This was the best experience with a company EVER!!!

Very responsive, gave estimate, did not try to "upsell"; treated me as well as they would have their own mom!
Unused, unnecessary materials were refunded in the final invoice; I did not have to pay for more than was necessary to facilitate the repairs...

Welcome to our area SCHERTZ • CIBOLO • SELMA

"On behalf of the City Council, staff, and myself, it is our immense pleasure to share our great City of Schertz with you!"

A welcoming community for all, our city is known for its high quality of life, safe neighborhoods, and prosperous business industries. Founded in 1958, Schertz is home to over 43,000 residents and hundreds of thriving businesses.

Here in Schertz, we are proud of our commitment to building a well-planned community, offering diverse housing options to accommodate individuals and families from all walks of life. Beyond the residential appeal, we offer a variety of recreational and leisure opportunities, attracting those seeking more than just a place to call home. Each year we host various community events, maintain hundreds of acres of parklands, and offer exceptional programs and services through our Schertz Public Library and Schertz Area Senior Center.

Our City Council consistently demonstrates a remarkable and unwavering commitment to the community, catering to the needs of both residents and businesses alike, including one of the most exceptional industrial parks in the region. Additionally, we continue to work on revitalizing our downtown area and promoting economic growth in the heart of our community.

Our city is also privileged to be located adjacent to JBSA Randolph and we are proud that many military veterans and their families call Schertz home. Our community and will continue to support JBSA Randolph and our military community.

Schertz is an exceptional location for any business and a wonderful place for families to live, work, and play. We would be delighted and eager to share our community with you.

Greetings from Cibolo, Texas!

Our City leadership, staff, and the citizens we serve are extremely excited about many recent developments in our beautiful community as we also look ahead to many more great things on the horizon. One of the City's priority projects, the \$8.3 M resurfacing of Cibolo Valley Drive, was completed in August 2023 and is now being enjoyed by residents and visitors to our beautiful city along one of our major north-south connectors. With our students' safety in mind, I am proud to say this project was successfully completed as promised before the start of the new school year.

We had a number of ribbon-cuttings throughout 2023, are looking forward to many more in 2024, and celebrating the additions of restaurants, services, and shopping establishments to Cibolo. For prospective businesses, the Cibolo City staff are making strides to simplify the onboarding process as we enthusiastically embrace and extend a warm welcome to those looking to call Cibolo their new home. The City of Cibolo is also working to expand our industrial manufacturing base along the seven miles of the IH-10 frontage on the southernmost side of Cibolo. With the reconstruction of this section of interstate by partners like TxDOT, now is the time to capitalize on infrastructure improvements for this major transportation corridor that connects Texas to Florida and California.

Lastly, I am proud to announce that the City of Cibolo ranked #28 on the 2023 Safewise.com list of safest cities in Texas. All of these factors combined continue to make us a premier destination to live, work, raise a family, and retire in. The future has never been brighter for the City of Cibolo!

Welcome to Selma!

Regardless of your reason for choosing Selma, I am sure that you will quickly come to realize that ours is a community that is friendly and full of people who strive each day to make Selma a friendly, dynamic, and engaging place to live, work, and play!

Selma is a proud community that has seen a huge increase in population and economic development, which has driven our transformation from a small town to thriving city at the heart of one of the fastest growing regions in the nation. Our goal is to always continue building upon the strong foundation of previous years to create a safer, happier, and more successful community. With a vibrant business community and numerous quality-of-life attractions, we pride ourselves on offering something for everyone!

In Selma, we are dedicated to maintaining our small-town charm while also continuing to be recognized as one of the premier suburban communities in Texas! If you are already a part of our community, thank you. If you're considering relocating your home or business to Selma -- or simply thinking about a visit -- please do. You won't be disappointed.

Welcome to The Chamber SCHERTZ • CIBOLO • SELMA

WHY CHAMBER?

It's For Businesses • It's For Visitors • It's For Residents

On behalf of our board of directors, members, and staff, I would like to welcome you to our community! We are the Chamber of Commerce that represents three thriving city partners - Schertz, Cibolo and Selma! However, we represent a membership of businesses that covers a total of 21 cities and 10 counties! These 600+ members are diverse and encapsulate "mom and pop" stores as well as Corporate and Fortune 500 companies.

Each year we embrace new challenges in the business community. Lack of an employment pool, limited fund resources and inflation that seems to border an oncoming recession, now it is even more important to support local business and encourage employment within our area.

Our Chamber continues to advocate for more business-friendly ordinances, stepping into the gap where government communication and the needs of the growing business community sometimes waver or breakdown. We are at our strongest when we strengthen relationships between the two, which opens more opportunities for growth and understanding.

Another area we support commerce is producing events that not only create networking opportunities for our members but also provide quality of life needs for our community. Health and Home Show and RE/MAX Skylight Balloon Fest, the latter which boasted over 140 vendors and almost 14,000 attendees are among those events.

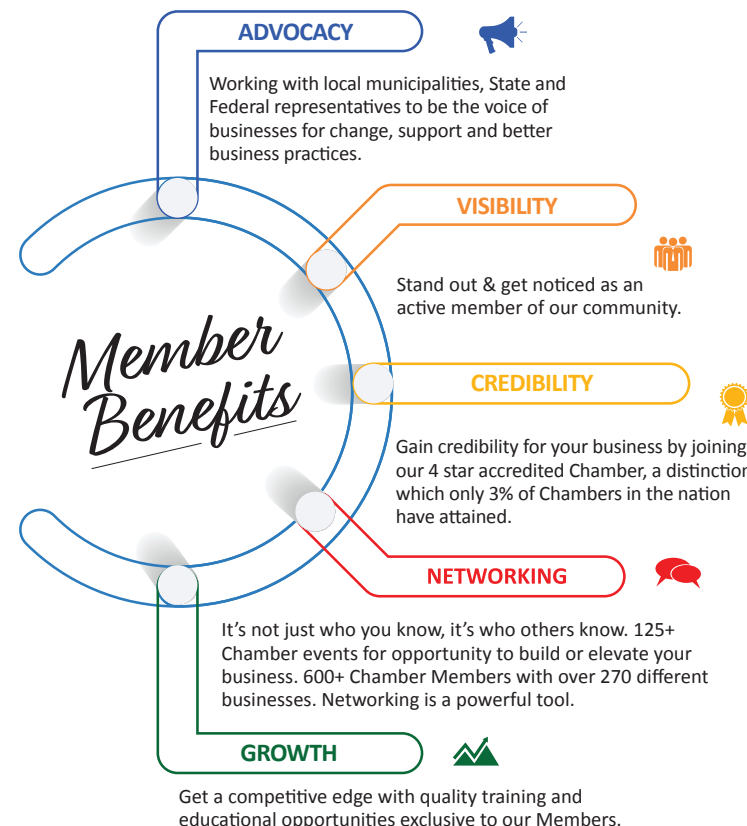

Our Chamber's mission is to serve, promote and enhance economic success with a vision of empowering the business community, one relationship at a time, to have a voice, maximize growth and succeed. We are a four star Accredited Chamber of Commerce- an honor we share with only 190 other Chambers out of 7000 in the United States. We invite your business to join our Chamber as membership enhances your business' credibility and increases your visibility in the local area. We look forward to meeting you soon!

Have a prosperous 2024!

VISITOR CENTERS

A historic farmhouse and one of the original homesteads in the late 1800's, the Kramer House was so named due to the last family who occupied it. Originally, the homestead housed the Boettinger family – one of the original settlers in the Schertz area. Pulte Homes bought the land that was formerly the Kramer farm to develop the neighborhood subdivision of Kramer Farm. Pulte then donated the old farmhouse to the city of Schertz. The city decided to renovate the farmhouse to its original look to include original siding, a new roof, lighting, a/c and heating system as well as rebuilding the windows and repainting the house to its Victorian-era appearance.

