A Port Town Community

Newsletter

May / June 2015

Hello Colmar Manor Residents

I hope you and your family have had a great start to spring, and we look forward to seeing everyone out and enjoying the amenities our community offers. I want to tell you all about some initiatives we have in the Port Towns, and we want to hear your thoughts and how you want to participate. Colmar Manor and the Port Towns are **HEAL** communities – *Healthy Eating, and Active Living*. With this initiative we have established a partnership – The Port Towns Community Health Partnership. The Mission of the Partnership is:

“Together, we are creating communities where residents have equitable access to healthy foods and where active lifestyles are encouraged and supported. Our aim is to reduce preventable chronic diseases and the rate of obesity, which are jeopardizing quality and longevity of life.”

We know that statistically, communities of color experience a higher rate of disease and we want to change that dynamic. You can learn more at -- <http://placematterspgc.org/index.php> . As a part of this initiative we encourage you to use the trails, walk to the Port Towns Shopping Center rather than driving, participate in ECO City Farms CSA (Community Supported Agriculture) where you get fresh vegetables weekly, join the Garden Club, start a walking club, use the Town Community Center exercise equipment, indoor track, and basketball court – **the Center is open week days until 8pm**. All these things are here for you – Colmar Manor residents for free, so please take advantage.

WE BELIEVE THAT A HEALTHY QUALITY OF LIFE IS WITHIN REACH FOR ALL, and we as a Town want to offer you all the resources we can to help you achieve that GOAL.

With that said, we would also like to establish an adult Exercise Club, so the Center can be open on Weekends for your use. If you are interested in being a part of a Colmar Manor Exercise Club, please contact the Town Hall 301-277-4920 to get on the list.

Additionally, Colmar Manor and the Port Towns are working on becoming an ECO District. An ECO district “demonstrably improves the environmental, economic and social wellbeing of [a Community]”. As a part of this effort, we encourage you to get involved in our Green Team and other activities in and around Town. These initiatives are focused on providing an improved quality of life for you, our residents. You can learn more about our initiative at -- <http://ecodistricts.org/port-towns-2014-incubator-project-takes-another-step-toward-becoming-an-ecodistrict/> , and we want to hear from you.

Check out these web sites, and let us know what you think. And “like” us Colmar Manor on Facebook!

Saludos, Residentes de Colmar Manor

Espero que Ud. y su familia hayan tenido un buen comienzo en esta primavera, y esperamos a verles todos disfrutando todos los beneficios que nuestra comunidad les ofrece. Quiero decirles de algunas iniciativas que tenemos aquí en los Port Towns (Pueblos del Puerto), y a la vez escuchar lo que piensan Uds. de estas cosas y como desean participar en ellas. Colmar Manor y los otros Port Towns son comunidades de HEAL (Comida Saludable y Una Vida Activa). De acuerdo con esta iniciativa (HEAL), hemos establecido un conjunto — La Colaboración de Salud de la Comunidad de los Port Towns. La Misión de este Conjunto es el siguiente:

“Juntos, estamos creando comunidades donde los residentes tienen acceso a comida saludable y donde vidas activas son alimentadas y sostenidas. Nuestra meta es de reducir las enfermedades prevenibles y la obesidad, las cuales perjudican la calidad de vida y la longevidad.”

Sabemos, según las estadísticas, que las comunidades de color experimentan un índice más alto de enfermedades, y deseamos cambiar esta dinámica. Puede Ud. aprender más al ir al sitio web: <http://placematterspgc.org/index.php>. Como parte de esta iniciativa, les animamos a utilizar los senderos para caminantes, andar a las tiendas en el Port Towns Shopping Center (Centro comercial de los Port Towns) en vez de manejar el carro, participar en los campos agrarios de la ciudad (ECO City Farms CSA) donde se puede obtener vegetales frescos cada semana, unirse al Club Jardinerero, empezar un Club de Caminar, utilizar las máquinas de ejercicio del centro comunitario de pueblo incluyendo un sendero interior, y una cancha de baloncesto — **el Centro está abierto todos los días de lunes a viernes hasta las 8pm**. Todas estas cosas están aquí para Uds., y para los residentes de Colmar Manor, son gratis. ¡Favor de aprovecharse de todo!

