THIS AGREEMENT is made and entered into as shown in the "Execution Date" on page one (1) in the heading of this AGREEMENT, between the "*****", hereinafter called the "AGENCY," and the name/organization referenced on page one (1) in the heading of this AGREEMENT, hereinafter called the "CONSULTANT."

WHEREAS, the AGENCY desires to accomplish the work referenced in the section I. "Description of Work" section of this AGREEMENT and hereafter called the "SERVICES"; and does not have sufficient staff to meet the required commitment and therefore deems it advisable and desirable to engage the assistance of a CONSULTANT to provide the necessary SERVICES; and

WHEREAS, the CONSULTANT represents that they comply with the Washington State Statutes relating to professional registration, if applicable, and has signified a willingness to furnish consulting Services to the AGENCY.

NOW, THEREFORE, in consideration of the terms and conditions contained herein, or attached and incorporated and made a part hereof, the AGENCY, and the CONSULTANT mutually agree as follows:

I. Description of Work

The Scope of Work and projected level of effort required for these SERVICES is described in Exhibit "A" attached hereto and by this reference made a part of this AGREEMENT.

If, due to the CONSULTANT'S error or oversight, corrections to the SERVICES contracted for herein are necessary, the CONSULTANT will make such corrections at no additional cost to the AGENCY and will submit such corrections to the AGENCY within ten (10) days of receipt of the AGENCY'S request.

II. General Requirements

CONSULTANT shall, at all times, comply with all applicable federal, state and local laws, codes, ordinances, rules, regulations, decrees, directives, guidelines, etc., (together "Laws") which may impact or apply to the performance of SERVICES under this AGREEMENT, regardless of whether such Laws are modified or are enacted during the term of this AGREEMENT.

III. Period of Performance

This AGREEMENT shall commence on the date executed by the AGENCY and the CONSULTANT shown in "Execution Date" in the heading of this AGREEMENT on page one (1) and shall be completed on the date shown in "Completion Date" in the heading of this AGREEMENT on page one (1), unless modified by a written AGREEMENT revision extending the "Completion Date" or unless terminated sooner as provided herein.

Upon completion or termination of this AGREEMENT, the CONSULTANT shall turn over all documents, records and file materials to the AGENCY.

IV. Payment Provisions

The CONSULTANT shall be paid by the AGENCY for completed SERVICES rendered under this AGREEMENT as provided hereinafter. Such payment shall be full compensation for SERVICES performed or SERVICES rendered and for all labor, materials, supplies, equipment, and incidentals necessary to complete SERVICES. The CONSULTANT shall conform to all applicable portions of 48 CFR Part 31 (www.ecfr.gov).

Agreement Number:

A. Hourly Rates: The CONSULTANT shall be paid by the AGENCY for work done, based upon the negotiated hourly rates shown in Exhibits “D” and “E” attached hereto and by reference made part of this AGREEMENT. The accepted negotiated rates shall be memorialized in a final written acknowledgement between the parties. Such final written acknowledgement shall be incorporated into, and become a part of, this AGREEMENT. The initially accepted negotiated rates shall be applicable from the approval date, as memorialized in a final written acknowledgement, to 180 days following the CONSULTANT’s fiscal year end (FYE) date.

The accepted negotiated hourly rates, as shown on Exhibits “D” and “E” shall be subject to renegotiations for each subsequent twelve (12) month period (180 days following FYE date to 180 days following FYE date) upon written request of the CONSULTANT or the AGENCY. The written request must be made to the other party within ninety (90) days following the CONSULTANT’s FYE date. If no such written request is made, the initial twelve (12) month negotiated hourly rates, as shown on Exhibits “D” and “E”, will remain in effect for the next twelve (12) month period.

Conversely, if a timely request is made in the manner set forth above, the parties will commence negotiations to determine the new hourly rates that will be applicable for the next twelve (12) month period. Any agreed to renegotiated rates shall be memorialized in a final written acknowledgement between the parties. Such final written acknowledgement shall be incorporated into, and become a part of, this AGREEMENT. If requested, the CONSULTANT shall provide current payroll register and classifications to aid in negotiations. If the parties cannot reach an agreement on the new hourly rates, the AGENCY may perform an audit of the CONSULTANT’s books and records to determine the CONSULTANT’s actual costs. The audit findings may be used to establish the new hourly rates that will be applicable for the next twelve (12) month period.

