## Information & Registration

- All anglers between the ages of 16 and 69 must have a current NJ fishing license and trout stamp. Due to concerns for fish safety and to reduce stress on the fish population, the Township of Edison will no longer be tagging fish for this year's derby.
- Instead, we're excited to introduce four new competitions during the three-hour derby:
  1. First fish caught overall
  2. First female to catch a fish
  3. First male to catch a fish
  4. First child to catch a fish
- Prizes will be awarded to each winner!
- All participants with a valid fishing license are welcome to fish during the season; however, please keep in mind that there will be no tagged fish in the lake and all prizes will be awarded at the derby.
- Participants must bring their own fishing pole, tackle, bait, and chair.
- For more info call 732-248-7310.