CREEMOS QUE TODOS PUEDEN OBTENER UNA VIDA SALUDABLE DE CALIDAD, y nosotros, siendo parte del pueblo de Colmar Manor, queremos ofrecerles todos los recursos posibles para poder ganar esta META.

De acuerdo con todo arriba, tenemos también el deseo de establecer un Club de Ejercicio para Adultos y así que el Centro puede estar abierto los fines de semana para su uso. Si tiene Ud. algún interés en participar en un tal Club, favor de contactar al ayuntamiento de Colmar Manor a 301-277-4920 para inscribirse a la lista.

Además, Colmar Manor y los Port Towns están trabajando para llegar a ser un Distrito ECO. Un Distrito ECO, “mejora en una manera demostrable los alrededores, la economía, y el bienestar social de [una Comunidad]”. Como parte de esta iniciativa, les animamos otra vez a involucrarse en nuestro Equipo Verde y en otras actividades en el pueblo y sus alrededores. Estas iniciativas son enfocadas a proveer una vida de calidad mejorada para Uds., nuestros residentes. Se puede aprender más de esta iniciativa al sitio web: <http://ecodistricts.org/port-towns-2014-incubator-project-takes-another-step-toward-becoming-an-ecodistrict/>, y deseamos escuchar sus ideas y pensamientos.

Favor de chequear los sitios web y decirnos lo que piensan. ¡Y haga clic en “Like” en nuestra página de Facebook Colmar Manor!

Para servirles,

La Alcaldesa Sadara Barrow

Code Enforcement

Dear Citizens of Colmar Manor,

I'm writing this letter to inform you that I will be conducting a seminar on "Animal Control Issues," June 17, 2015, 7:00 P.M. at Town Hall.

This office has been receiving numerous complaints pertaining to dogs and cats running at large, dogs spayed or neutered, owners not picking up fecal matter of their pets, domesticated rabbits running at large, dog and cats needing proper registration and chickens running at large as well.

The objective of this seminar is inform – educate on the, who, what, when, where, why, and how to be compliant with the County and Town Code pertaining to Animal Control.

Representatives from the Prince George's County Department of the Environment Animal Management Division will be on hand to render assistance to answer questions as well as other civilian professionals pertaining to animal welfare.

If you love, Animals period.... And you care about your community, please feel free to show your support by joining us.

We are planning on taping this seminar for use on cable, internet and other media. Media releases will be provided for all in attendance.

Light refreshments will be provided.

Thank you for your attention and support,

Inspector Darryl R. Queen

CONGRATULATIONS AND MANY THANKS TO THESE INDIVIDUALS!

GARDEN CLUB NEWS

We have gotten a grant from the Port Towns Community Health Partnership and so in addition to rebuilding some of our boxes we have **Christian Melediz from Eco City Farms** with us. We will have sessions in the Garden from 9:30 a.m. to 12:00 (noon) on MAY 2nd, May 23rd, JUNE 6th and June 20th. Come join us (no need to be a member of the community garden or garden club - see you on these Saturdays!

Our Community Garden is Full - please stop by 3806 Newton Street and see our new boxes and enjoy as we enter spring and the growing season. We are working on a new garden in the other end of town (Ward 4) so keep in touch with us for word about building plans.

Bee Friendly - we are working on saving our pollinator friends - please don't use roundup - is very dangerous to the good insects, and toxic to many living beings. Also be careful when buying new plants - many large hardware stores are selling plants with neonicotinoids already on the plants - some like Lowes are planning to get rid of them, but you can accidentally bring them into your yard and our community when you buy plants!

Green Team News

Remember the Big Brown Paper Bags - yard waste will not be collected by Bates on Wednesdays if you put it in plastic bags - use the large brown paper bags - you can get them at the Town Hall for 2 for \$1, or buy them at Costco, Lowes and other big stores.

Thanks for Playing "Know Your Port Towns" we had great fun on April 18th with 25 people learning about 10 of the hidden gems of our Port Towns! Yes there is a walking track inside our Town Hall; there is an exercise room, and computers that you can use! Come see our great resources!

May 9th we will have a Plant Swap in the Community Garden - did you start too many plants this spring? Bring them to our Community Garden 3806 Newton Street for a free plant swap on Saturday, May 9th at 10:00 a.m.!