The fixed fee as identified in Exhibits “D” and “E” shall represent a value to be applied throughout the life of the AGREEMENT.

The CONSULTANT shall maintain and have accessible support data for verification of the components of the hourly rates, i.e., direct (raw) labor, indirect cost rate, and fixed fee (profit) percentage. If the classification ranges (Actuals not to Exceed Table) are utilized, the CONSULTANT shall bill each employee’s actual classification, and actual salary plus indirect cost rate plus fixed fee within the appropriate classification ranges.

B. Direct Non-Salary Costs: Direct Non-Salary Costs will be reimbursed at the actual cost to the CONSULTANT. These charges may include, but are not limited to, the following items: travel, printing, long distance telephone, supplies, computer charges and fees of sub-consultants. Air or train travel will be reimbursed only to lowest price available, unless otherwise approved by the AGENCY. The CONSULTANT shall comply with the rules and regulations regarding travel costs (excluding air, train, and rental car costs) in accordance with the AGENCY, Washington State Department of Transportation (WSDOT)’s Accounting Manual M 13-82, Chapter 10 – Travel Rules and Procedures, and all revisions thereto. Air, train and rental card costs shall be reimbursed in accordance with 48 Code of Federal Regulations (CFR) Part 31.205-46 “Travel Costs.” The billing for Direct Non-salary Costs shall include an itemized listing of the charges directly identifiable with these SERVICES. The CONSULTANT shall maintain the original supporting documents in their office. Copies of the original supporting documents shall be supplied to the AGENCY upon request. All above charges must be necessary for the SERVICES provided under this AGREEMENT.

Agreement Number:

- C. Maximum Amount Payable: The Maximum Amount Payable by the AGENCY to the CONSULTANT under this AGREEMENT shall not exceed the amount shown in the heading of this AGREEMENT on page one (1.) The Maximum Amount Payable does not include payment for extra work as stipulated in section XIII, "Extra Work." No minimum amount payable is guaranteed under this AGREEMENT.
- D. Monthly Progress Payments: Progress payments may be claimed on a monthly basis for all costs authorized in A and B above. The monthly billings shall be supported by detailed statements for hours expended at the rates established in Exhibit "D," including names and classifications of all employees, and billings for all direct non-salary expenses. To provide a means of verifying the billed salary costs for the CONSULTANT's employees, the AGENCY may conduct employee interviews. These interviews may consist of recording the names, titles, salary rates, and present duties of those employees performing work on the SERVICES at the time of the interview.
- E. Final Payment: Final Payment of any balance due the CONSULTANT of the gross amount earned will be made promptly upon its verification by the AGENCY after the completion of the SERVICES under this AGREEMENT, contingent upon receipt of all PS&E, plans, maps, notes, reports, electronic data, and other related documents which are required to be furnished under this AGREEMENT. Acceptance of such Final Payment by the CONSULTANT shall constitute a release of all claims for payment, which the CONSULTANT may have against the AGENCY unless such claims are specifically reserved in writing and transmitted to the AGENCY by the CONSULTANT prior to its acceptance. Said Final Payment shall not, however, be a bar to any claims that the AGENCY may have against the CONSULTANT or to any remedies the AGENCY may pursue with respect to such claims.

The payment of any billing will not constitute agreement as to the appropriateness of any item and at the time of final audit all required adjustments will be made and reflected in a final payment. In the event that such final audit reveals an overpayment to the CONSULTANT, the CONSULTANT will refund such overpayment to the AGENCY within thirty (30) calendar days of notice of the overpayment. Such refund shall not constitute a waiver by the CONSULTANT for any claims relating to the validity of a finding by the AGENCY of overpayment. Per the WSDOT's "Audit Guide for Consultants," Chapter 23 "Resolution Procedures," the CONSULTANT has twenty (20) working days after receipt of the final Post Audit to begin the appeal process to the AGENCY for audit findings.

- F. Inspection of Cost Records: The CONSULTANT and their sub-consultants shall keep available for inspection by representatives of the AGENCY, the State, and the United States, for a period of six (6) years after receipt of final payment, the cost records and accounts pertaining to this AGREEMENT and all items related to or bearing upon these records with the following exception: if any litigation, claim or audit arising out of, in connection with, or related to this AGREEMENT is initiated before the expiration of the six (6) year period, the cost records and accounts shall be retained until such litigation, claim, or audit involving the records is completed.

