The notes were not taken verbatim but are just a summary as more discussion was held after Mrs. Eutsler was finished. Mrs. Eutsler brought up information about the state audit in 2020, a petition that went around to have Ronnie Keithley and Kristy Keithley terminated from their positions for lack of education, pay was too much, and the fact they are married. Information was brought up on the misconduct by Alderman Dellinger on her daycare being closed, and to include the allegations of abuse.

Mark Sandoval inquired on what the city is going to do to rectify the issue of not having certified water employees. Mayor Hackworth informed the citizens that a current employee went through the class and will be tested to get a water license and then will continue to train and test to complete the certification that our system is required to have. Also, it was mentioned that all employees on the water side have gone through or started that training.

ADMINISTRATION

Board of Alderman discussed the Solid Waste bid proposals with the submitted bidders: GFL/WCA, Republic Services, and Cards at the regular meeting on October 17th 2023. Bidders explained their bids and were asked a few questions. Alderman Dellinger made the motion to table this item until October 24, 2023, at 5:00pm. Alderman McPhail 2nd the motion and passed with 4 ayes.

Jennifer Fagan with Republic Services discussed the issues with the missed service over the last two months and how the reroute affected the entire region that is over 35,000 customers but has got better. Over the last three weeks only three or four calls for missed service. Alderman McPhail is concerned about how they plan to continue services if they cannot now. Service was failing then seemed to improve but concerned it was because of the renewal of the contract.

Citizen Ronnie Floyd asked if the contracts/proposals have been reviewed by the city attorney. Alderman McPhail explained that all that will go through the attorney after the final decision on who the City chooses.

Citizen Linda Eutsler stated that she has not had services for three weeks but has received phone calls stating that her service will run on Monday's that is not even the scheduled day and it still never came.

Alderman Dellinger asked Ms. Fagan if the recycling was lumped in the price or was it optional. Ms. Fagan stated that the price was for everything together since the bid asked for free recycling. This would make this an optional service.

Alderman Dellinger asked Mr. Fitzgerald same questions on the recycling pricing.

Alderman Maisel asked all companies what the plan was for scheduled days. Stating that service in Clever used to be all done in one day and now it is in two. They all stated that they would like to keep the two-day schedule to allow for growth.

Alderman Dellinger asked Mr. Fitzgerald questions on the customer service options that CARDS Holdings, LLC has to offer. Mr. Fitzgerald went on to talk about dispatch and services.

Mr. Murry with GFL was asked the same questions on recycling pricing and customer service. The only concern is that GFL requires 50% participation for recycling.

Alderman Dellinger made the motion to accept the proposal from CARDS Holdings, LLC as the new Solid Waste provider for the City of Clever starting January 1, 2024, through December 31, 2026. Alderman Jack 2nd the motion and passed with 4 ayes.

Wanted to start off by showing the exact laptop quoted by Dazzee, but with double the RAM and storage, for much cheaper. Original listing price of \$829.96, but on sale for \$779.95. Going this route would save \$1,850.90 for the exact same model, but better, product.

Gateways tend to not last as long, which is why I rated this as the worst, but sufficient option.

Realistic Options

The following options may not support Dazzee's requests of specifications but will function perfectly for the tasks they are needed to do.

I'm under the impression Dazzee requires such high specs to perform well with their takeover system.

These systems shown are spec'd to handle emailing and web browsing for research with ease.

All of these do not have Windows 11 Pro. My computer in my office didn't contain Windows 11 Pro, and worked perfectly fine before Dazzee became our IT department. They paid to upgrade mine to pro immediately, but there was no difference on my end for handling my work.

I wanted to include the quotes for Microsoft Surfaces, but the only new ones available at the moment are their 2024 models that JUST released, so the price tag is a bit more expensive at ~\$900.00+ depending on the specs.

Other Options

You do have other options you could consider as well.

- The City's Verizon Wireless plan offers Samsung laptops and tablets that run off Verizon Wireless signal to be able to connect to the internet on the go with no Wi-Fi needed.

- Other tablets are also an option, but do not come with a full keyboard unless you buy them separately. Tablets are much cheaper than laptops and would be able to have access to email and internet browsing as well.

I can work up quotes on tablets, with or without keyboards, at your request. I would recommend Samsung tablets if you were to go that route.
