NEIGHBORHOOD BASED SERVICE DELIVERY

The City of Des Moines offers a unique program to its citizens that combines the services of city departments to improve the quality of life in designated neighborhoods. Police Officers along with representatives from Zoning/Housing Code Enforcement, Public Works and Parks and Recreation focus their services in specific areas. The primary objective of these teams is to assist neighborhoods in identifying and prioritizing concerns, planning a course of action and implementing solutions to solve problems.

For complaints call:

1. Traffic Complaint Hotline (515) 271-4650
2. Narcotics Complaint Line (515) 283-4830

Neighborhood Based Service Delivery Unit consists of 16 officers. Many are assigned to designated neighborhoods to address quality of life issues as well as crime prevention education and awareness. In addition, they coordinate most of the police/community outreach programs. This unit works closely with city departments such as housing inspectors and public works employees.