An interim or post audit may be performed on this AGREEMENT. The audit, if any, will be performed by the State Auditor, WSDOT's Internal Audit Office and / or at the request of the AGENCY's Project Manager.

V. Compensation

The CONSULTANT shall be paid _____ for all SERVICES and expenses under this AGREEMENT, provided that the total reimbursement under this AGREEMENT shall not exceed _____. Such payment shall include all the CONSULTANT'S expenses in the performance of this AGREEMENT unless otherwise

Agreement Number:

VI. Records and Accounts

The CONSULTANT and any authorized sub-consultant, or any other person or firm, shall keep detailed records relating to the charges made and expenses incurred for work required by this AGREEMENT.

The CONSULTANT's accounting records pertaining to this AGREEMENT shall be available for inspection by representatives of the AGENCY, the State, and the United States, at the office of the CONSULTANT. The CONSULTANT shall include in any sub-consultant agreement/contract or any agreement/contract with any person or firm a provision requiring such sub-consultant, person, or firm to make its financial records available for inspection by the AGENCY in accordance with this provision.

The accounting record referred to in the preceding paragraph shall be available for inspection during normal business hours and shall be retained by the CONSULTANT or sub-consultant, or any other person or firm, for a period of three (3) years following final payment from the AGENCY to the CONSULTANT with the following exception: if any litigation, claim, or audit is started before the expiration of the three (3) year retention period, the records shall be retained until all litigation, claim, or audit findings involving the records have been resolved.

The CONSULTANT further agrees that any duly authorized representative of the AGENCY, the State or of the United States, in the official conduct of its business shall have access to and the right to examine any directly pertinent books, documents, papers, photographic negatives, and records of the CONSULTANT involving the SERVICES provided under the terms of this AGREEMENT at any time during normal business hours during the life of this AGREEMENT and for three (3) years after the date of the final payment under this AGREEMENT.

An audit may be performed on this AGREEMENT. The audit, if any, will be performed by the State Auditor, WSDOT's Internal Audit Office and / or at the request of the AGENCY's Project Manager.

VII. Performance of Services

In the performance of the SERVICES under this AGREEMENT, the CONSULTANT shall comply with all applicable AGENCY regulations, State and Federal laws, regulations and procedures.

1. Non-delegation

The SERVICES to be furnished under the terms of this AGREEMENT shall be performed by the CONSULTANT and the CONSULTANT'S bona fide employees, and shall not be delegated to any other person or firm.

2. Subcontracting

The CONSULTANT shall not hire sub-consultants or any other person or firm to provide SERVICES under this AGREEMENT except pursuant to a revision of this AGREEMENT as authorized in Section XVIII "Modification of Agreement." All applicable portions of this AGREEMENT shall be contained in the subcontract between the CONSULTANT and its sub-consultant(s).

The CONSULTANT shall remove any employee from assignment to perform SERVICES under this AGREEMENT immediately upon receipt of written request to do so from the AGENCY.

Agreement Number: _____

The CONSULTANT warrants that, if it is full or partially employed by any public agency other than the AGENCY, its acceptance of this AGREEMENT is with the consent of such agency; that the CONSULTANT shall spend no time in the performance required in this AGREEMENT during which time the CONSULTANT should normally be employed and paid by such agency; and that the acceptance of this AGREEMENT will not interfere with any obligations the CONSULTANT may have to such agency.

VIII. Employment and Organizational Conflict of Interest

The CONSULTANT warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the CONSULTANT, to solicit or secure this AGREEMENT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the CONSULTANT, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of this AGREEMENT. For breach or violation of this warrant, the AGENCY shall have the right to annul this AGREEMENT without liability or, in its discretion, to deduct from this AGREEMENT price or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

Any and all employees of the CONSULTANT or other persons while engaged in the performance of any work or SERVICES required of the CONSULTANT under this AGREEMENT, shall be considered employees of the CONSULTANT only and not of the AGENCY, and any and all claims that may arise under any Workmen's Compensation Act on behalf of said employees or other persons while so engaged, and any and all claims made by a third party as a consequence of any act or omission on the part of the CONSULTANT'S employees or other persons while so engaged on any of the work or SERVICES provided to be rendered herein, shall be the sole obligation and responsibility of the CONSULTANT.