Inside the farmhouse are a few antiques as well as pictures from past Schertz to present. Visitors to the renovated farmhouse have included present surviving generations of the Kramer family who reminisce about "eating in grandma's kitchen" and retelling stories of growing up in the area. Officially opening in 2009, it is the city's Visitor Center and Chamber of Commerce offices.

Please feel free to stop by and visit. We look forward to seeing you! Hours of operation are Monday - Friday from 8am - 3pm. You can reach us at 210-619-1952.

The Selma Stage Stop was established only three years after the founding of Selma, in 1847. Constructed between 1850 and 1852, the line was a partnership between brothers-in-law, John S. Harrison and William McCulloch. Their stage line was part of a network of competing stage lines and "star routes" that contracted with the United States Post Office delivering travelers and mail throughout central Texas. The Selma Stage Stop was one of the stops on Harrison & McCulloch's star route 6285 that ran from Austin to San Antonio and took 18 hours to complete. It functioned as a stagecoach stop until 1854 but remained as the Selma post office until 1906.

The stagecoach connected the new settlement to the vital transportation lines that carried passengers to the interior of Texas. During its service as the post office, the Stage Stop legitimized the administrative, as well as physical, existence of Selma. The Stage Stop is one of the few remaining buildings in Selma left from the settlement period. Listed in the National Park Service's National Register of Historic Places, the Selma Stage Stop is a vital piece of Selma's history, and the Central Texas Landscape. It is used today as the Selma Visitor Center as well as the office of The Chamber (Schertz-Cibolo-Selma) of Commerce.

SCHERTZ PARKS & RECREATION FUN

Since the incorporation of Schertz in 1958, the City has consistently prioritized the well-being and quality of life of its residents. The Schertz Parks & Recreation Department supports this effort through exciting events and numerous recreational opportunities for all ages and interests throughout the year.

Schertz Parks & Recreation invites everyone to explore the various open spaces around the city, catering to different preferences and needs. From quaint pocket parks to expansive nature parks, each location offers unique amenities. You'll find traditional playgrounds, basketball courts, and even special features like the Wendy Swan Splash Pad. For those seeking a more natural experience, Crescent Bend Nature Park hosts intriguing programs such as Star Parties and the Nature Discovery Series.

In partnership with the YMCA, additional amenities are offered such as an indoor Recreation Center with fitness equipment, group exercise classes, a spin studio, and much more. Only a few steps away, the 19,000 sq. foot state-of-the-art Aquatic Center offers two pools and numerous aquatic programming opportunities.

The Parks & Recreation Department also offers senior programs, innovative health and wellness opportunities, athletic fields, event venues, community celebrations, nature education, miles of walking/ biking trails, tree maintenance, and much more.

Schertz Parks are open daily from 6:00 a.m. - 11:00 p.m.
Crescent Bend Nature Park is open daily from 7:30 a.m. to dusk.
Please visit Schertz.com for more information.

SCHLATHER PARK

The newest addition to the City Park System. The park was dedicated and opened for public use in the Summer of 2012 and offers a combination of environmental, recreational and physical fitness amenities in one area. Offerings include numerous picnic areas, a pavilion, playground features, walking paths, nature observation points, and an 18 hole Frisbee golf course. The land for the park was donated by Fritz and Sandy Schlather, descendants of one of the community's earliest families and dedicated to honor their parents, Ernst and Elaine Schlather by The Cibolo City Council.

NIEMIETZ PARK

Dedicated in 1977, the park was a Land and Water Conservation Project that was sponsored by the City of Cibolo, Texas Park and Wildlife Department, the Bureau of Outdoor Recreation and the United States Department of the Interior. The park features a playground, sports fields, pavilion, grills and more. Citizens of Cibolo can rent parts of Niemiets Park for their own private functions use.

AL RICH PARK

Named after Senior Master Sergeant (Ret.) Al Rich who was a Vietnam Veteran and served twenty-six (26) years in the Air Force. He moved to Cibolo in 1986 and became very active in the community, serving on the Planning and Zoning Commission, Master Plan and Capital Improvements Advisory Committee and was amember of the Cibolo Volunteer Fire Department. On March 22, 2002, he succumbed to cancer and the park is a memorial to honor his contributions to the community of Cibolo.

VETERANS' MEMORIAL PARK

The Veterans' Memorial Park in the City of Cibolo was dedicated on July 12, 2008. The park honors veterans from the local area who have served in all branches of the United States Military Armed Forces. At the park's entrance, there are memorial bricks dedicated by family and friends of those veterans who have served in the past or are currently serving. Additionally, there is a POW Memorial located within the park.

RON PEDDE MEMORIAL COMMUNITY GARDEN

The Ron Pedde Memorial Community Garden was dedicated on July 23, 2018 in honor of Mr. Pedde who served as councilman from October 2007 to November 2014 and passed away in May of 2016. During his term, his goal was to connect the community to nature and preserve wildlife. The garden is set in a beautiful natural area of Schlather Park.

The City of Selma is proud to offer a large variety of parks trails and other recreational facilities. Selma's parks provide playgrounds, picnic areas, a full-size basketball court, and soccer fields. The Stage Stop and John S. Harrison parks provide rental pavilions that are available to residents and non-residents. All City of Selma parks are open to the public from sunrise to sunset daily.

John S Harrison Park • Stage Stop Park • Davenport Park • FM 1518 Park

SELMA SPLASH PAD

On May 8, 2021, Selma officially opened its splash pad at Stage Stop Park. Originally scheduled to open in 2020, the long-awaited grand opening was attended by dozens of residents and city officials. The new 3,220 square foot splash pad includes a number of water features, including cactus water sprayers, dump buckets, and flower showers. The Selma Splash Pad is open to the public at no-charge, seven days a week from May to October. Be sure to come out and cool off in Selma's newest park amenity!

HISTORIC EVANS ROAD HIKE/BIKE TRAIL

On November 18, 2017, the City of Selma celebrated the culmination of many years of vision and hard work with the grand opening of the Historic Evans Hike/Bike Trail. The Evans Road Hike/Bike Trail follows the historic route of the original Evans Road, through what is now Stage Stop Park, a portion of Forest Creek Subdivision and the Harrison Property. The trail consists of two similar, but wholly distinctive segments. The Harrison segment runs from the Stage Stop Visitor's Center to the Harrison Property and is approximately 0.7 miles long. The FM 1518 segment runs from the Stage Stop Park, down through Cibolo Creek and up to the FM 1518 Park, spanning approximately 0.4 miles of largely natural terrain. The Historic Evans Road Hike/Bike Trail provides a historic and unforgettable walk-through Selma's history.

College & Career Readiness
In 2022-2023 students earned 1,460 industry-based certifications.

Welcome to the Schertz-Cibolo-Universal City Independent School District (SCUC ISD), a mid-sized public school district rooted in this community that has maintained its small-town atmosphere over the years. SCUC ISD is located on the northeast side of San Antonio within a 73-square mile area that includes Bexar and Guadalupe counties. As more and more people discover the high quality of life and education available for residents of the SCUC ISD, the district continues to grow.

The district serves more than 15,500 students among its eight elementary schools, three intermediate schools that house the district's fifth- and sixth-graders, two junior high schools, two traditional high schools, a non-traditional high school and a disciplinary alternative education campus. While the district has grown tremendously over the years, the commitment to ensuring a sense of belonging is felt by every student, parent, and staff member remains a top priority.

The district's vision and mission for every student in SCUC ISD and the reason they exist is expressed in their "Call to Action" to every member of the SCUC community at large.

Call to Action - Through quality and student-centered learning experiences, students will leave SCUC confident, empowered, and prepared with the skills to pursue their individual passions.

DISTRICT GOALS

GOAL #1

We will cultivate collaborative and reciprocal partnerships between the district and campuses with community entities.

GOAL #2

We will offer opportunities for student choice and provide a challenging learning environment to prepare students for their individual passions and endeavors.

GOAL #3

We will foster positive morale with support systems for students and staff.

GOAL #4

We will provide timely, consistent, and transparent communication.

GOAL #5

We will continually build a culture that promotes trusting relationships and mutual respect.

