase of approximately 9%. The FY22 Annual Budget reflects anticipated increases in sales tax, permits and development and building fee revenues in line with the growth experienced in both residential and commercial sectors.

The chart to the right shows the annual activity for FY22 and the previous ten years for new home permits. The city continues to experience strong growth as new permits continue to fall between the 250-300 range annually.

Sales Tax Revenues

For Fiscal Year FY21 that ends on September 30, 2021, we were conservative in sales tax projections because of the potential impact of COVID-19 on the economy and are expecting to be within 1.5% of our original projection. For FY22, which starts on October 1, 2021, we expect strong growth and have budgeted a 10.3% increase over FY21 estimated revenues (end of year) for the coming year. With the additional businesses that have opened in the Cibolo Crossing commercial development, the City of Cibolo is expecting the grand opening of a major furniture and home goods store in FY22 to capitalize on the City's continued growth. The City is also welcoming the grand opening of a major manufacturing company (AWTX), which announced it will begin full production by October 2021. Additionally, several other commercial and light industrial businesses are slated to open in FY22 which will help diversify and expand on the tax base in Cibolo.

General Fund Expenditure Highlights

A summary of expenditures by department for FY22 as compared to FY21 is as follows:

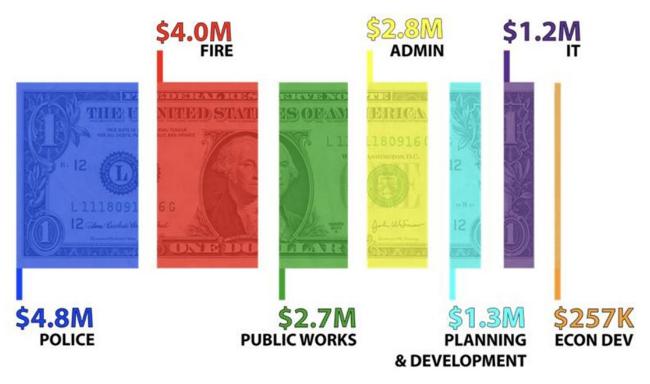

Department	FY 2020-2021 Current Budget	FY 2021-2022 Adopted Budget	\$ Difference	% Difference

The FY22 General Fund includes 9.5 new positions in the following departments:

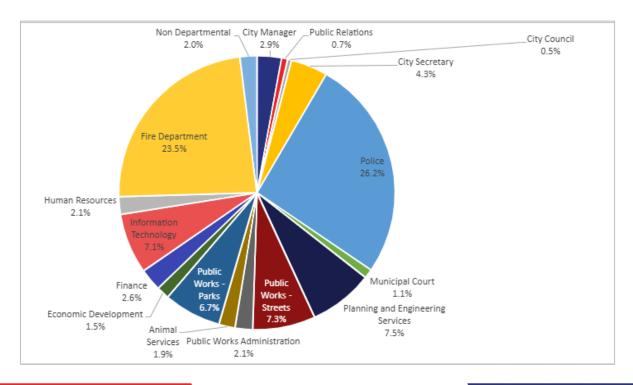

Department	Position(s)	Start Date
Fire	3 Fire Personnel and 1	Half-year
Fire	Executive Assistant	Full year
Police	Public Safety Officer (0.5 to 1.0)	Full Year
IT	IT Technician	Full Year
СМО	CIP Manager	9 months
P&E	Development Manager	10 months
Public Works	Administrative Assistant	6 months*
City Secretary's Office	Open Records Clerk	Full Year
Total New FTEs		9.5 FTEs

^{*} This position will be filled when the expansion to the Public Works Facility is completed. This position will work out of this new expansion.

The \$17M in General Fund Expenditures are broken down below as a summary and the more detailed pie chart reflects each department individually at the bottom of this page.

The most significant increase in the list above, is the change in the budget for Fire Department. The City of Cibolo anticipates opening Fire Station Number 3 in November 2021. Expenses include additional personal and capital as well as increases in the overall operating budget to account for the operational costs of a third fire station.

Expenditure Highlights by Department

City Manager

The City Manager's budget increase by 41.4% is mainly attributable to a Program Change to add funding for a Capital Improvements Program Manager for 9 months and the new city manager's contract, along with increases in Contract Services and travel, training, dues, and memberships.