The CONSULTANT shall not engage, on a full- or part-time basis, or other basis, during the period of this AGREEMENT, any professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of the United States Department of Transportation or the AGENCY, except regularly retired employees, without written consent of the public employer of such person if he/she will be working on this AGREEMENT for the CONSULTANT.

The CONSULTANT shall comply with the Federal Fair Labor Standards Act and any other legislation affecting its employees and the rules and regulations issued there under; and shall save the AGENCY free, clear and harmless from all actions, claims, demands and expenses arising out of said Act and any rules and regulations that are or may be promulgated in connection therewith.

The CONSULTANT assumes full responsibility for the payment of all payroll taxes, use, sales, income or any other form of taxes, fees, licenses, excises, or payments required by any Federal or State legislation which are now or which may be enacted during the term of this AGREEMENT as to all the CONSULTANT'S employees, and as to all the duties, activities, and requirements of the CONSULTANT in the performance of this AGREEMENT.

The CONSULTANT shall comply with the WSDOT'S Organizational Conflict of Interest Policy, WSDOT Manual 3043, and revisions thereto <http://www.wsdot.wa.gov/Publications/Manuals/M3043.htm>, and its requirements for employees, the CONSULTANT firm and any entities created to do business with the AGENCY.

IX. Nondiscrimination

During the performance of this AGREEMENT, the CONSULTANT, for itself, its assignees and successors in interest, agrees as follows:

1. Compliance with Laws and Regulations

The CONSULTANT shall comply with the regulations relative to nondiscrimination in Federally assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, hereinafter referred to as the "REGULATIONS", which are herein incorporated by reference and made a part of this AGREEMENT. The CONSULTANT shall comply with the State Law Against Discrimination, Chapter 49.60 RCW and any REGULATIONS adopted thereto.

2. Nondiscrimination

The CONSULTANT with regard to the work performed by it during the AGREEMENT, shall not discriminate on the grounds of age, sex, marital status, race, creed, color, national origin, or the presence of any sensory, mental, or physical handicap unless based upon a bona fide occupational qualification, in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by Chapter 49.60 RCW or by section 21.5 of the REGULATIONS, including employment practices when the AGREEMENT covers a program set forth in Appendix B of the REGULATIONS.

3. Solicitation for Sub-consultants, Including Procurement of Materials and Equipment

In all solicitations either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential sub-consultant or supplier shall be notified by the CONSULTANT of the CONSULTANT'S obligations under this AGREEMENT and the REGULATIONS relative to nondiscrimination on the above grounds.

4. Information and Reports

The CONSULTANT shall provide all information and reports required by the REGULATIONS; or directives issued pursuant thereto, and shall permit access to its books, records, accounts or other sources of information, and its facilities as may be determined by the AGENCY or the Federal Highway Administration to be pertinent to ascertain compliance with such REGULATIONS, directives or laws. Where any information required of a CONSULTANT is in the exclusive possession of another who fails or refused to furnish this information, the CONSULTANT shall so certify to the AGENCY, WSDOT, or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance

In the event of the CONSULTANT's noncompliance with the discrimination provisions of this AGREEMENT, the AGENCY shall impose such AGREEMENT sanctions as it may determine to be appropriate, including but not limited to (1) withholding of payments to the CONSULTANT under this AGREEMENT until the CONSULTANT complies, and/or (2) cancellation, termination, or suspension of this AGREEMENT in whole or in part.

6. Incorporation of Provisions

The CONSULTANT shall include the provisions of paragraphs 1 through 6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the REGULATIONS, or directives issued pursuant thereto. The CONSULTANT shall take such action with respect to any subcontract or procurement as the AGENCY, WSDOT, or Federal Highway Administration may direct as a means of

Agreement Number:

enforcing such provisions including sanctions for noncompliance; provided, however, that, in the event a CONSULTANT becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the CONSULTANT may request the AGENCY to enter into such litigation to protect the interests of the AGENCY and / or WSDOT; and, in addition, the CONSULTANT may request the United States to enter into such litigation to protect the interests of the United States.

X. Termination

The right is reserved by the AGENCY to terminate this AGREEMENT at any time with or without cause upon ten (10) days written notice to the CONSULTANT.

