June 2022 Council Report

Water and Sewer

The water system is working as it should with no known issues. Dylan starts his classes next month and then he should have his water distribution license. This is the first step to get us a certified back up operator.

Our engineers and I worked on our technical spec book this last month. We updated it with some new rules that have come down and updated a few other things.

I know DNR has been reviewing our Facility Plan. They have not approved it yet, but it sounds like they are going to be soon. They sent an email to the engineer with just a few questions. I would expect to hear something soon.

Streets, Parks, and Grounds,

We have been extremely busy trying to keep up with mowing. Both mowers are running well. Just can't seem to stay caught up.

The park has stayed busy and no vandalism to report.

I am on the list to rent an asphalt crack filling machine. We should have the machine sometime in July. I have also ordered two pallets of sealant for the machine. So hopefully the weather will hold out in July so we can fill some cracks in the roads.

Like I said above. We have been very busy doing normal activities with nothing exciting to report.

If you all have any questions, please don't hesitate to contact me.

MAY SEWER REPORT

Clever Council,

We ran a total of 6,500,900 gallons thru the plant in May, with an average daily flow of 209,000 gallons and a one day peak flow of 629,200 gallons.

We recorded a total of 12 inches of rainfall in May and while our peak flows are improving we did receive a high amount of I and I as did every city.

The sand filter was repaired and put back into service shortly after the last meeting.

We have begun hauling sludge to empty the sludge storage tanks as well as the old ditch and clarifiers so they can be put in service for treatment. We estimate approximately 300,000 gallons will need to be hauled due to winter storage and through the rainy season.

The Kennedy Lift station was cleaned and one pump pulled and cleaned.

The Drive Lift Station was cleaned and one pump pulled and cleaned.

The rainfall has delayed most of the scheduled repairs but it appears most will be complete by the middle of July as everyone gets back on schedule.

We are going to experiment with our chemical injection points in hopes of getting better and more efficient phosphorous removal.

Any question or concerns contact me anytime at 693-3590.

Bert Bond.

PLANNING
&
ZONING

President Keith opened the regular meeting of the Planning and Zoning Commission at 6:32 pm.

Present: President Keith, Dale Maisel, David Wolf, and Jo Novak. Mayor Hackworth and Ed Westerman were absent. Refer to sign in sheet for others present.

Wolf motioned to accept the minutes of April 28, 2022. Novak 2nd, Maisel 3rd the motion and passed unanimously.

A preliminary plat for Public Avenue Townhomes was presented for consideration and approval. Wes Oller, builder/developer, and Michael Stalzer, PE, were present to discuss the plat and ask and answer questions. Shaffer & Hines, the City Engineer, had provided a review comment letter based on their initial review of the plat.

Mr. Stalzer asked if the City has capacity at the wastewater treatment plant right now for this development along with the two approved subdivisions. He was looking for assurance for Mr. Oller that this development would be able to proceed and not get held up due to a moratorium on development due to lack of plant capacity or inability to construct the plant upgrades. President Keith indicated the Engineer (Mr. Stalzer) would need to confer with Shaffer & Hines, as they have more information regarding the plant capacity.

The Commission reviewed the comment letter from Shaffer & Hines. No other questions or concerns were raised nor were any additional conditions placed on the proposed plat or development. Novak motioned to approve the preliminary plat of Public Avenue Townhomes contingent upon the Engineer addressing the review comments from Shaffer & Hines, dated 5/22/2022, and subsequent reviews to ensure the plat complies with the City of Clever city code. Maisel 2nd the motion and passed unanimously.

Wolf made the motion to adjourn at 7:21 pm. Novak 2nd the motion and passed unanimously.

Respectfully Submitted,