City Manager – Public Relations

The budget reflects about a 12% increase in costs related to a Program Change to reclassify the Public Relations Manager pay grade based on experience, duties, and performance. Conference travel and training funds increase slightly to provide professional development opportunities to the employee within this service area.

City Council

City Council's budget increase of roughly 70% is primarily due to a one-time expense. In 2022 the City will begin its study on redistricting of the community based on the 2020 U.S. Census figures and this requires a budget for professional fees for a demographer in the amount of \$50,000. The remainder of this budget remains relatively flat.

City Secretary

The City Secretary's budget increases about 45.3% when compared to current budget. This is due to increases in personnel cost attributed to a one-time expense and the addition of an Open Records Clerk within this department.

Police Department

The budget remains relatively flat when compared to current budget. Some of the main items that are reflected in the Police budget are a reclassification of a Police Officer to a Crime Prevention Specialist. In the Patrol Unit one Officer was also moved from Part-time to Full-time.

Municipal Court

The budget for this department remains consistent with funding compared to the current fiscal year with no program change.

Planning and Engineering

The budget reflects an overall increase of 11.6% when compared to the current budget. This increase is attributable a program change that funds two FTEs: a Development Manager and an Executive Assistant. Other increases are provided for building services, survey projects and design, and additional funds for professional development.

Public Works - Streets

The Streets division budget decreases by 6.3% when compared to current budget. There is an increase in salaries and benefits. In addition, the budget includes one-time funding for new equipment to assist staff in being productive with street maintenance. There is capital outlay for a 4 year lease payment on a pneumatic asphalt roller, asphalt crack seal machine, and a front end loader.

Public Works Administration

The Public Works Administration budget increases about 19% when compared to current budget. This is primarily related to the program change to add one Administrative Assistant for the new Public Works facility when it opens. Increase in funding for professional services.

Animal Services

The budget reflects an increase of 5.4% when compared to current budget. This increase covers higher professional fees for veterinarian services due to the increase of animals treated. Increases are also attributed to a one-time cost for a replacement vehicle.

Public Works - Parks

The budget reflects a decrease of 2.6% when compared to current budget. The decrease is attributed to the movement of all special events funding into an enterprise fund (Special Events Fund). There is also a decrease in noncapital funding to accounting for one-time costs that occurred in FY 2020-2021. The addition of funding for a senior services program is also included in the budget.

Economic Development

The budget reflects a 9.8% decrease when compared to current budget. This represents full funding for all authorized positions and attributes savings for vacancies in current fiscal year. Also included in this budget is funding for property management tools, IT contract, advertising, travel and training, and office supplies.

Finance

The budget for Finance reflects a decrease of 9.1% when compared to current budget. Salaries and benefit expenses decrease due to changes in personnel that occurred in FY21. IT Maintenance costs also decrease to reflect changes in software for the financial system.

Information Technology (IT)

The budget for IT reflects a 50% increase when compared to current budget. Much of this increase is attributable to capital outlay and IT maintenance contracts. The budget funds the following Capital Projects; City Hall annex conference room update, Public Works cabling camera installation, installation of Fire Station NO. 3 fiber, LCR booster, improvements to the interview room system, and a custom access design. Included in the IT maintenance contracts is mid-year changes to enhance civic engagement, Near Map to do fly over mapping, new software for sales tax, project management and engineering software. Also included in the budget is a program change that adds 1 Information Technology Technician to assist with growing IT work orders.

Human Resources

Overall, the Human Resources budget increases by 54.2% when compared to current budget. Much of this increase is due to increases in contract services for a market study, staff training, and an employee engagement survey. The City of Cibolo has not conducted a market review of City positions since 2015; the budget includes funding to conduct one. Retaining our employees who meet and exceed performance standards is good business practice; by rewarding high performance and assuring pay is market competitive, the City of Cibolo can attract and retain top talent.

Fire Department

The budget reflects a 25% increase when compared to current budget. Much of the increase can be attributed to increases in overtime and capital outlay. All increases are attributed to the opening of Fire Station NO. 3 which is anticipated in November 2021. Another notable increase is in our EMS contract with the City of Schertz and is related to our population growth along with an annual CPI adjustment. Changes in personnel include the addition of three Battalion Chiefs for six months as well as the reclassification of three firefighters to Lieutenant and three firefighters to Fire Apparatus Operators.