WELCOME TO THE CITY OF SCHERTZ

Welcome to the City of Schertz

The City of Schertz is a bustling community located along the I-35 and I-10 corridors. Nestled between two of the fastest-growing metros in the country, Schertz has experienced significant growth and development in recent years. Preserving our small-town charm and a welcoming environment for new families and businesses, Schertz strives to maintain excellent service while offering abundant opportunities for the whole community.

A Place to Call Home

Throughout the year there are many chances for residents to enjoy various amenities and events supported by the Parks and Recreation, Neighborhood Services, and Library departments. Their persistent focus on enhancing offerings each year continues to ensure the joy and enrichment of our citizens' lives. A few such programs include the Community Tool Shed which allows residents to borrow tools for routine home upkeep at no cost, the Nature Discovery Series which promotes nature education among our youngest residents, and many free library tutoring resources that can assist parents and students throughout the school year. We encourage everyone to take advantage of our beautiful open spaces, exciting recreational facilities, and our well-stocked library, which continues to be maintained at the highest standards.

Top Notch Services

We are also fully dedicated to creating a secure and thriving community, ensuring both residents and businesses can prosper and enjoy all the benefits our area has to offer. Folks will find that our commitment to building a safe community is unwavering and has been recognized by the Texas Crime Prevention Association who honored our police department with the Outstanding Crime Prevention Agency award in 2022. We are grateful for and proud of our devoted public safety staff, who day after day tend to the needs of our community and remain prepared to respond swiftly in times of emergency.

Thriving Industry

Finally, we are excited about the growth and prosperity of various industries in our city. Our Schertz Economic Development Corporation (SEDC) vigorously pursues business development activities, offering business assistance and maintaining a local job board with a wide array of openings. Whether you have an established business or are considering expansion, we extend a warm invitation to join our city, where we focus on building an environment conducive to success.

We hope that you will stop by for a visit soon and when you do, we hope you notice our commitment to our values: do the best you can, treat others the way you would like to be treated, do the right thing, and work cooperatively as a team. These values are reflected in every aspect of our city, from public services to community engagement, ensuring a pleasant and welcoming environment for all. We look forward to seeing you soon!

SENIOR CENTER

The Schertz Senior Center provides comprehensive services to help seniors stay active and independent. The center offers a hot nutritious lunch for those who wish to socialize, make new friends, and participate in activities to improve both physical and mental health and enhance the quality of their lives. Membership to the center includes activities such as art classes, bible study, bingo, gardening, dances, health screenings, and more!

YOUTH SPORTS

Schertz Parks and Recreation owns a 12-field recreational soccer complex and a 7-field recreational baseball and softball complex. There are also several practice fields in various parks. The maintenance and scheduling of the fields are handled through agreements with various youth sports organizations that have approximately 3,800 registered youth athletes in soccer, baseball, softball, football, cheer, volleyball, basketball and swimming.

The Schertz Public Library promotes the love of reading and the joy of discovery for persons of all ages. We provide instructional and recreational programming for adults in high-interest areas such as computers and computer software, health and fitness, financial planning, crafts, and literature.

One of the primary missions of the Schertz Public Library is to serve the children of our community and their families. We are committed to promoting the benefits and joys of reading and discovery to children and adolescents through our large collection and services. We offer an environment welcoming to all children and their families, and provide diverse materials that support classroom and independent learning, exploration of the world, and critical thinking.

In addition to our print, e-book, and e-audiobook collections, the library provides access to many online resources to meet your recreational, educational, and business needs. Through your Schertz Library card, you have free access to Ancestry.com, Weiss Financial Rating, Rocket Languages, and Kanopy, a streaming video service. America’s News by Newsbank provides access to thousands of local, state, and national newspapers and news sources. Need a tutor? We’ve got you covered with our live, online tutoring service called Brainfuse HelpNow. We participate in the State’s TexShare database program which gives you access to another 50 plus databases including Learning Express, Chilton’s auto repair library, Gale Legal Forms, Gale Business: Insights. Gale Business: Entrepreneurship. and Medline.

The library’s primary service area includes the City of Schertz, the City of Selma, the City of Cibolo, and Guadalupe County. We offer both full-service-access cards and digital-only access cards. To start the library card process, visit the library’s webpage at schertzlibrary.org and complete the card application. Upon completion of the application, patrons have 30 days to physically present their photo ID and current proof of residence to the library. A MAIN FOCUS

The Schertz Economic Development Corporation (EDC) along with the City of Schertz have made a collaborative effort by shifting one of our main focuses to Main Street. In 2022, Kimley-Horn Engineering Planning and Design Consultants unveiled their design options for the future of downtown Schertz. The designs included the installation of sidewalks, street lighting, enhanced landscaping, wayfinding signs and much more. The decision to tackle this massive beautification project has been a topic of discussion for quite a few years now between the city council, city management, EDC staff and the community.

EVENTS ON MAIN STREET

The catalyst behind this joint effort stems from the want to create a local gathering place and destination for locals and out of town visitors. Currently, we have two unique events set up downtown, "Movin' on Main," which is an event intended to get folks out biking, running, and strolling through Main Street. The event includes fitness demos, exercise stations, cycling, live music, health & wellness vendors, food & refreshments. Main Street farmers' markets have also been a hit on Main Street, where vendors sell baked goods, homemade jelly and salsa, jewelry, woodwork, and everything in between.

DECLARATION OF AN EMPOWERMENT ZONE

Even with these events and activities, there remains a push to bring permanent attractions and businesses to the area. One way the city is luring new businesses to Main Street is through the Schertz City Council's declaration of Main Street as a Neighborhood Empowerment Zone (NEZ). According to Chapter 378 in the Texas

Local Government Code, a municipality can create a NEZ if there is an increase in economic development for residents of the zone. With that in mind, the city implemented two programs for businesses to take advantage of. First, the Local Flavor Economic Development Program, which is aimed at improving a business's curb appeal and functional use of their property. The city can assist with matching funds through projects like façade and sign improvements and site improvements which include lighting, landscaping, sidewalks, driveways, and parking. An applicant can also receive funds for capital equipment as well as upgrades to wiring, plumbing, HVAC, insulation, etc.

The second program offered by the city is the Preservation Incentive Program, which is focused on the preservation of historic structures to promote the economic vitality of the Main Street area as a tourist destination. The aim of the program is to protect, enhance, and preserve the historic resources and landmarks which represent distinctive elements of the City of Schertz' historic heritage. Funds up to \$20,000 per property are available for the cost of renovations.

HAVE A GOOD TIME... DOWN ON MAIN STREET

Because of the NEZ designation and the two newly implemented grant programs, excitement has been buoyant with businesses claiming their spot for a front row view of a future revitalized Main Street. The Purple Pig BBQ, a family owned and run restaurant, found their home on Main Street, and now serves as an anchor for the area. Bar House and The Hidden Grove are also new yet thriving establishments in the neighborhood. Americana Coffee & Espresso Bar, Frostbite Soft Serve & BOBA Tea and Grey House Blooms have claimed space on Main and even took part in the

Local Flavor Program with façade and site improvements for their respective properties. In 2023, Bar 1899 held a ribbon cutting through the Schertz-Cibola-Selma Chamber of Commerce to commemorate their location in the neighborhood. Others have followed suit in opening up shop and applying for the cities' incentive programs.

2024 – A YEAR OF TRANSFORMATION

If everything goes as planned for the projected timeline, street renovations should commence in 2024. Next, will be the undergrounding of utilities followed by a full reconstruction of the roadway and sidewalks. After the major reconstruction concludes, the landscaping, grand welcome arched signs, wayfinding, street lighting, metal screening and the rest of the beautification elements of the area will be installed to conclude the project. The city of Schertz and the Schertz Economic Development Corporation are excited to present the final product to the community. The vision of having our main street as a premier destination for families, friends and major events is one step closer to becoming a reality. We hope to continue to assist businesses in applying for the two grant programs and promote and encourage small businesses to make the move to Main Street.

