## *Patriot Day Remembrance*

The American Legion Post 1941 organized the remembrance ceremony which took place on September 11<sup>th</sup>. The City would like to thank all members of Post 1941, Pleasantview Fire Protection District, La Grange Fire Department, Countryside Police Department and members of the community for your participation. September 11<sup>th</sup> is a day in U.S. history which will never be forgotten. Commander, Bill Kiddon of Post 1941 led the ceremony, Chaplain Ray Hodson gave the invocation, Mayor Sean McDermott and Clerk Liz Kmet placed the memorial wreath, Steve LaRue played the bagpipes, the Post Bugler played the Taps and the Post 1941 Rifle squad provided a rifle salute.

## ***Coffee with the Mayor - December 6th from 10-11 a.m.***

Residents joined Mayor Sean McDermott for coffee and refreshments on Saturday, September 13th. The Mayor welcomed State Representative Abdelnasser Rashid who represents Illinois' 21st House District which covers the southwest side of Chicago as well as the west and southwest suburbs including a portion of the City of Countryside. His discussion covered the legislative priorities in Springfield with a focus on property tax relief for seniors and access to affordable housing. There was detailed discussions and Q&A related to the availability and qualifications for the Senior Freeze Property Tax Exemption as well as the proposed legislation aimed at increasing the supply of affordable housing for young families.

The Mayor also welcomed the City's Finance Director, Dave Schutter, who gave a presentation on the City's partnership with the Village of Western Springs which provides the City of Countryside's residents with access to their recreational facilities, programs, and activities at the Village's resident rates. In exchange for this benefit, the agreement between the parties provides for shared use of the City's park facilities. Following this general overview Finance Director Schutter specifically

focused on membership options for the Village of Western Springs Senior Center including all the classes, activities, and events offered under each membership structure.

Please mark your calendar for the next Coffee with the Mayor which will be held in the City Council Chambers on December 6th at 10:00 a.m.

## ***Coming Soon - Countryside's New Larry Robb Park in Ward 2***

In 2022 the City acquired the property commonly known as 10701 5th Avenue Cutoff. After acquiring the property, the City demolished the existing structure and driveway in early 2023 and cleared the site this summer. The City bid out the construction contract to construct the park which was awarded to Schwartz Construction Group. The scope of the work includes the following: construction of an accessible park with playground equipment installed, installation of rubberized playground surface, permeable paver parking lot installation, drainage improvements including bioretention facilities, a walking path around the park, security camera installation, and landscape improvements. Construction is expected to begin October 1st with an expected substantial completion date by the end of November of 2025.

## Police Updates

### Tip A Cop Has Another Successful Year

On August 25th, Countryside Police partnered with our local Texas Roadhouse to host a Tip-A-Cop event benefitting Illinois Special Olympics, a not-for-profit organization offering year-round training and competition in 18 different sporting events to a community of more than 55,000 participants with intellectual disabilities. Special Olympics enables these athletes to realize their full potential in sports and in life by enhancing physical fitness, motor skills, self-confidence, social skills, and family support. In total, \$1,109.00 was raised at the event. We extend our sincere thanks to our partners at Countryside Texas Roadhouse for their warm hospitality and to Ledo's Pizza, Chick-fil-A, Starbucks, Hooters, and Fullers for their generous sponsorship of this year's fundraiser.

### E-Bike Rider Responsibility

The explosion in popularity of e-bikes has, unfortunately, also led to a dramatic increase in the number of complaints the Countryside P.D. has received regarding their unsafe use by riders within our community. We want to remind e-bikers of some of their responsibilities under Illinois law and local ordinance so everyone remains safe. Here are a few highlights:

- Class 1, 2, and 3 bikes cannot be ridden on sidewalks
- All riders must follow local traffic control devices
- Riders shall ride as near to the right as possible
- The use of cell phones is prohibited while riding
- Class 3 riders must be 16 years of age
- No more than 1 rider per bike
- Group Riders in should be single file
- No clinging to other vehicles/bikes

It should be noted that the Countryside City Ordinance governing the use of e-bikes forbids operating these devices in a manner that creates a nuisance which annoys, disturbs, or disrupts the public peace. Furthermore, riders are forbidden from riding e-bikes in a manner that shows willful or wanton disregard for the safety of persons or property. To this end, it is the duty of any parent or guardian to ensure their minor child follows the provisions of this ordinance and Illinois Vehicle Code to the letter. Failure to do so will result in the seizure and impoundment of the e-bike and the owner of record will be liable to the City for a bond of \$250 to release the bike prior to hearing. Countryside's complete e-bike ordinance can be found at [www.countryside-il.org](http://www.countryside-il.org).

## Mainstreet Wines & Spirits Celebrating 40 Years in Countryside

Mainstreet Wines & Spirits is celebrating its 40<sup>th</sup> anniversary in Countryside. In an industry increasingly dominated by large chains, this family-owned business has focused on personalized service, a passion for great beverages at great prices, and complimentary weekly in-store wine tastings. Mainstreet's curated selection rivals much larger retailers, with wines, spirits, and beers available for everyone's preferences.

