BLDC-2021-000209	2000 PROSPECT RD DES MOINES, IA	11/1/2021	Renovation of a water / sewer project in Des Moines, Iowa. Completed plans call for the renovation of a water / sewer project. The work includes, but is not necessarily limited to: 1. Relocation of internal obstructions to openings including light fixtures, air handling equipment, conduits, and piping. 2. Selective demolition of the roof structure, removing the center portion of the structure and retrofitting existing steel joists to create shorter spans. 3. Placement of structural steel framing, replacing removed structure with new structure featuring openings. 4. Retrofitting fastening in the existing remaining steel deck to rigidity lost through opening placement. 5. Installation of opening cover structures with anchoring systems for each. 6. Construction of a cold-formed framing parapet wall and opening curb infill with metal stud framing. 7. Reconstruction of the roofing system, including addition of roof drainage.	\$311,000 Nick Sieck, Henkel Construction
BLDR-2021-000821	1640 HUNTLAND DR DES MOINES, IA	11/1/2021	Construct an exterior wall on the rear elevation. Construct a new stick framed roof over the rear portion of the home. New finished attic space to include 2 bedrooms, shared bathroom and a loft area.	\$86,000 Colin King, K and V Homes
