When special assessment shall be confirmed the City Clerk shall make an endorsement upon the roll showing the date of confirmation.

Confirmation, Final.

SECTION 14. When any special assessment shall be confirmed by the City Council, it shall be final.

Special Assessments, Lien on.

SECTION 15. Special assessments shall, from the date of the confirmation thereof, constitute a lien upon the respective lots or parcels of land assessed, and shall be a charge against the person to whom assessed, until paid.

May be Paid in Installments.

SECTION 16. Any special assessment roll for street improvements other than sewers, the amount thereof may be divided into not more than ten installments and sewer rolls may be divided into not more than ten installments. Roll for Installments.

SECTION 18. Notice of the division shall be filed with the City Clerk and published as required in Section 12 of this Chapter, but publication may be dispensed with when all interested parties agree to the division. The report of such apportionment, when confirmed, shall be conclusive upon all the parties, and all assessments thereafter made upon such lots or lands shall be according to such division.

Insufficient and Excessive Assessment.

SECTION 20. Should any special assessment prove insufficient to pay for the improvement or work for which it was levied, and the expenses incident thereto, and the principal of and interest on any bonds issued in anticipation, the City Council shall, within the limitations prescribed for such assessments, make an additional pro rata assessment to supply the deficiency, and in case a larger amount shall have been collected than was necessary, the excess shall be refunded ratably to those by whom it was paid.

Irregular and Invalid Assessments.

SECTION 21. Whenever any special assessment shall, in the opinion of the City Council, be invalid by reason of irregularity or informality in the proceedings, or if in any court of competent jurisdiction shall adjudge such assessment to be illegal, the City Council shall, whether the improvement has been made or not, or whether any part of the assessment has been paid or not, have power to cause a new assessment to be made for the same purpose for which the former assessment was made. SECTION 22. No judgment or decree, nor any act of the City Council vacating a special assessment shall destroy or impair the lien of the City upon the premises assessed, for such amount of the assessment as may be equitably charged against the same, or as by a regular mode of proceeding, might have been lawfully assessed thereon.

Whenever any special assessment shall be confirmed and be payable, the City Council may direct the City Clerk to report to the City Assessor a description of such lots and premises as are contained in said roll, with the amount of the assessment levied upon each, and the name of the owner or occupant against whom the assessment was made, and direct said Assessor to levy the several sums so assessed as a tax upon the several lots and premises to which they were assessed respectively. Upon receiving said report, the City Assessor shall levy the sums therein mentioned upon the respective lots and premises to which they are specially assessed, and against the persons chargeable therewith, as a tax in the city tax roll or other general tax roll in which such premises are described, next thereafter to be made, in a column for special assessments, and thereupon the amounts so levied in said tax roll shall be collected and enforced with the other taxes in such tax roll, and in the same manner; and shall continue to be a lien upon the premises assessed, until paid, and when collected shall be paid into the City Treasury.

When Collected Directly.

SECTION 24. When any special assessment shall be confirmed and payable as hereinbefore provided, the City Council, instead of requiring the assessment to be reported to the

City Assessor, as provided in the preceding section, may direct the assessment so made in the special assessment roll to be collected directly therefrom; and thereupon the City Clerk shall attach his warrant to said special assessment roll, therein commanding the City Treasurer to collect from each of the persons assessed in said roll, the amount of money assessed to and set opposite his name therein; and in case any person named in said roll shall neglect or refuse to pay his assessment within forty days from the date of the warrant, then to levy and collect the same by distress and sale of goods and chattels of such person; and return said roll and warrant together with his doings thereon, and within sixty days from the date of such warrant.

Collection, How Made.

SECTION 25. Upon receiving said assessment roll and warrant the City Treasurer shall proceed to collect the amounts assessed therein and for that purpose it shall be his duty, immediately upon receiving such roll, to give public notice of the receipt thereof by him, by publication for two successive weeks in the official newspaper of the City. If any person shall neglect or refuse to pay his assessment within forty days from the date of the warrant attached to such roll, the treasurer shall seize and levy upon any personal property found within the City, or elsewhere within the County, belonging to such person, and sell the same at public auction, first giving six days notice of the time and place of such sale, or so much thereof as may be necessary for that purpose, shall be applied to the payment of the assessment and a percentage of five per centum upon the amount of the assessment for the costs and expenses of said seizure and sale, and the surplus, if any, shall be paid to the person entitled thereto.

Return by Treasurer.

SECTION 26. The Treasurer shall make return of said assessment roll and warrant to the City Clerk, according to the requirement of the warrant, and if any of the assessments in said roll shall be returned unpaid, the Treasurer shall attach to his return a statement, verified by affidavit, containing a list of the persons delinquent, and description of the lots and premises upon which the assessments remain unpaid, and the amount unpaid on each.

Renewal of Warrant, Re-assessment.

SECTION 27. Said warrant may be renewed from time to time by the City Council, and for such time as they shall determine, and during the time of such renewals the warrant shall have the same force, and the City Treasurer shall perform the same duties and make the like returns, as above provided. In case any assessment shall be finally returned to the City Treasurer unpaid, as aforesaid, the same may be certified to the City Assessor in the manner provided in Section 23 of this Chapter, and shall then be re-assessed with interest included at the rate of seven per cent per annum from the date of the confirmation of the assessment until the last day for the payment of taxes, in the next city or other general tax roll, and be collected and paid in all respects as provided in Section 23.

Collected by Suit.

SECTION 28. At any time after a special assessment has become payable, the same may be collected by suit, in the name of the City, against the person assessed, in an action of assumpsit,

in any court having jurisdiction of the amount. In every such action a declaration upon the common counts for money paid shall be sufficient. The special assessment roll and a certified copy of the resolution confirming the same shall be prima facie evidence of the regularity of all proceedings in making assessment, and of the right of the City to recover judgment therefor.

Irregularities No Bar.

SECTION 29. If in any such action it shall appear that by reason of any irregularities or informalities, the assessment has not been properly made against the defendants or upon the lot or premises sought to be charged the court may, nevertheless, on satisfactory proof that expense has been incurred by the city, which is a proper charge against the defendant, or the lot or premises in question, render judgment for the amount properly chargeable against such defendant or upon such lot or premises.

Cost of Condemned Property Added.

SECTION 30. Whenever any property is acquired by condemnation or otherwise for the purpose of any special improvement, the cost thereof may be added to the cost of such special improvement, levied upon the property benefited thereby and collected accordingly.
