

LETTER OF INTEREST

For Membership on the Community Monitoring Committee related to Project Jupiter.

The Community Monitoring Committee is an independent information forum regarding Project Jupiter operated by and for interested citizens.

The committee chooses the topic for each meeting, selects invited guests, decides how often it meets, and where in Doña Ana County each meeting will occur. Membership on the committee is a volunteer position. Expenses are not reimbursed. Members may **not** have any financial interest in support of or against Project Jupiter.

1. Please provide your name, address, phone number, email address, and the Doña Ana County Commission District in which you live.