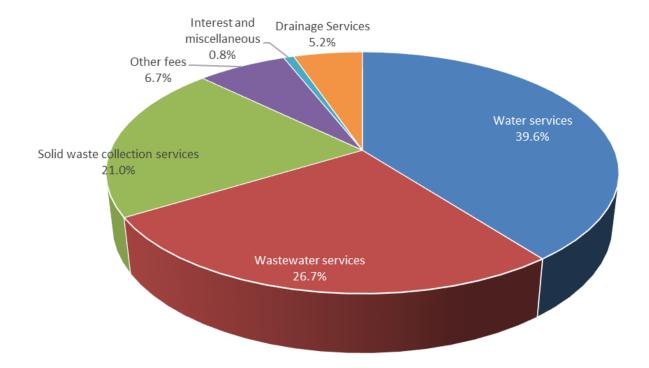

Non-Departmental

This budget reflects a 6.9% decrease from the current budget. Decreases are represented mainly within salary savings as well as anticipated savings for utilities and contract services. Funding for COLA and merit pay are budgeted in non-departmental until transferred to the individual departments.

Utility Fund and Drainage Utility District Fund

The Utility Fund and the Drainage Utility District Fund account for the revenues and expenses related to the acquisition and distribution of water resources, collection and disposal of wastewater, solid waste collection, and maintenance of public drainage ways in the City. The following chart shows the revenue distribution for the combined Utility Funds:

Revenue Category	FY 2020-2021 Current Budget	FY 2021-2022 Adopted Budget	\$ Difference	% Difference
Water services	\$5,257,600	\$5,886,000	\$628,400	11.95%
Wastewater services	3,667,000	3,966,314	\$299,314	8.16%
Solid waste collection services	3,002,200	3,124,500	\$122,300	4.07%
Other fees	1,011,700	1,003,100	-\$8,600	-0.85%
Interest and miscellaneous	<u>170,000</u>	<u>115,100</u>	(\$54,900)	-32.29%
Total Utility Revenues	\$13,108,500	\$14,095,014	\$986,514	7.53%
Drainage Services	\$762,100	\$772,900	\$10,800	1.42%
Interest and miscellaneous	<u>8,900</u>	<u>0</u>	-\$8,900	-100.00%
Total DUD Revenues	\$771,000	\$772,900	\$1,900	0.25%

Utility Fund Revenue Highlights

The Utility Fund FY21 revenues are expected to be 2.4% over original budget projections. Revenues from residential customers is expected to be 3.9% over original projections and we are anticipating continued steady growth in this customer base into the next few years. Revenues from commercial growth is expected to be 5.7% over original projections and we are projecting an increase of 9.6% for FY22. Other fees are expected to rebound following a year of revenue instability. These revenues are expected to be back to usual levels for FY22. However, in offset, we are projecting a decrease in investment income through the rest of this fiscal year and into next.

Utility Fund Expenditure Highlights

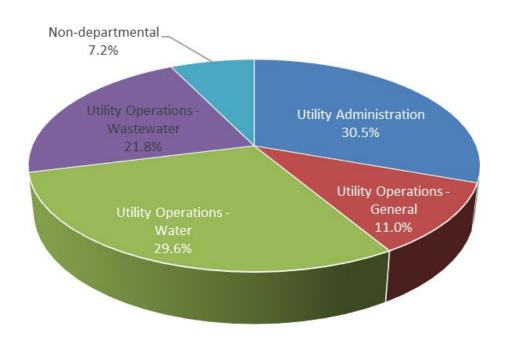

During Fiscal Year 2019-2020, which ended in September 2020, operating budgets in the Utility Fund were reorganized. Shared costs of water and wastewater operations are included in a general operations department and direct costs of water and wastewater operations remain separate. Prior year costs were reorganized for comparability.

For the current Fiscal Year (FY21), overall estimated expenditures are anticipated to be 2.4% lower than the current budget. While increased costs of wastewater treatment were over original projections, they were offset by salary savings beyond what was originally budgeted.