Getting to know their customers by name, learning their tastes, and making suitable recommendations has been fundamentally important to Mainstreet's owners, John Walano and John Fotopoulos. For many customers, the Saturday in-store wine tastings (2-6pm) continue to be a wonderful opportunity to connect with new people and try terrific new wines. Mainstreet looks forward to celebrating its 40<sup>th</sup> anniversary with old and new customers at a special complimentary in-store tasting with wines, beers, and small bites on Oct. 18. ## Public Works Reminds You . . .

### Fall Leaf Pick-Up (October 13 - November 28)

Crews will be collecting leaves on a continuous cycle throughout the entire program period. The leaf collection program provides residents with an alternate way to dispose of leaves. Instead of bagging or mulching, residents may rake leaves onto the parkway.

In order for this program to be successful, we ask all residents to observe these guidelines:

- Leaves **SHOULD** be raked onto the parkway near the street.
- Leaves should **NOT** be raked into the street.
- Do **NOT** deposit branches, sticks, garbage, or other debris into the leaf pile. This can damage the equipment and cause a dangerous situation for our employees.

Please allow 7 to 10 working days between pick-ups as it typically takes a week or more to do a full cycle of the City.

### Benefits of Mulching Leaves

*Don't rake them, mulch them!* Mulching is a great fall clean up option that eliminates large leaf piles and returns nutrients to your soil. Mulching leaves is simple: Just shred the leaves with your lawn mower as much as possible soon after they fall. Check to make sure that the mulched leaf material left behind is not excessive.

Mulching leaves has many benefits, not just for the lawn but for the environment. Mulching leaves saves landfill space, prevents leaves from clogging sewers, and keeps them away from surface water where the broken-down nutrients from the dead leaves can cause algae blooms. The leaves that collect on your lawn cover the grass, reducing air flow and sunlight that would have otherwise reached the grass blades. This accumulation of leaves can cause the grass underneath to suffocate and die off.

### Brush Pick-Up

Branch and brush pick-up will be provided through **October 31st**. Crews will be covering the City on a weekly basis. If you have questions, please call the Public Works Department at (708) 354-3390.

### Let us know if your street light is out!

For neighborhood safety, please contact the Public Works Department at (708) 354-3390 if a street light is not working or if the lens is broken. Have the location and/or address near the pole available when you call.

## Countryside Bluegrass Festival

The Countryside Bluegrass Fest is a perfect blend of music, culture, and craft beer. On August 16<sup>th</sup>, the City of Countryside came alive with the rhythmic melodies of five talented Bluegrass Bands. Wheels North, River Valley Rangers, Chicken Wire Empire, The Grateful String Band and Anderlik, Otto, and Church Band. We showcased the craftsmanship of BuckleDown Brewing and Imperial Oak Brewing that offered a delightful selection of brews to complement the foot-stomping music. It was an unforgettable day and even though the rain didn't allow for all the bands to play it was still a great night with music and delicious food from our four food vendors: Ledos, Da Taco Goat, Grz Grub and Beach Ave BBQ. Whether you're a die-hard bluegrass fan or a casual festival-goer, this event has something for everyone, making it a highlight on the calendar of music and beer lovers alike.

## Back to School Health and Resource Fair

The fourth annual Back to School Health and Resource Fair hosted by The City of Countryside and School District 105 was on August 9<sup>th</sup>, 2025 at Ideal School. 40 vendors supplied hygiene kits, mental health material for school age children, and back packs filled with school supplies. 500 local D105 families benefitted from this event. We would like to thank our presenting sponsor Glaser and Randhawa Mental Health Group.

## Statewide Organ and Tissue Donation Campaign

Secretary of State Alexi Giannoulias has launched a public awareness campaign encouraging Illinoisans to spark a lifesaving "ripple effect" by becoming organ donors. Illinois has one of the largest registries in the nation, averaging over 20,000 sign-ups per month across DMV facilities, with around 6.5 million total current registrants. A single donor can save or improve the lives of up to 25 people. Approximately 4,000 people are on the transplant waiting list and tragically about 300 die waiting for a transplant every year.

To become an organ donor, Illinoisans can register with the Secretary of State's Organ and Tissue Donor Registry by visiting [LifeGoesOn.com](http://LifeGoesOn.com), calling (800) 210-2106 or signing up at the DMV.

## Community Events

### Tree of Hope Program

Are you looking for an opportunity to make a difference in your community? Do you know of a Countryside resident or family that could use a little help this holiday season? After many years of success, the City of Countryside is once again hosting our Tree of Hope. Beginning November 10th, our beautiful Tree will be on display in the City Clerk's office. Generous sponsors are invited to select an individual or family from the tree and purchase gifts from their wish list. All gift recipients are anonymous. The donated gifts should be returned to the Clerk's Office by December 12th. Gifts will be distributed to families from December 15th through the 19th. The Tree of Hope Program is an excellent opportunity for residents, families, community groups, and coworkers to spread holiday cheer to others who may not otherwise receive a gift this year. Check out our website at [www.countryside-il.org/special-events](http://www.countryside-il.org/special-events) or contact the Clerk's Office at (708) 354-7270 for additional information.

City staff get in the Halloween spirit each year. The Clerk's Office, Administration, Finance, and Community Development staff dressed up as M&M's in 2024. The City Hall welcomes trick-or-treaters during regular business hours. Have a safe holiday.
