Permits are valid for one year; work must commence within six months. Should the permitted work not be completed within one year, the applicant must request in writing/email a permit extension within fifteen days of the permit expiration. Refer to City Code Title 8-1-1: ADOPTION OF CODES for current code versions.

I hereby certify that I have the legal authority to make this application, and all information provided in this application and any other information provided by me in support of this application is true, complete and accurate to the best of my knowledge. I have read, do understand, and shall comply with all applicable terms and conditions required for this application. I also understand that I am responsible for all plan review and engineering fees, and I am also responsible to schedule all required inspections.