In the event this AGREEMENT is terminated by the AGENCY, other than for default on the part of the CONSULTANT, a final payment shall be made to the CONSULTANT which, when added to any payments previously made, shall total the same percentage of the Lump Sum Amount as the work completed at the time of termination is to the total work required for the SERVICES. In addition, the CONSULTANT shall be paid for any authorized extra work completed.

No payment shall be made for any SERVICES completed after ten (10) days following receipt by the CONSULTANT of the notice to terminate. If the accumulated payment made to the CONSULTANT prior to Notice of Termination exceeds the total amount that would be due when computed as set forth in paragraph two (2) of this section, then no final payment shall be due and the CONSULTANT shall immediately reimburse the AGENCY for any excess paid.

If the services of the CONSULTANT are terminated by the AGENCY for default on the part of the CONSULTANT, the above formula for payment shall not apply.

In the event of a termination for default, the amount to be paid to the CONSULTANT shall be determined by the AGENCY with consideration given to the actual costs incurred by the CONSULTANT in performing SERVICES to the date of termination, the amount of SERVICES originally required which was satisfactorily completed to date of termination, whether that SERVICE is in a form or a type which is usable to the AGENCY at the time of termination, the cost to the AGENCY of employing another firm to complete the SERVICES required and the time which may be required to do so, and other factors which affect the value to the AGENCY of the SERVICES performed at the time of termination. Under no circumstances shall payment made under this subsection exceed the amount, which would have been made using the formula set forth in paragraph two (2) of this section.

If it is determined for any reason that the CONSULTANT was not in default or that the CONSULTANT's failure to perform is without the CONSULTANT's or its employee's fault or negligence, the termination shall be deemed to be a termination for the convenience of the AGENCY. In such an event, the CONSULTANT would be reimbursed for actual costs in accordance with the termination for other than default clauses listed previously.

The CONSULTANT shall, within 15 days, notify the AGENCY in writing, in the event of the death of any member, partner, or officer of the CONSULTANT or the death or change of any of the CONSULTANT's supervisory and/or other key personnel assigned to the project or disaffiliation of any principally involved CONSULTANT employee. The CONSULTANT shall also notify the AGENCY, in writing, in the event of the sale or transfer of 50% or more of the beneficial ownership of the CONSULTANT within 15 days of such sale or transfer occurring. The CONSULTANT shall continue to be obligated to complete the SERVICES under the terms of this AGREEMENT unless the AGENCY chooses to terminate this AGREEMENT for convenience or

Agreement Number:

chooses to renegotiate any term(s) of this AGREEMENT. If termination for convenience occurs, final payment will be made to the CONSULTANT as set forth in the second and third paragraphs of this section.

Payment for any part of the SERVICES by the AGENCY shall not constitute a waiver by the AGENCY of any remedies of any type it may have against the CONSULTANT for any breach of this AGREEMENT by the CONSULTANT, or for failure of the CONSULTANT to perform SERVICES required of it by the AGENCY. Forbearance of any rights under the AGREEMENT will not constitute waiver of entitlement to exercise those rights with respect to any future act or omission by the CONSULTANT.

XI. Disputes

Any disputed issue not resolved pursuant to the terms of this AGREEMENT shall be submitted in writing within 10 days to the Director of Public Works or AGENCY Engineer, whose decision in the matter shall be final and binding on the parties of this AGREEMENT; provided however, that if an action is brought challenging the Director of Public Works or AGENCY Engineer's decision, that decision shall be subjected to judicial review. If the parties to this AGREEMENT mutually agree, disputes concerning alleged design errors will be conducted under the procedures found in Exhibit "J". In the event that either party deem it necessary to institute legal action or proceeding to enforce any right or obligation under this AGREEMENT, this action shall be initiated in the Superior Court of the State of Washington, situated in the county in which the AGENCY is located. The parties hereto agree that all questions shall be resolved by application of Washington law and that the parties have the right of appeal from such decisions of the Superior Court in accordance with the laws of the State of Washington. The CONSULTANT hereby consents to the personal jurisdiction of the Superior Court of the State of Washington, situated in the county in which the AGENCY is located.

XII. Legal Relations

The CONSULTANT, any sub-consultant, and the AGENCY shall comply with all Federal, State, and local laws, rules, codes, and regulations applicable to the work to be performed under this AGREEMENT. This AGREEMENT shall be interpreted and construed in accordance with the laws of the State of Washington.

