

The City of Countryside offers a free and convenient option to pay your water bill. Set it and forget it by going paperless and utilizing the city's direct debit feature.

Your water payments automatically deducted from your checking or savings account on the due date of the water bill. This avoids writing checks, searching for stamps or worrying about late charges. You will continue to receive your statements via email and have 15 days from the invoice date to dispute your bills.

Please contact Holly Williams in the Water Billing Department at (708) 485-2465 if you should have any questions.