If you are a business located on Main Street within the empowerment zone and would like to inquire more information on the incentive programs, please reach out to the Schertz EDC today at business@schertz.com.

Historic Schertz

Origins

The City of Schertz began with origins from Alsace Lorraine, France. Joseph and Anna Schertz, along with six of their ten children, came to Texas by ship, leaving in October of 1843. Sons Joseph Jr, Sebastian, and Johann Jean, along with their father, were filled with the promises of less taxation, cheap land and higher wages than what they were getting in their own country.

They arrived in Galveston Texas in 1844, traveling on to the port of Indianola, and ending up in San Antonio. The travel proved wearing and tragic on the Schertz family as they lost their mother Anna and sister Affre to an epidemic illness. After enduring another year of hardship and broken promises of land and money, the Schertz family decided to go back to Europe. In route, they ran into Prince Carl of Solms-Braunfels, who was on his way to form a colony. Moved by their plight by and what had been done to the Schertz as well as other families, Prince Solms-Braunfels promised a one half acre town lot and a ten acre farm parcel to those that joined his colony. The Schertz family did and on Good Friday, March 25, 1845,

they arrived on the site of what is now known as New Braunfels. The Schertz family was among the first to help settle that area.

In 1866, Sebastian Schertz bought 307 acres of land and settled in the southwestern corner of Guadalupe County, which is now part of present-day Schertz. It was then that Sebastian developed a farming and business enterprise which became the heartbeat for this small town named "Cut-Off". Strong family support came in the form of three of his children, sons Adolph, Martin, and William.

Progress

The first crops planted by settlers were wheat, corn and oats but in later years, cotton proved to be a hearty and cash-producing crop. This, in turn, created a need for a cotton gin in the area for cotton harvesting. The first gin was built by Sebastian Schertz in 1870, powered by mule and then later by steam. Cotton proved to be a prosperous crop and soon, other farmers came into the area.

In addition to the gin, Sebastian also started the first water supply plant in the community,

when farmers discovered that their hand dug wells were unfit to drink, due to sulfur. In 1876, the Galveston, Harrisburg and San Antonio Railroad was built through the town and soon after the railroad arrived, the first post office was established.

In 1890, Sebastian Schertz passed away and two of his sons, Adolph and Martin, would take over the running of the cotton gin, which stayed active and profitable until 1940. Son William began endeavors with a mercantile store in 1892 that became one of the largest in Guadalupe County, as well as became Schertz postmaster from 1895-1899 and 1902-1907. The brothers owned large portions of land and, seeing the promise of the railroad, the need for a depot as well as the financial boom such a stop would have in the town, William donated land for the train depot, in honor of his father, Sebastian. On April 6, 1899, the town of "Cut off" officially became the town of Schertz.

Investment for the future

Through the years, Schertz grew and the families of the original Schertz family continued to invest in the town. December 1910, Adolph Schertz was part of a group of 16 farmers who created the Farmers Rural Telephone Company as a means of communicating with one another as well as long distance business centers. Adolph also donated two acres of land in 1917 to the school district, realizing the need for a better facility than the field house they were presently using.

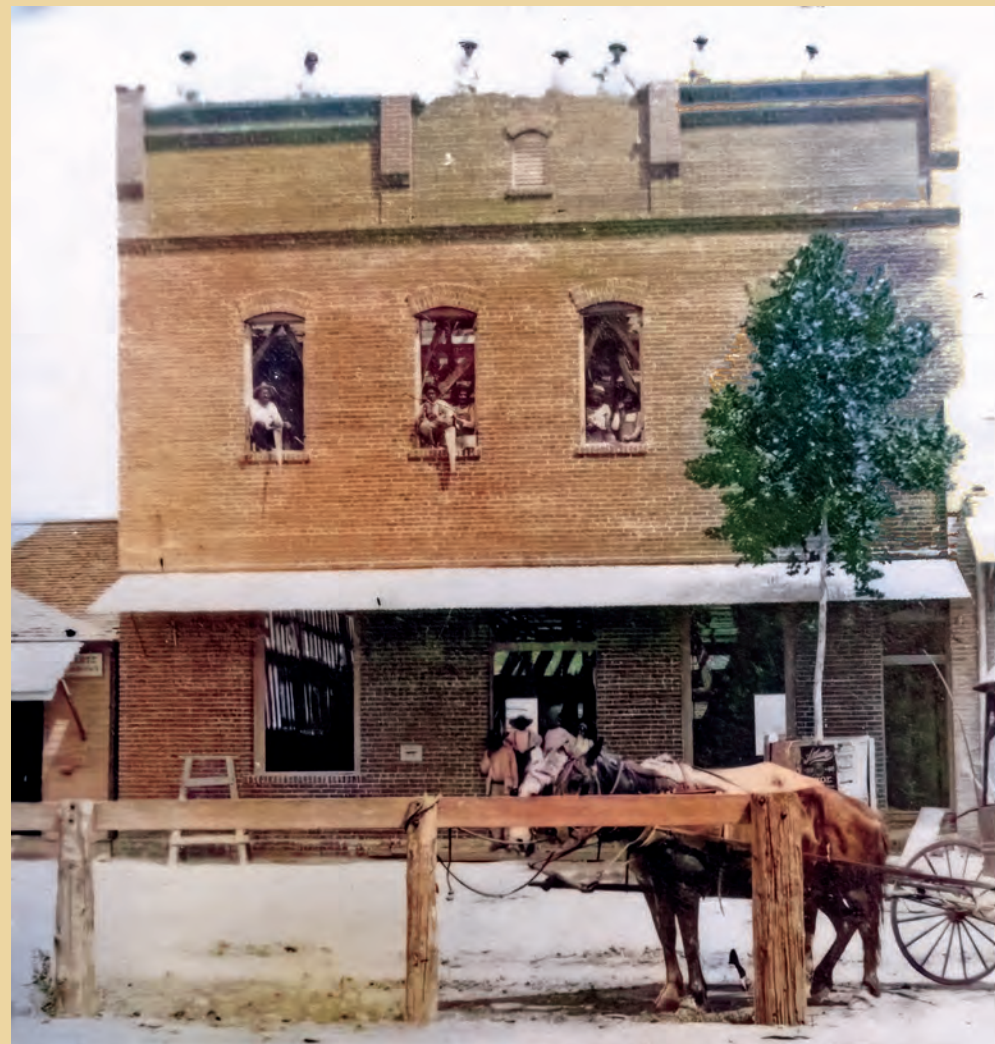

Walter J, son of Adolph Schertz, endeavored to start a land development project named "Aviation Heights" in 1928, which would help the housing situation that the soon coming Randolph Air Force Base would bring. When Walter J. passed away in 1940, his son Walter A. would soon take up the reins. After his discharge from the U.S. Army in 1946, Walter A. set out to bring additional water sources into Schertz of which this and obtaining Federal funding for the Schertz area were the barriers that stood in the way of bringing Aviation Heights into being. Walter A. obtained more water by tapping into

the Edwards Aquifer at two different locations in Universal City. This initiative allowed for the construction of a 250,000 gallon storage tank in Universal city, to which a delivery main was installed and transported water to Schertz. Schertz Water Works supplied water for up to 1500 customers in both Schertz and Universal City until the company was sold in 1963 – half to Universal City and half to Schertz. With water secured, building began in the 1950s and ended in the early 1960s. Several hundred of these homes still stand today. From this development Walter A. partnered with Dr. Roy W. Richard, Russell Rowell and Alda Mae Cross and created the Green Valley Development Company.

Legacy

Thanks to the founding forefathers and their ability to grow for the future, Schertz has become the thriving city it is today. To see a glimpse into the past, one can still find remnants of it in today's Schertz:

William's Mercantile building still stands at the corner of Main St. and Lindbergh Ave and is now home to the Randolph Masonic Lodge.

WILHELM SCHERTZ.

An extension of the mercantile with the distinct round designed medallion towards the roof is now part of Schertz Bank & Trust offices.