The CONSULTANT shall defend, indemnify, and hold the State of Washington (STATE) and the AGENCY and their officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the negligence of, or the breach of any obligation under this AGREEMENT by, the CONSULTANT or the CONSULTANT'S agents, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONSULTANT may be legally liable; provided that nothing herein shall require a CONSULTANT to defend or indemnify the STATE and the AGENCY against and hold harmless the STATE and AGENCY from claims, demands or suits based solely upon the negligence of, or breach of any obligation under this AGREEMENT by the STATE and the AGENCY, their agents, officers, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the STATE and / or the AGENCY may be legally liable; and provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the CONSULTANT or the CONSULTANT'S agents, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONSULTANT is legally liable, and (b) the STATE and / or AGENCY, their agents, officers, employees, sub-consultants, subcontractors and or vendors, of any tier, or any other persons for whom the STATE and / or AGENCY may be legally liable, the indemnity obligation shall be valid and enforceable only to the extent of the CONSULTANT'S negligence or the negligence of the CONSULTANT'S agents, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONSULTANT may be legally liable. This provision shall be included in any AGREEMENT between CONSULTANT and any sub-consultants, subcontractor and vendor, of any tier.

Agreement Number:

The CONSULTANT shall also defend, indemnify, and hold the STATE and the AGENCY and their officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the CONSULTANT or the CONSULTANT'S agents, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONSULTANT may be legally liable, in performance of SERVICES under this AGREEMENT or arising out of any use in connection with the AGREEMENT of methods, processes, designs, information or other items furnished or communicated to STATE and / or AGENCY, their agents, officers and employees pursuant to the AGREEMENT; provided that this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from STATE's and / or AGENCY's, their agents', officers' and employees' failure to comply with specific written instructions regarding use provided to STATE and / or AGENCY, their agents, officers and employees by the CONSULTANT, its agents, employees, sub-consultants, subcontractors or vendors, of any tier, or any other persons for whom the CONSULTANT may be legally liable.

The CONSULTANT'S professional liability to the AGENCY, including that which may arise in reference to Section XIV "Insurance" of this AGREEMENT, shall be limited to the total amount of the AGREEMENT or one million dollars (\$1,000,000.00), whichever is greater. In no case shall the CONSULTANT'S professional liability to third parties be limited in any way.

The CONSULTANT specifically assumes potential liability for actions brought by the CONSULTANT'S own employees or its agents against the STATE and / or AGENCY and, solely for the purpose of this indemnification and defense, the CONSULTANT specifically waives any immunity under the STATE industrial insurance law, Title 51 RCW.

XIII. Independent Contractor

The CONSULTANT shall be deemed an independent contractor for all purposes. The CONSULTANT and its employees and any authorized sub-consultants, or any other person of firm, shall not be deemed the employees of the AGENCY for any purpose.

XIV. Insurance

The CONSULTANT shall obtain and keep in force during the terms of this AGREEMENT, or as otherwise required, insurance with companies or through sources approved by the STATE Insurance Commissioner pursuant to Title 48 RCW.

It is the CONSULTANT'S responsibility to provide evidence of continuing coverage during the overlap periods of the policy and the AGREEMENT.

The parties enter into this AGREEMENT for the sole benefit of the parties, and to the exclusion of any third party, and no third party beneficiary is intended or created by the execution of this AGREEMENT.

XV. Confidentiality

The AGENCY is contracting for the CONSULTANT'S independent performance of the specified SERVICES. Should the AGENCY employ another CONSULTANT to perform the same services, the CONSULTANT shall not discuss or otherwise exchange information with such other CONSULTANT.

Agreement Number:

The project for which the SERVICES of the CONSULTANT are required may involve litigation of claims against or brought by the STATE and / or AGENCY. Subject to Washington's Public Records Act (RCW ch. 42.17 et. al.) all information developed by the CONSULTANT and all information made available to the CONSULTANT and all analyses, conclusions, and/or opinions reached by the CONSULTANT shall be confidential as between the CONSULTANT and the AGENCY. Such information shall not be revealed by the CONSULTANT to any other person, organization, or entity without the express consent of the AGENCY. The confidentiality of such information will survive the completion of work under this AGREEMENT and/or the termination of this AGREEMENT.

