---

To Whom It May Concern:

Crook County, Wyoming, does not have Land Use Regulations, Zoning Regulations, Adopted Building Codes, or Building Permit Requirements; does not do Residential, Commercial, or Industrial building construction inspections; and does not issue Certificates of Occupancy. Please do not contact us concerning this, as we have no additional information to provide.

Also;

Crook County, Wyoming, recommends that all building construction comply with the codes and referenced standards adopted by the State of Wyoming, which are as follows: 2024 International Fire Code, 2024 International Building Code, 2024 International Fuel & Gas Code, 2024 International Mechanical Code, 2024 International Existing Building Code and the 2023 edition of the National Electrical Code. If you need more information concerning these codes and referenced standards, please visit: <https://wsfm.wyo.gov/>.
