Covington's Building Department is fully electronic giving you the ability to search permits, pay fees, upload documents to existing permits, schedule inspections, apply for ePermits, and active permits all online at: CITIZENS CONNECT.

Please visit the City of Covington home web page at https://www.covingtonwa.gov to start your registration.
This guide will show you how to register, giving you full access to your permit information online.

Community Development Department

Welcome to Citizens Connect! The services provided include the ability to search permits, pay fees, upload documents to existing permits, schedule inspections, apply for ePermits, and active permit tracking.

- Generally, inspections will be performed virtually, and where impractical inspections will be performed in person on site. Inspections will be managed based on staff availability and efficiency so the date of the inspection may be changed, please continue monitoring the project in Citizens Connect for updates.
- For questions about inspections, but not scheduling contact inspection@covingtonwa.gov.

If you wish to postpone an inspection, or have a concern regarding your permit expiring, please email permitservices@covingtonwa.gov.