The SERVICES to be performed under this AGREEMENT do not include SERVICES as an expert witness; in the event of the commencement of litigation, SERVICES as an expert witness will be the subject of a separate AGREEMENT.

XVI. Applicability of Law

This AGREEMENT shall be deemed executed in the State of Washington and the laws of the State of Washington shall govern the interpretation and application of its provisions. Venue for any suits between the CONSULTANT and the AGENCY arising from this AGREEMENT shall be brought and maintained in the Superior Court of the State of Washington, situated in the county in which the AGENCY is located.

XVII. Special Provisions

XVIII. Modification of Agreement

This AGREEMENT, or any provision thereof, may be modified or amended only by express written AGREEMENT revision properly signed by all parties.

Provided, however, that in the event a CONSULTANT becomes involved in, or is threatened with, litigation with a sub-consultant or supplier as a result of such direction, the CONSULTANT may request the AGENCY enter into such litigation to protect the interests of the STATE and/or the AGENCY and, in addition, the CONSULTANT may request the United States enter into such litigation to protect the interests of the United States.

Exhibit I

Alleged Consultant Design Error Procedures

The purpose of this exhibit is to establish a procedure to determine if a consultant's alleged design error is of a nature that exceeds the accepted standard of care. In addition, it will establish a uniform method for the resolution and/or cost recovery procedures in those instances where the agency believes it has suffered some material damage due to the alleged error by the consultant.

Step 1 Potential Consultant Design Error(s) is Identified by Agency's Project Manager

At the first indication of potential consultant design error(s), the first step in the process is for the Agency's project manager to notify the Director of Public Works or Agency Engineer regarding the potential design error(s). For federally funded projects, the Region Local Programs Engineer should be informed and involved in these procedures. (Note: The Director of Public Works or Agency Engineer may appoint an agency staff person other than the project manager, who has not been as directly involved in the project, to be responsible for the remaining steps in these procedures.)

Step 2 Project Manager Documents the Alleged Consultant Design Error(s)

After discussion of the alleged design error(s) and the magnitude of the alleged error(s), and with the Director of Public Works or Agency Engineer's concurrence, the project manager obtains more detailed documentation than is normally required on the project. Examples include: all decisions and descriptions of work; photographs, records of labor, materials and equipment.

Step 3 Contact the Consultant Regarding the Alleged Design Error(s)

If it is determined that there is a need to proceed further, the next step in the process is for the project manager to contact the consultant regarding the alleged design error(s) and the magnitude of the alleged error(s). The project manager and other appropriate agency staff should represent the agency and the consultant should be represented by their project manager and any personnel (including sub-consultants) deemed appropriate for the alleged design error(s) issue.

Step 4 Attempt to Resolve Alleged Design Error with Consultant

After the meeting(s) with the consultant have been completed regarding the consultant's alleged design error(s), there are three possible scenarios:

- It is determined via mutual agreement that there is not a consultant design error(s). If this is the case, then the process will not proceed beyond this point.
- It is determined via mutual agreement that a consultant design error(s) occurred. If this is the case, then the Director of Public Works or Agency Engineer, or their representatives, negotiate a settlement with the consultant. The settlement would be paid to the agency or the amount would be reduced from the consultant's agreement with the agency for the services on the project in which the design error took place. The agency is to provide LP, through the Region Local Programs Engineer, a summary of the settlement for review and to make adjustments, if any, as to how the settlement affects federal reimbursements. No further action is required.
- There is not a mutual agreement regarding the alleged consultant design error(s). The consultant may request that the alleged design error(s) issue be forwarded to the Director of Public Works or Agency Engineer for review. If the Director of Public Works or Agency Engineer, after review with their legal counsel, is not able to reach mutual agreement with the consultant, proceed to Step 5.

Agreement Number:

Step 5 Forward Documents to Local Programs

For federally funded projects all available information, including costs, should be forwarded through the Region Local Programs Engineer to LP for their review and consultation with the FHWA. LP will meet with representatives of the agency and the consultant to review the alleged design error(s), and attempt to find a resolution to the issue. If necessary, LP will request assistance from the Attorney General's Office for legal interpretation. LP will also identify how the alleged error(s) affects eligibility of project costs for federal reimbursement.