The last building of the trio of connected buildings on Main St was the original Schertz State Bank, complete with two vaults still inside. It is now home to City on a Hill Church. Schertz State Bank, now Schertz Bank and Trust, has moved to its present location across the parking lot, which was the original site of the Schertz Hotel.

WELCOME TO THE CITY OF CIBOLO

The City of Cibolo has experienced another positive year of growth and development, and around here, it seems one certainty is growth. Over the past year, we have welcomed numerous new businesses, completed two significant infrastructure projects, enhanced our city-sponsored special events, strengthened partnerships, improved the City's financial health, and invested in our employees' professional development and culture. I am confident that the future will continue to be equally bright.

There have been more than twenty new business openings in Cibolo between January and August of 2023, including the exciting addition of the H-E-B location. We are equally thrilled about small, local businesses investing right here, like Cardiology First and Erick's Tacos, and we will continue to attract more businesses with the aim of providing diverse choices for Cibolo residents.

In 2023, the City delivered on two very important capital projects: the rehabilitation of more than four miles of Cibolo Valley Drive was completed in August 2023, and the Haeckerville Road bridge and Town Creek drainage improvements (Phase II). Both projects have remained on schedule and within budget. Looking ahead, the City will commence construction on three roads in late 2023, finish the design on another five roads with construction starting in 2024, initiate five utility projects, and begin park improvements.

The City Council has made it a priority to strengthen interlocal government cooperation to work together to achieve mutual interests. Additionally, the City Council has prioritized building partnerships with organizations that serve Cibolo residents through annual strategic partnership grants that aim to provide assistance and/or support to those in need, promote active lifestyles for all ages, or provide unique events that promote Cibolo's historic roots. Lastly, I am excited to receive feedback from our residents and see the results of our first resident survey published in Fall 2023.

As the City continues to grow in population and businesses, so too is the size of the organization. The proposed FY24 budget will exceed \$62 million, including the General Fund at \$23 million. The City Council has adopted a lower tax rate of \$0.4699 for the coming tax year, which will result in residents with a home value of \$335,000 paying an additional \$104 in taxes. Our residents will see continued improvements to the quality of life in Cibolo through increased road maintenance, capital projects, strategic partnerships, improving parks and trails, being fiscally responsible, and investing in our employees.

OUR TOMORROW

Nestled along the IH-35 and the IH-10 Corridors, the City of Cibolo offers an inviting tapestry of unique experiences and opportunities for a vibrant and enriching lifestyle. An updated Comprehensive Master Plan and IH-10 Corridor Plan will be completed in early 2024 and will guide the City as it builds on its past successes and invests in the future.

The City of Cibolo administration is committed to delivering public services and programs designed to protect the health and welfare of its citizens, and the City is actively working on infrastructure improvements through its Capital Improvements Plan. Several projects are currently scheduled or actively under construction throughout the City including the addition of new water lines, storm drainage improvements, and transportation projects to improve vehicular mobility. Cibolo continues to be a destination for new residential and commercial developments and these investments in infrastructure and roads support the developments today and those that are coming. Over 300 new home permits were submitted in 2023, with more single & multi-family housing options coming online in 2024 as the City of Choice continues to grow.

The Cibolo economy also continues to expand with existing companies like Aisin/AW Texas opening up their second phase facility and hiring more employees. The Cibolo Economic Development Corporation partners with the surrounding cities of Schertz, Seguin, and New Braunfels to host quarterly job fairs where residents can find local jobs in technology, health care, retail, manufacturing, and more. The City's business ecosystem is primed for growth, catering to professionals across diverse industries.

Last year, over two dozen new businesses opened their doors in Cibolo and the City welcomed its very own H-E-B, located at the corner of FM 1103 and Main St. This 110,000 sqft store offers a drive-thru pharmacy, curbside and home delivery service, and an H-E-B brand shop. In 2024, the store's 55,000 sqft e-commerce fulfillment center is projected to open, which will hold goods used in digital orders and allow for more efficiency and less congestion inside the store itself. Also in the central business district, the Buffalo Heights development is well underway with new businesses projected to open their doors in late 2023 and 2024. Located at the corner of Cibolo Valley Dr and Borgfeld Rd, Cibolo residents can expect to enjoy a wide variety of businesses, including Chick-fil-A, P. Terry's Burger Stand, Jersey Mike's Subs, and more to be announced throughout the year. Across from Buffalo Heights, the Chipotle shopping center is nearing completion with additional services such as veterinary care, chiropractic services, and additional food offerings of Mod Pizza and Buffalo Wild Wings.

To the north, the mixed-use Cibolo Crossing development continues to attract new businesses. Some notable businesses that have opened in the development include Willie's Grill and Icehouse, Magnolia Pancake Haus, Dunkin', Venetian Nails, and Living Spaces. Additional restaurant and service options are expected to announce throughout 2024 providing a high-end experience that attracts moviegoers and families from the surrounding area.

Cibolo is well-positioned to continue to flourish in the future with new living and commercial opportunities. Come enjoy Cibolo's blend of urban amenities and community warmth and find a city that truly feels like home.

OUR HISTORY

For a thousand years in the Cibolo Valley, Native American tribes lived and traveled. After other tribes such as the Comanche and Lipan left, the Tonkawas stayed and buried their dead on the curving Creek with its high cliffs which they used in buffalo hunts. The big creek became known as the "Cibolo" because it was thought to be a Native American name for buffalo. Later Spanish landowners brought their cattle to be fed on the lush green grass of the Valley as battles for Texas independence swirled around San Antonio. A small group of Santa Anna's troops even crossed the Cibolo after the fall of the Alamo to head north. As determined Texans settled new homesteads, they were joined in 1845 by German immigrants who risked everything including their lives to start new homes, and many chose the Valley as their new residence. In 1877 the Galveston, Harrisburg, and San Antonio Railway announced that a line had been completed, and the depot took the name Cibolo Valley to be used. Now a traveler could go from Houston to Austin to Seguin through Cibolo Valley and on all the way to San Antonio.