In FY22, full funding for all positions is budgeted. Costs for the Cibolo Valley Local Government Corporation (CVLGC) are anticipated to increase to \$300,000. This is the maximum amount that Cibolo would be obligated to pay. Actual costs are anticipated to be lower. IT Maintenance contracts are also anticipated to increase in FY22. In Utility Services, contract services for general maintenance and engineering are anticipated to increase. New meter boxes as well as replacement boxes are fully funded in the FY22 budget. Further, a transfer to the General Fund in the amount of \$290,000 is also budgeted from solid waste collection services revenues, which appropriately provides for the funding of overhead services of personnel to maintain the solid waste contract within the Utility Fund. In the Wastewater Division, the cost of utilities is anticipated to increase as well as the costs for the repair of main sewer lines. As anticipated, fees provided to the Cibolo Creek Municipal Authority (CCMA) increased. City Council was briefed on these increases during the August City Council Meeting. In Water Operations, all water provider fees are anticipated to increase three percent from the current estimates. In the non-departmental funding for debt service for revenue bonds, general obligation bonds and certificates of obligation are provided.

The following chart shows the expenditures for the Utility Fund:

Expenditure Category	FY 2020-2021 Current Budget	FY 2021-2022 Adopted Budget	\$ Difference	% Difference
Utility Administration	\$3,733,437	\$4,304,572	\$571,135	5.10%
Utility Operations - General	\$1,016,414	\$1,513,537	\$497,123	-11.00%
Utility Operations - Wastewater	\$2,689,695	\$3,072,500	\$382,805	6.40%
Utility Operations - Water	\$4,274,028	\$4,172,929	(\$101,099)	10.80%
Non-departmental	<u>\$988,050</u>	<u>\$1,016,271</u>	\$28,221	-0.70%
Total Utility Expenditures	\$12,701,624	\$14,079,809	\$1,378,185	5.20%

Drainage Utility District Fund

The Drainage Utility District Fund was created in 2011 to establish funding for maintenance of the City's drainage ways. The fee structure is based on \$6 per LUE (living unit equivalent). The calculation is based on a property's impervious coverage area. Most residential properties are currently charged the equivalent of 1 LUE or \$6 monthly. Commercial drainage fees are based on the same rate and are capped at a maximum of 125 LUEs. This budget does include a drainage rate increase.

The budget for the drainage utility expenses remain flat for FY22. Some notable changes include increases for drainage maintenance contracts which are offset by a decrease in engineering services.

The FY22 budget also includes funding for the lease of a new street sweeper.

Economic Development Corporation Fund

The Economic Development Corporation (EDC) Fund has been focused on growing commercial and industrial development. The opening of a major entertainment center in Cibolo in 2019 has spurred additional development along the City's IH35 corridor, including new restaurants. Additionally, with the completion of the first phase of AWTX along the IH10 corridor, we also expect additional businesses and increased residential activity to follow. Although this manufacturing company will not directly impact sales tax, we expect the new primary jobs to have a positive impact on sales tax in future years.

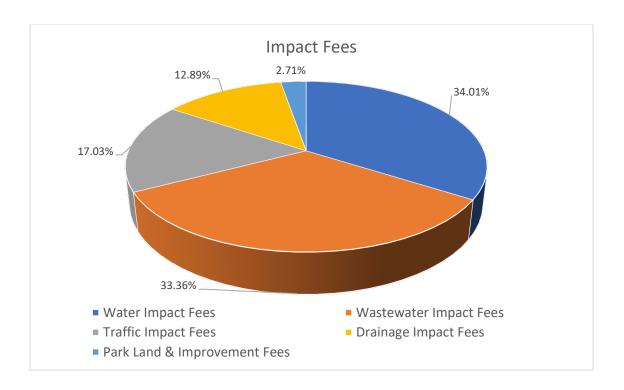

Sales taxes make up approximately 99% of the EDC revenue budget. Forecasted sales tax revenue reflects a 12.9% increase over the FY21 original budget. We expect substantial development along IH10 to follow AWTX which opened in 2021 for testing and will be fully operational in 2022. Along IH35, Living Spaces is slated to open in December 2021 with additional development underway for future phases of the Cibolo Commercial Development. Near the City's town center, FunTown RV is under fire review and plans to open by the first quarter of 2022.

Fiscal Year 2020-2021 expenditures are expected to be within 1.3% of the current budget. Reductions in grants expected to be provided during the year and delayed training opportunities reduced spending. The FY22 budget reflects a significant increase of 61% in expenses over FY21. This increase is attributable to the initial bond payment in the amount of \$318,914 for the purpose of land acquisition along FM78.

