VIII. Opening of Bids Received for the Printing of Ballots

The deadline to return ballot bids for the 2024 elections was yesterday (12-21-2023) by 4:00 p.m. Director Hemmer-Haight advised the Board that we received three bids. Chairman Lembke opened the bid packets and passed them to the board members for review.

Vendor	ElectionIQ	Integrated Voting Systems (IVS)	ES&S
14"	\$165/1000 = \$0.165/ballot, B/W \$185/1000 = \$0.185/ballot, Color	\$180/1000 = \$0.18/ballot, black or color Test Deck \$0.15	\$0.28, B/W \$260 per thousand \$0.30, Color \$280 per thousand Folding \$0.03/ballot
17"	\$165/1000 = \$0.165/ballot, B/W \$185/1000 = \$0.185/ballot, Color	\$180/1000 = \$0.18/ballot, black or color Test Deck \$0.15	\$0.28, B/W \$260 per thousand \$0.30, Color \$280 per thousand Folding \$0.03/ballot

19"	\$175/1000 = \$0.175/ballot, B/W \$195/1000 = \$0.195/ballot, Color	\$180/1000 = \$0.18/ballot, black or color Test Deck \$0.15	No information in bid
Insurance/Bond	Bid bond 10% of bid	Bid bond 10% of \$52,200, not to exceed \$50,000	Bid bond \$14,355 is 10% of bid

Deputy Director Dennison confirmed that the bids are for all elections in calendar year 2024, and that our ballots will be black and white 17” (14” plus 2 stubs). Upon request, both vendor representatives in the meeting provided information about other counties with whom they have contracts. Mr. Conrad asked if there were any problems with the ballots in the last election. The only issue was perforations in the ES&S ballot stock (used by all the ballot printing vendors), which made the stubs hard to tear.

Mr. Lembke asked if the directors had recommendations or feedback on the three vendors. Based on their performance history and our working relationship with them in prior elections, Director Hemmer-Haight recommended IVS. Mr. Lembke noted that ES&S’ significantly higher bid has ruled them out for this year. ElectionIQ’s bid is lower than the IVS bid, but the lower IVS test deck charge compensates for part of the price difference.

2023-168 – Mr. Grant made the motion to accept the recommendation of the directors to select Integrated Voting Systems as the most qualified responsible bidder for 2024, subject to successful contract negotiation and review of contractual requirements. Mr. Combs seconded the motion.
Upon roll call:
Mr. Combs – Yes
Mr. Conrad – Yes
Mr. Grant – Yes
Mr. Lembke – Yes

Mr. Grant asked Mr. Heroux (IVS) about the paper jams we experienced during early voting in November. Director Hemmer-Haight commented that during the audit we saw a noticeable difference between the IVS ballot paper for the Election Day ballots and the ES&S ballot stock we used to print early voting ballots on demand. Mr. Heroux brought samples of blank stock to test on the Balotar printers, and mentioned that we could purchase blank stock directly from IVS.

The board thanked the vendors for submitting bids and for attending the meeting to answer questions.

IX. Certification of Candidates to the Primary Election Ballot of March 19, 2024

Mr. Lembke – Yes

- C. Review Petitions with Problems:
Director Hemmer-Haight distributed the petitions of the candidates listed in the following table for board review and noted the issues that had been found upon examination of their petitions. She indicated that the first four petitions listed in the table had fatal flaws based on previous rulings of the court and the board.

Candidate	Office Sought	Problem
Barbara Wiedenbein	Clerk of Common Pleas Court (Rep)	Candidate Filed 4 part petitions with 108 signatures total. Candidate dated all 4 parts after obtaining signatures. This made all 108 signatures invalid. Petitions states- The Candidate MUST fill in, sign and date this declaration of candidacy before the signatures of electors are affixed. The date of a signer must be the same as or after, the date the candidate affixed on the Declaration of Candidacy section of the petition. Not enough signatures.
Amber Mumphrey	Clerk of Common Pleas Court (Dem)	Candidate is not a registered voter in Clermont County.
Matthew Henderson	2 nd Congressional District (Rep)	Candidate did not complete Petition for Candidate section on a part petition. This would invalidate 12 signatures. Candidate also has signatures from 4 different counties on one part petition. The county with the most signatures would be Pickaway County. All other signatures would be invalidated.
Alan J. Mackinder	State Representative 62 nd District (Rep)	Candidate needed 50 valid signatures. Candidate turned in 83 signatures, only has 40 valid.
Diane Fisher	County Recorder (Dem)	Candidate gave wrong commencing date for office. County recorder should be 1/6/2025. Candidate gave 1/2/2025.
Gail Kiley	County Central Committee (Dem)	Candidate filled out 2M form and put she's running in village instead of township. There is no Batavia E in the village, it can only be in the township.

XIII. Directors' report

Director Hemmer-Haight mentioned that SOS will send statewide candidate petitions next week for signature review; they are due back by January 2nd. We also received two part petitions for a proposed constitutional amendment on the November 2024 ballot.

Mr. Combs asked whether the candidates whose petitions were rejected today would be contacted; he was assured that the rejection letters are ready to be mailed this afternoon.

Mr. Lembke noted that the write-in deadline for the March primary is January 8th. Candidates who were rejected in today's meeting are not eligible to file as write-ins because the board has already acted. If there are any write-in candidates whose offices involve other overlap counties (Clermont most populous), the board will need to act on those candidates by the January 9th deadline to notify overlap counties. Any other write-in candidates within the county can be certified at the regular board meeting on January 17th. Therefore, we will tentatively schedule a meeting for January 8th at 4:30 p.m., contingent on any write-in candidacies which include jurisdictions outside the county. *(There were no write-in candidates that affected overlap counties, so the January 8th meeting did not occur.)*

Mr. Conrad suggested that the board thank the staff by giving them a day off on Tuesday, December 26th. When Mr. Combs inquired whether this is permitted, Mr. Shrive confirmed that the board has the authority to provide extra time off as a fringe benefit. Mr. Henning noted that the SOS office will be closed that day. Mr. Lembke supported the proposal in light of the unusually demanding odd-year elections, and spoke in favor of aligning with the SOS office schedule, provided that the statewide petitions could be completed on time. Mr. Grant proposed splitting the staff between 12/26 and 12/29 to avoid closing the office. Deputy Director Dennison mentioned that we had received emails from several other counties notifying us of their closure on 12/26; some will close all week.

2023-188 – Mr. Conrad made the motion to close the office on Tuesday, December 26th in conjunction with the SOS closing and in recognition of the unusual circumstances the staff was subjected to during 2023. Mr. Grant seconded the motion. Upon roll call:

Mr. Grant requested that future recommendations for time off come from one of the directors, and said that he does not want today's vote for time off to set a precedent. Mr. Lembke agreed that the day off should not set a precedent. He stated that any of the four board members should be able to raise any issue that he deems appropriate for the board's consideration, and that, as chairman, he will entertain motions from any of the other board members.

Mr. Combs asked whether the PEO pay increase had been approved by the commissioners; it has.

Mr. Combs volunteered to coordinate with the Sheriff's office to schedule deputies for early voting; he asked the directors to provide him information about expected peak periods.