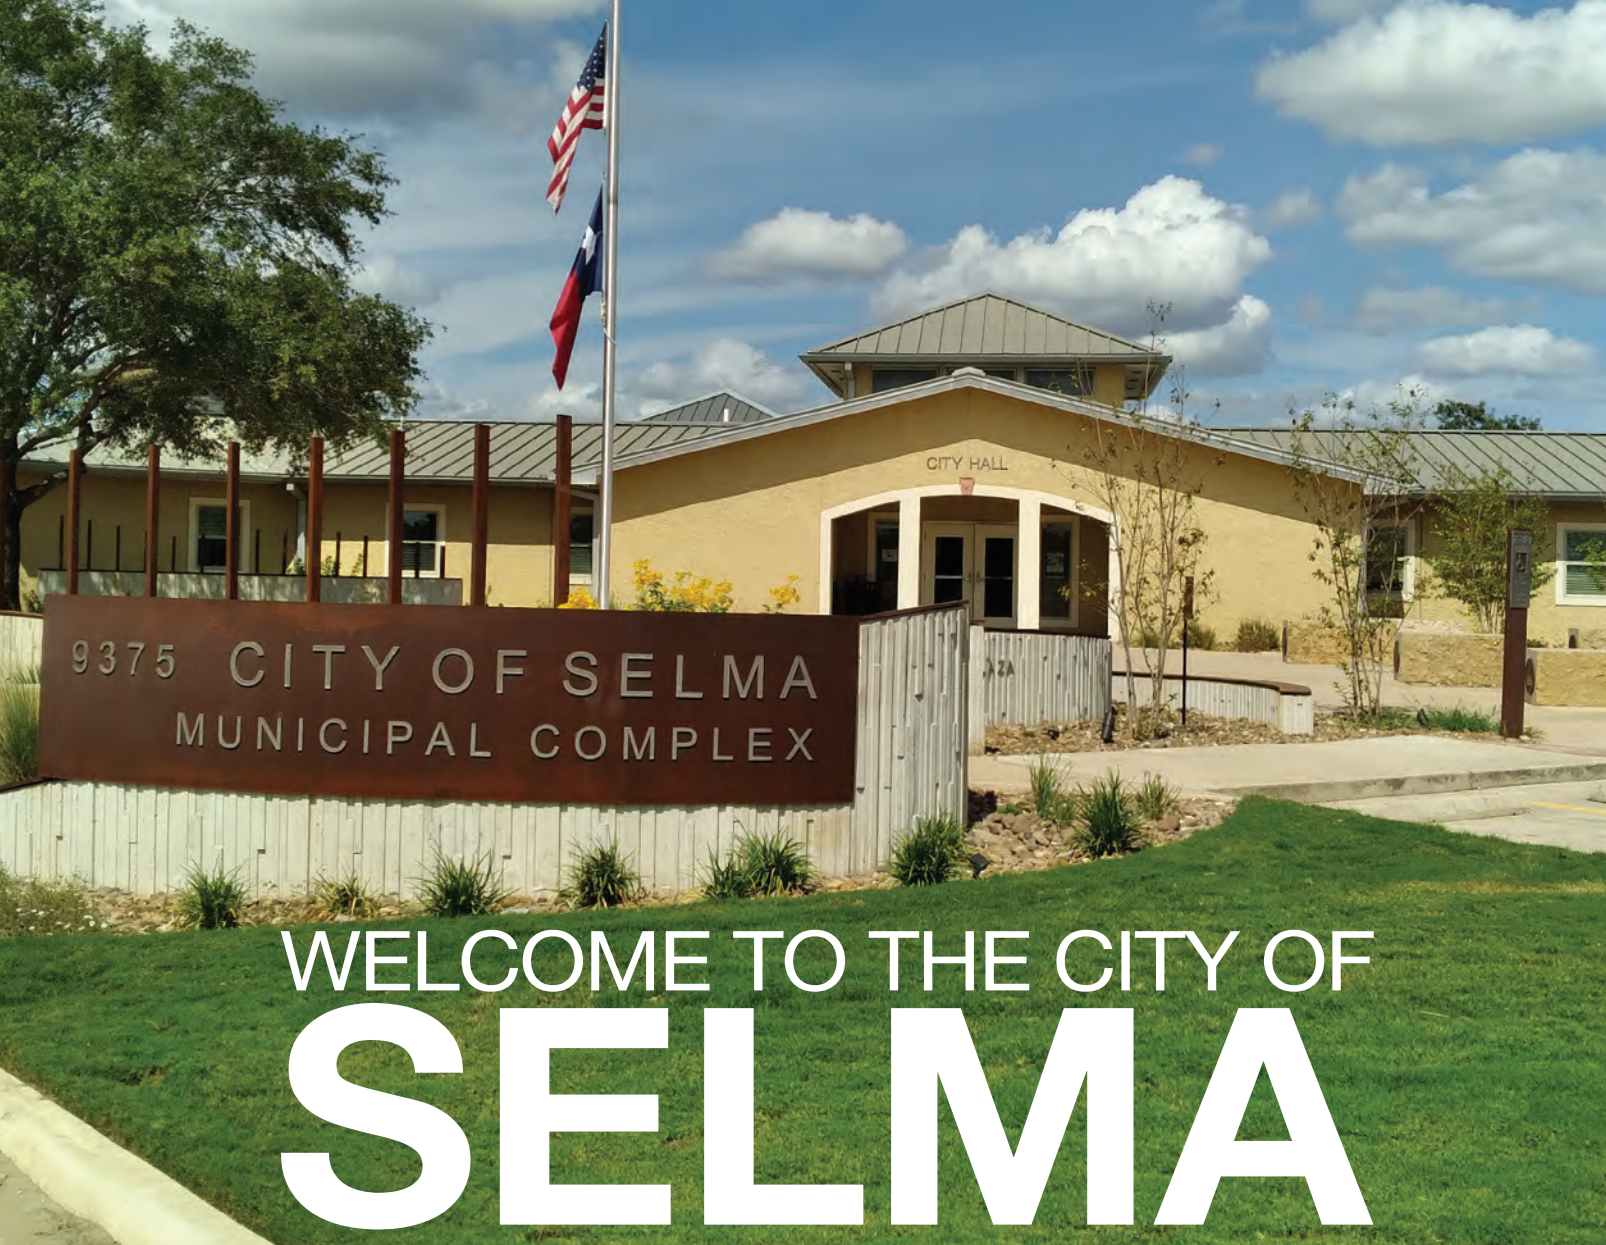

Agriculture was important in the area because of the fertile land and Cibolo Creek water, and dairy farms, as well as ranches, were also prominent.

Main Street of Cibolo saw the formation of small businesses and economic changes from the farm life that had been the mainstay of the population. When World War I was announced, the people of the Valley volunteered time, war bonds, and their young men to serve the country they loved. The same was true in World War II. In 1947 the Grange on Main Street bought a building from an old army base near Austin and kept community spirit bustling with organization of the volunteer fire department, dog vaccinations, an annual community fair, and any event that was of benefit to residents.

Cibolo voted to become an independent township on Oct. 9, 1965, and the town has grown to a population today over 30,000. Its charming Main Street is undergoing a revitalization that will bring back a picture of what it was like when those early settlers dreamed of what life could be in the "City of Choice."

If you're new to Selma, welcome!

If you have been here for years, thank you for making Selma such a wonderful place to live work and play! If you are thinking of coming, you will soon see that Selma has a lot to offer.

The City of Selma looks forward to starting 2023 in much the same way as we have for well over a decade: strong, vibrant, and ready to take on any challenge that we may face. From a population of 5,540 residents in 2010, to 2021 estimates of 11,619 residents, Selma has seen a remarkable 109% increase in population in just over a decade. Couple this with our ever-growing business community, it is no wonder that Selma was listed at #29 on 24/7 Wall Street's list of "America's Fastest Growing Small Towns".

With this rapid growth in population, we have also seen a parallel growth in our business community. With a variety of retail, service, and industrial businesses, Selma boasts one of the most rich and diverse business communities in the region. The commercial growth is directly tied to our commitment to promoting a business-friendly community for large and small businesses alike. It is this commitment to our residents and business community that has directly led to the growth over the last several years.

We are blessed to have incredible schools and friendly neighborhoods, beautiful parks, walking paths, biking trails, restaurants, and shopping for every taste. We work tirelessly to offer unmatched quality of life through maintaining and enhancing critical infrastructure, thoughtful planning, exemplary public safety, and a vibrant, business-friendly community.

The City of Selma is dedicated to the safety, prosperity and quality of life for our residents, businesses and visitors. Our doors are always open to you and we thank you for choosing to be a part of our community. Once again, welcome to Selma!

INITIAL SETTLEMENT

Like many Texas communities settled in the 19th century, Selma began with origins from Europe, especially Germany. Many pioneers and settlers came from across the globe to stake their claim on new, unsettled land that offered an exciting, and hopefully, lucrative new start for their families. These German pioneers first settled what is now known as Selma in 1847. This new community became one of the first new settlements in the San Antonio area following Texas' entry as the 28th state in 1845.

GROWTH

The Selma area was so sparsely populated at first that some of the first settlers, John B. Brown and William Davenport ran herds of cattle on the open range until almost 1860. By 1849, despite its low population, Selma became an important location. In that year, the Harrison & Brown Stagecoach Stop was created to transport passengers and freight between the communities of Central, South, and East Texas. This historical landmark can still be seen today while traveling on Interstate 35.

Within the next decade, Selma began a steady growth as more immigrants flocked to the area. A post office opened in 1856. By 1885, Selma had a variety of businesses to serve the area, including two general stores, two cotton gins, three blacksmiths, a saloon, a school, and a wagon maker. At the same time, the population of Selma had grown to 145 residents, plus many families that settled in the more rural areas outside of town.

