Deliberate and Act on a Resolution to Approve an Agreement with Mantis Innovation to Represent the City for the Purpose of Securing Contracts with Retail Electricity Providers at Agreed Rates

Mike Carlisle, Account Executive for Mantis Innovation Electric presented the agenda item. He was able to provide an overview of Mantis Innovation Electric and their purpose for requesting to represent the City to secure pricing for electricity. He reported that this agreement will allow Mantis Innovation to negotiate and obtain favorable pricing. Mantis Innovation will continue to represent the City to ensure the most favorable pricing for the immediate future. He informed council that the current recommendation is for a 96 month term with the supply rate of $0.07682.

Several Councilmembers expressed questions regarding the best term with the best value. There was further discussion regarding what will be in the best interest for the city and contract termination specifications.
