INSPECTION REQUESTS

To request an inspection with the City of Clovis, use the City of Clovis web page: https://css.cityofclovis.com/EnerGov_Prod/SelfService#/home to schedule an inspection.

The online inspection request can be completed by midnight the day before.

The Building Division does not have an Inspection Request Phone line. Please do not call other division phone lines to request an inspection.

A.M., P.M., or specific time requests will be considered but not guaranteed. These types of requests are dependent on the inspector's workload.

To avoid delays in the project, please ensure that the work to be inspected is complete and per approved plans. Also, ensure that the approved plans and job cards are on-site and that the inspector has access to these documents.