DECLINE & RESURGENCE

By 1890, the population grew exponentially, reaching over 600 residents in 1896. However, Selma began to decline after 1900 due to a variety of circumstances. The post office closed in 1906 and was replaced by rural delivery from Bracken and San Antonio. By 1940, the decline had reached a disastrous level, with Selma reporting only a church, a school, three businesses and a population of roughly 100 residents.

As you can probably tell, Selma has reversed out of this decline. The City of Selma officially incorporated in 1964. By 1980, the population had rebounded to over 240 residents. With the commercial and residential growth increasing along Interstate 35 (formerly known as Old Austin Road), the population of Selma reached 520 by 1990, and 788 in the year 2000.

Recently, Selma has been one of the fastest growing cities in Texas. Selma's population grew over 600% from 2000 to 2010, growing to a population of 5,540 residents. According to the 2020 Census, this population boom continued, with Selma now boasting a population of 11,619; an increase of over 109% during the previous decade! Thanks to the residents who managed to persevere during the 1900's, as well as the development of the Interstate 35 corridor, Selma is poised to continue its role as a major player for decades to come.

A look at Selma's History

JOHN S. HARRISON HOUSE

John S. Harrison House – The recently renovated John S. Harrison House opened in 2016 and serves as one of Selma's newest and most sought-after attractions. The 13 acre property and surrounding land was first settled by John Harrison and his wife Martha in 1852 and stands as one of the few remaining structures that date back to the settlement period of Selma. The newly rehabilitated turn-of-the-century house and farm complex is

Selma's newest treasure, showcasing Selma's early history and is directly linked to the famous Selma Stage Stop. The Harrison property is listed as a State Archaeological Landmark and the house is listed on the National Registry of Historic Places.

The John S. Harrison House is available for private parties. For more information, please visit our website at www.ci.selma.tx.us or call (210) 651-7827.

MORE HISTORICAL ATTRACTIONS

SELMA STAGE STOP

The Selma Stage Stop was established only three years after the founding of Selma, in 1847. Constructed between 1850 and 1852, the Stage Stop functioned as a stagecoach stop until no later than 1854 but remained as the Selma post office until 1906. The stagecoach connected the new settlement to the vital transportation lines that carried passengers to the interior of Texas. During its service as the post office, the Stage Stop legitimized the administrative, as well as physical, existence of Selma. The Stage Stop is one of the few remaining buildings in Selma left from the settlement period. Listed in the National Park Service's National Register of Historic Places, the Selma Stage Stop is a vital piece of Selma's history, and the Central Texas Landscape.

SHOPPING

THE FORUM AT OLYMPIA PARKWAY

Built in 2002, The Forum at Olympia Parkway is a major destination for shoppers from far and wide. With acres of premier restaurants and shopping options, The Forum at Olympia Parkway is one of the largest outdoor shopping centers in Texas. With this massive size, the Forum offers a wide variety of retail and culinary options for young and old alike. For more information, visit The Forum at Olympia Parkway's website at www.shoptheforumsa.com.

COSTCO

Located just across the street from The Forum at Olympia Parkway, Costco Wholesale offers a variety of shopping options under one roof. Opened in 2007, the Selma Costco Warehouse has served millions of shoppers from across the area.

THINGS TO DO

BLUE BONNET PALACE

The Blue Bonnet Palace is Selma's premiere hangout spot for adults of all ages. The original Blue Bonnet Palace, located just off I-35, was built in 1978 and played host to a number of legendary country music artists including Garth Brooks and Clay Walker. By the late 1990's, the original location became too small to keep up with the demand for a good honkytonk. The new Blue Bonnet Palace, located at the corner of Lookout Road and Schertz Parkway, still radiates the charm of the original with a more modern vibe that is sure to appeal to all ages. Blue Bonnet Palace features multiple bars, indoor and outdoor stages, and multiple restaurants. Be sure to stop by and grab a bite to eat or check out your favorite artists!

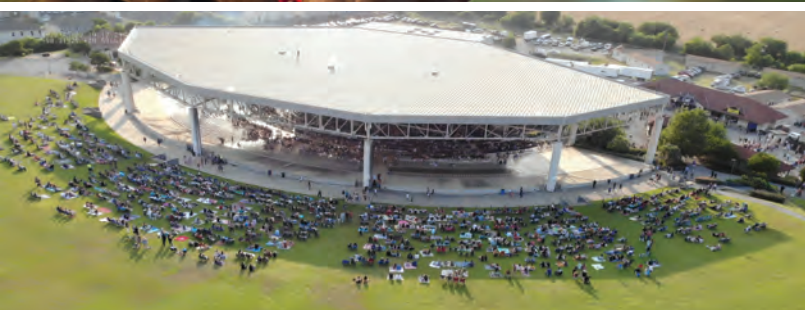

RETAMA PARK

Opened in 1995, Retama Park is the San Antonio area's only Class 1 horse racing venue, with live racing on Friday and Saturday from June through August. Retama Park is open for simulcast racing year-round, except for Christmas Day. Retama Park offers a relaxed, comfortable atmosphere for avid and casual horse racing enthusiasts. Retama Park hosts a variety of local and national events throughout the year. Whether for horse racing or special events, be sure to check all of the excitement at Retama Park.

REAL LIFE AMPHITHEATER

River City Community Church, in partnership with Tobin Entertainment, is bringing back a Selma classic as a music venue. More than 12 years after the former Verizon Amphitheater closed its doors, the 20,000 seat, open-air Real Life Amphitheater now stands ready to serve as the San Antonio area's premiere open air facility. Real Life Amphitheater aims to play host to a number of music, theater, and speaking tours that would normally skip the San Antonio area for lack of an appropriate venue. Whether you want to hear your favorite artist or catch a play, look no further than Real Life Amphitheater!

The EPIC Mentor Board convenes monthly to serve Member businesses on a one-on-one basis for intentional guidance to overcome current challenges and, to suggest ways to improve the current track their businesses may be on. The Board is comprised of business professionals in fields such as finance, investment, non-profit, insurance, human resources and more. This is a 3 month commitment for Chamber members only. Please email us at info@thechamber.info for more information.

2024 CHAMBER EDUCATION OPPORTUNITIES

THE CHAMBER LEADERSHIP CORE

Community | Organization | Reciprocity | Education

The CORE in The Chamber's Leadership Program stands for Community, Organization, Reciprocity, and Education - all of which are key factors in preparing our leaders of tomorrow. Leadership CORE is a series of information-oriented forums, experiences, and exposure to different facets of community to include government, industry, education, non-profits, and economic development. The program will equip and grow future leaders who will have the knowledge and relationships built through each month's experiences.

This seven-month program is offered annually, and classes begin in January. Applications are available online and are open for Members and non-members of The Chamber. Application deadline is October 30th of each year. For more information, go online to The Chamber website at thechamber.info or call the offices at 210-619-1952.

EPIC Education Seminars are quarterly events that feature leaders of industry, instructional experts in business and motivational guest speakers in fields such as human resources, finance, marketing, and customer service. Through these seminars, members learn and have the ability to implement new measures, update business practices and develop strategies to take their business to the next level.

For more information, go to www.thechamber.info and click on the calendar of events. Or call 210-619-1952 for more information.

2024 CHAMBER COMMITTEES

The Chamber Ambassadors

In their distinctive red attire, The Ambassadors are the longest running volunteer committee of The Chamber. They are composed of active Chamber Business Members in the community who serve The Chamber by assisting in our events, supporting new businesses and being our outreach to keep all Members connected and informed of our Chamber happenings. This also helps their businesses by forging relationships through that connection with other Members, local businesses and the community as well as creates a network of potential clients for themselves. To be a part of this exciting committee, you must be a Chamber Member for a minimum of one year. Contact The Chamber at 210-764-4030 or email events@thechamber.info for more information.