Impact Fees

In the development process, the City imposes impact fees to recover costs related to the impact of new development on infrastructure. Those impact fees are calculated based on a professional engineering study contracted by the City. These fees were updated for FY22. Water impact fees continue to increase due to new development occurring in our water **Certificate of Convenience and Necessity** (CCN). This CCN provides the City with the exclusive right to provide retail water and sewer utility service to an identified geographic area. Reductions in impact fees from the prior year are a result of Public Improvement Agreements negotiated with developers who are making significant contributions to City infrastructure as part of their development, in lieu of impact fee payments. Categories of impact fees and the related revenues are as follows:

Revenue	FY 2020-2021 Current Budget	FY 2021-2022 Adopted Budget	\$ Difference	% Difference
Water Impact Fees	\$440,000	\$642,700	202,700	46.07%
Wastewater Impact Fees	491,440	630,350	138,910	28.27%
Traffic Impact Fees	495,973	321,900	-174,073	-35.10%
Drainage Impact Fees	149,928	243,500	93,572	62.41%
Park Land & Improvement Fees	<u>53,200</u>	<u>51,200</u>	<u>-2,000</u>	-3.76%
Total Impact Fees	\$1,630,541	\$1,889,650	\$259,109	15.89%

5 Year Capital Improvement Plan

The City Council formed a sub-committee in July, during a budget workshop, and tasked it to update the City's 5 Year Capital Improvement Plan (5 Year CIP). The new plan spans over years 2022-2026. This sub-committee was comprised of Council members Reggie Bone, Ted Gibbs, Mark Allen, and Joel Hicks. These Council members met twice in August with staff members to review, prioritize, and schedule projects across all categories. This plan is a planning guide for the City Council on when to fund capital improvements in current and future fiscal years. The 5 Year CIP is found later in this budget book.

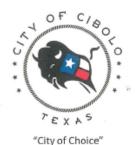

This budget as presented is designed to meet the current operational needs of the organization and to anticipate additional growth within the City of Cibolo.

Respectfully,

Wayne Reed, ICMA-CM, City Manager

Wayne Keed

BUDGET ORDINANCE

ORDINANCE NO. 1349

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF CIBOLO, GUADALUPE COUNTY, TEXAS, ADOPTING THE BUDGET FOR FISCAL YEAR 2021-2022, BEGINNING OCTOBER 1, 2021, AND ENDING SEPTEMBER 30, 2022, PROVIDING THAT THIS ORDINANCE SHALL BE CUMULATIVE OF ALL OTHER ORDINANCES; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, a Proposed Budget for the period commencing October 1, 2021, and ending September 30, 2022, has been prepared and submitted by the City Manager in accordance with Article VII of the City Charter; and

WHEREAS, a public hearing was ordered by the City Council and a public notice of said hearing was duly posted and published in the Seguin Gazette in accordance with applicable state law and Section 7.05 of the City Charter and the City Council held a public hearing on the Proposed Budget on September 20, 2021; and

WHEREAS, during said public hearing, all interested persons were given the opportunity to be heard for or against any item or the amount of any item contained in said budget, after which said public hearing was closed; and

WHEREAS, the City Council finds that all provisions pertaining to the adoption of the budget contained in the City Charter have been in all things complied with; and

WHEREAS, after full and final consideration, the City Council is of the opinion that the budget is in accordance with Section 7.07 of the City Charter in that the estimated expenditures will in no case exceed proposed revenue plus available fund balance and said budget should be approved and adopted;

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CIBOLO, TEXAS:

SECTION 1

The Proposed Budget herein presented and attached to this Ordinance for all funds for the fiscal year commencing October 1, 2021, and ending September 30, 2022, is hereby approved and adopted.

GENERAL FUND

The General Fund is the general operating fund of the City and is always classified as a major fund. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. Major revenue sources include property taxes, charges for services, intergovernmental revenues, and investment of idle funds. Primary expenditures are for law enforcement, fire suppression, public works (streets, parks, and facilities), city administration, planning and engineering, code enforcement, information technology, and economic development.

