Applicant Certification:

I hereby certify that I have answered all of the questions contained herein and know the same to be true and correct. All work performed under this permit must comply with the State Law and local ordinances. Further, I understand that any permit issued, based upon false information or misrepresentation provided by the applicant, will be null and void and subject to the penalty as provided by law and ordinance.

All work requiring a permit must be totally exposed for the inspection purposes and authorize officials of City of Dublin to enter premises for each inspection required. Double permit fees shall be charged if work has been started before permit is issued. All permits will need an approved final inspection on all trades before the job is rendered completed.