- If mutual agreement is reached, the agency and consultant adjust the scope of work and costs to reflect the agreed upon resolution. LP, in consultation with FHWA, will identify the amount of federal participation in the agreed upon resolution of the issue.
- If mutual agreement is not reached, the agency and consultant may seek settlement by arbitration or by litigation.

Consultant Claim Procedures

The purpose of this exhibit is to describe a procedure regarding claim(s) on a consultant agreement. The following procedures should only be utilized on consultant claims greater than \$1,000. If the consultant's claim(s) are a total of \$1,000 or less, it would not be cost effective to proceed through the outlined steps. It is suggested that the Director of Public Works or Agency Engineer negotiate a fair and reasonable price for the consultant's claim(s) that total \$1,000 or less.

This exhibit will outline the procedures to be followed by the consultant and the agency to consider a potential claim by the consultant.

Step 1 Consultant Files a Claim with the Agency Project Manager

If the consultant determines that they were requested to perform additional services that were outside of the agreement's scope of work, they may be entitled to a claim. The first step that must be completed is the request for consideration of the claim to the Agency's project manager.

The consultant's claim must outline the following:

- Summation of hours by classification for each firm that is included in the claim;
- Any correspondence that directed the consultant to perform the additional work;
- Timeframe of the additional work that was outside of the project scope;
- Summary of direct labor dollars, overhead costs, profit and reimbursable costs associated with the additional work; and
- Explanation as to why the consultant believes the additional work was outside of the agreement scope of work.

Step 2 Review by Agency Personnel Regarding the Consultant's Claim for Additional Compensation

After the consultant has completed step 1, the next step in the process is to forward the request to the Agency's project manager. The project manager will review the consultant's claim and will meet with the Director of Public Works or Agency Engineer to determine if the Agency agrees with the claim. If the FHWA is participating in the project's funding, forward a copy of the consultant's claim and the Agency's recommendation for federal participation in the claim to the WSDOT Local Programs through the Region Local Programs Engineer. If the claim is not eligible for federal participation, payment will need to be from agency funds.

If the Agency project manager, Director of Public Works or Agency Engineer, WSDOT Local Programs (if applicable), and FHWA (if applicable) agree with the consultant's claim, send a request memo, including backup documentation to the consultant to either supplement the agreement, or create a new agreement for the claim. After the request has been approved, the Agency shall write the supplement and/or new agreement and pay the consultant the amount of the claim. Inform the consultant that the final payment for the agreement is subject to audit. No further action is needed regarding the claim procedures.

If the Agency does not agree with the consultant's claim, proceed to step 3 of the procedures.

Agreement Number:

Step 3 Preparation of Support Documentation Regarding Consultant's Claim(s)

If the Agency does not agree with the consultant's claim, the project manager shall prepare a summary for the Director of Public Works or Agency Engineer that included the following:

- Copy of information supplied by the consultant regarding the claim;
- Agency's summation of hours by classification for each firm that should be included in the claim;
- Any correspondence that directed the consultant to perform the additional work;
- Agency's summary of direct labor dollars, overhead costs, profit and reimbursable costs associated with the additional work;
- Explanation regarding those areas in which the Agency does/does not agree with the consultant's claim(s);
- Explanation to describe what has been instituted to preclude future consultant claim(s); and
- Recommendations to resolve the claim.

Step 4 Director of Public Works or Agency Engineer Reviews Consultant Claim and Agency Documentation

The Director of Public Works or Agency Engineer shall review and administratively approve or disapprove the claim, or portions thereof, which may include getting Agency Council or Commission approval (as appropriate to agency dispute resolution procedures). If the project involves federal participation, obtain concurrence from WSDOT Local Programs and FHWA regarding final settlement of the claim. If the claim is not eligible for federal participation, payment will need to be from agency funds.

Step 5 Informing Consultant of Decision Regarding the Claim

The Director of Public Works or Agency Engineer shall notify (in writing) the consultant of their final decision regarding the consultant's claim(s). Include the final dollar amount of the accepted claim(s) and rationale utilized for the decision.

Step 6 Preparation of Supplement or New Agreement for the Consultant's Claim(s)

The agency shall write the supplement and/or new agreement and pay the consultant the amount of the claim. Inform the consultant that the final payment for the agreement is subject to audit.