Police Department – SRO Program

Function: Our School Resource Officers (SROs) are assigned to patrol the multiple schools within Cibolo during the school year, although their primary locations are Steele High School and Dobie Junior High. These officers are liaisons between the School District and the PD and are responsible for not only the enforcement of laws within the schools, but also the establishment of relationships with the students and teachers within the schools. The SROs take reports for any and all criminal matters that occur on school property. These officers also provide security for after-school events as requested by the school district.

Police Department – K-9 Program

Function: The Canine (K-9) Division consists of two dedicated canine handlers and two single-purpose narcotics dogs. Their primary duty consists of narcotics interdiction efforts, be it acting alone or while working with another police unit. These officers not only work with Cibolo PD officers but respond to assist surrounding agencies without such resources upon request. These officers attend regular training sessions with other canine officers in the Guadalupe/Comal County areas to keep their skills sharp and their certifications current. It should be noted that the K-9 Program has been discontinued in FY 2021-2022

TAX RATE INFORMATION

Statements required in notice if the proposed tax rate exceeds the no-new-revenue tax rate but does not exceed the voter-approval tax rate, as prescribed by Tax Code §26.06(b-2).

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.4835 per \$100 valuation has been proposed by the governing body of CITY OF CIBOLO.

PROPOSED TAX RATE \$0.4835 per \$100
NO-NEW-REVENUE TAX RATE \$0.4563 per \$100
VOTER-APPROVALTAX RATE \$0.4925 per \$100

The no-new-revenue tax rate is the tax rate for the 2021 tax year that will raise the same amount of property tax revenue for CITY OF CIBOLO from the same properties in both the 2020 tax year and the 2021 tax year.

The voter-approval rate is the highest tax rate that CITY OF CIBOLO may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that CITY OF CIBOLO is proposing to increase property taxes for the 2021 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 14, 2021, at 6:30 PM at 200 S. Main St., Cibolo, Tx. 78108.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, CITY OF CIBOLO is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City of Cibolo of CITY OF CIBOLO at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS

Property tax amount = (tax rate) x (taxable value of your property) / 100

CITY OF CIBOLO

No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

1.	2020 total taxable value. Enter the amount of 2020 taxable value on the 2020 tax roll today. Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- 1. Maintenance and Operations (M&O) Tax Rate: The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- 2. **Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce **Property Taxes**

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue. This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

Voter-Approval Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voterapproval tax rate before the unused increment rate for the prior three years. ³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the unused increment rate for that year would be zero.

For each tax year before 2021, the difference between the adopted tax rate and voter-approval rate is considered zero, therefore the unused increment rate for 2021 is zero. 40

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit. 41

Tax Levy:

This is calculated by taking the adjusted taxable value (line 21 of No-New-Revenue Tax Rate Worksheet), multiplying by the appropriate rate, such as the No-New-Revenue Tax Rate and dividing by 100.

For School Districts: This is calculated by taking the adjusted taxable value (line 34 of the Voter-Approval Tax Rate Worksheet), multiplying by the appropriate rate, dividing by 100 and then adding this year's frozen tax levy on homesteads of the elderly.

Additional Levy Last Year:

This is calculated by taking Last Year's taxable value (line 3 of No-New-Revenue Tax Rate Worksheet), multiplying by Last Year's tax rate (line 4 of No-New-Revenue Tax Rate Worksheet) and dividing by 100.

For School Districts: This is calculated by taking Last Year's taxable value, subtracting Last Year's taxable value for the elderly, multiplying by Last Year's tax rate, dividing by 100 and adding Last Year's tax ceiling.

Additional Levy This Year:

This is calculated by taking the current adjusted taxable value, multiplying by the No-New-Revenue Tax Rate and dividing by 100.

For School Districts: This is calculated by taking the adjusted taxable value (line 34 of the Voter-Approval Tax Rate Worksheet), multiplying by the No-New-Revenue Tax Rate, dividing by 100 and adding This Year's tax ceiling.

COUNTIES ONLY:

All figures in this worksheet include ALL County Funds. Tax Levy amounts are the sum of each Fund's Taxable Value X each Fund's Tax Rate.

Notice About 2021 Tax Rates

Property Tax Rates in CITY OF CIBOLO. This notice concerns the 2021 property tax rates for CITY OF CIBOLO. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would Impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate:	\$0.456300/\$100
This year's voter-approval tax rate:	\$0.4925/\$100