(helping Young Professional entrepreneurs resource)

hYPer is an award-winning young professionals committee with a core membership of 21 to 40-year-old business professionals. They meet monthly for networking, professional development and special guest speakers who facilitate on topics such as personal branding, leadership and goal setting. hYPer members develop deeper relationships with their peers while learning professional accountability from successful entrepreneurs and community leaders. They also give back through their annual Shred Day which raises funds to give holiday meals for area families at Thanksgiving and Christmas. Call 210-764-4030 or email media@thechamber.info offices to learn how you can be a part of this energetic group.

CHAMP

(Catalysts Helping Achieve More Productivity)

The committee is dedicated to helping The Chamber programs and events be at the highest level of performance and ROI by giving input as well as volunteering in these actual areas. Coming in as sponsors, volunteers, and "secret shoppers", they are able to give context to the full program or event experience and help The Chamber to remove, update or add to these areas that will improve Member and community participation. To be a part of this dynamic group, contact The Chamber at 210-619-1952 or email finance@thechamber.info for more information.

The Chamber Military Affairs Committee is a group of retired military local business owners working together to provide opportunities, education and mutual joint relations with JBSA Randolph/JBSA San Antonio. It seeks to enhance relationships between the military and civilian communities by helping promote local commerce and services to Active duty personnel, military spouses, and retired Veterans.

Monthly and annual events include the Hidden Hero program, which honors a nominated service man or woman at our monthly Chamber luncheon as well as participating/helping to facilitate workforce training/job fairs to connect transitioning, retired military, veterans and spouses to civilian business and work opportunities. In November of each year the MAC organizes a public Veterans Day ceremony that rotates between the cities of Schertz, Cibolo and Selma. For more information about joining MAC, call 210-764-4030 or email memberservices@thechamber.info

THE CHAMBER MEMBER TESTIMONIALS

Pilgrim Mortgage -The Kleckley Team (formerly Interlinc Mortgage) has been a member of the Chamber for many years. I became involved in the Chamber shortly after I was hired by Wes Kleckley in 2018. At that time, we attended the luncheons and the mixers but that was about it. You can be as involved or not as you want, but that will have a direct impact on your experience as a member.

I decided then that with an organization such as the Chamber, you get out of it what you put in. I wanted to become more involved. I reached out to the Chamber staff, and they helped me become an Ambassador. What a difference that made! Joining a committee helped me to feel more involved and connected to the members of the Chamber. Pilgrim Mortgage now sponsors luncheons and mixers, and we also participate in the Chamber Bowl and the Chamber Open where we work together along with Chamber staff and other Chamber members to give back to the community. As an ambassador I volunteer at the Skylight Balloon Festival and attend as many ribbon cuttings as possible. I love meeting the new members who join! Pilgrim Mortgage truly appreciates all that the Chamber has to offer their members and people in the community!

Mandy Jackson, Business Development - Pilgrim Mortgage

The Blue Bonnet Palace has been a proud member of The Chamber for over 10 years! With multiple businesses now enrolled, we can confidently say that our membership with The Chamber has been instrumental in the growth and success of our business. From day one, The Chamber has proven to be an invaluable resource, providing us with the tools and connections needed to thrive in our local community.

Our participation at The Chamber's events and gatherings has allowed us to forge meaningful relationships with fellow entrepreneurs, professionals, and community leaders. Through these connections, we've not only expanded our client base but also gained support and insights that are truly priceless.

Our membership with The Chamber has been an investment that continues to pay dividends. We wholeheartedly recommend joining The Chamber to any business owner looking to thrive in our local community.

Kaitlyn John - Blue Bonnet Palace

"Since my early years of owning Steamer's Carpet Care, I've been a member of The Chamber. Back then, I didn't know many people in the area and knew that I needed to join The Chamber so I could start meeting and networking with other people in the community. It was easy to get involved."

Jon Bibb, CEO - Steamer's Carpet Care (Selma)

"Our center and many of our tenants participate in (and enjoy) the numerous networking opportunities hosted by The Chamber. From luncheons to mixers to ribbon cuttings, this chamber always operates with the greatest professionalism. These functions are fun, informative, and play no small role in our center's success. It is comforting to know we have such a great ally and partner in The Chamber."

Ruffin Moore - General Manager - Rolling Oaks Mall (San Antonio)

"They have provided networking help, educational opportunities and even backing and support in our times of need when we needed an advocate on obtaining a variance from the city on our office's design. I have no doubt that they put businesses first."

Dr. Al Burns, DDS, MS - Alligator Dental (Cibolo)

"The Chamber brings the business community together for us and we couldn't do it without The Chamber putting the community in touch!"

Tim and Nancy Brown, Owners - RE/MAX Corridor (Schertz)

"We love how The Chamber is very focused on families and veterans, which is so important to us as a family and veteran owned business. Our company has grown with The Chamber over the last 8 years and we look forward to many more!"

Amie Reynolds, CEO CertaPro Painters (New Braunfels)

iCode Cibolo joined the Chamber in 2022 and quickly found it to be a perfect fit. The sense of belonging, support, and camaraderie among members has been truly heartwarming. The willingness of fellow members to assist in the growth of my business has been invaluable. The culture of mutual support within the Chamber has made networking a highly rewarding experience. Additionally, my participation in the CHAMP program has led to the development of meaningful friendships.

Among the many benefits of networking, I particularly cherish the monthly luncheons, which offer a great opportunity for connection and collaboration. Moreover, my business received valuable guidance during the spring when I was mentored by the Epic mentor team. Over the course of three months, I absorbed a wealth of knowledge that has opened up new and exciting opportunities for my business's expansion.

Rupali Patel, Owner iCode Cibolo

The Reynoso Agency – Farmers Insurance has been a member of The Chamber since the day we opened our doors in Schertz in 2019. We were so impressed with the outreach that The Chamber provided to us as new members. Every Chamber employee called to welcome us to the "neighborhood" and asked how they could help us grow. Since then, we have had the opportunity to participate in Chamber lunches, ribbon cuttings, and mixers. We have also taken advantage of the additional programs such as the Leadership class which we graduated from in 2020, and the EPIC Mentor board which helped us take our business to the next level in 2022.

The Chamber membership is the best investment we make in our business every year! We recommend that every business owner in Schertz, Selma, Cibolo and surrounding areas join and support our community as it continues to grow.

How do you feel when people talk about you?

WE LOVE IT!

“ In 2013, I placed my first City swag order with Liane Garrett at Madwomen Marketing. Since then, I haven't looked back. My orders and designs are always a custom fit to the marketing goals for each project. Stacey and Liane provide quick and accurate customer service and product information which are received in a timely manner and most often hand delivered to my office, compliments of Liane. The services they offer, lends more time for me to concentrate on city projects.

Donna Lowder
Director of Economic Development
The City of Live Oak

“ "Physicians Premier Cibolo trusts Mad Women Marketing to continue to help elevate our brand by providing high quality and unique promotional items and stellar customer service. They consistently go above and beyond to meet our requests, deadlines, and budget."

Jennifer Meachum
Regional Marketing Manager
Physician Premier ER

“ The Chamber has worked with MadWomen Marketing for the past several years in creating our Business Directory/Community Guide. Their attention to detail, creative ideas and advice on what is "eye friendly" for the consumer has helped us immeasurably to the extent that we won first place for Directory of the Year from the Texas Chamber of Commerce Executives, beating out over 100 other entries! Thank you, Liane and Stacey for being such great advertising and marketing partners to The Chamber!

Maggie Titterington, IOM
President/CEO
The Chamber (Schertz - Cibolo - Selma Area)

“ We love Madwomen Marketing! They have not only been instrumental in ensuring our projects are executed flawlessly and on time, but they have also shown a level of intentionality and care that is truly remarkable.

Madwomen Marketing understands the importance of building relationships and truly understanding our vision. They take the time to listen and create strategies that align perfectly with our mission. Thank you to Madwomen for being more than just a marketing agency; thank you for being a trusted partner. We are forever grateful for all that you continue to do for us.

Kyana Beres
Director of Marketing & Donor Relations
SJRC Texas | Belong

“ Liane is one of the most energetic, dedicated and hardworking people I know. She's truly committed to her community and to helping others!
