

CITY OF
ENTERPRISE
ENGINEERING DEPARTMENT

EFFECTIVE OCTOBER 1, 2026

In accordance with Ordinance 09-06-22-C, the following fee schedule will go into effect:

Permit Fees

ALL permits require a minimum fee of \$56.27

Any total project cost from \$0 to \$5,000 shall require a \$56.27 fee.

Projects with an estimated total cost of over \$5,000 shall require the \$56.27 fee plus an additional \$3.38 per \$1,000 in total construction costs.

Example:

For \$5,000 in total construction cost, the permit cost will be \$56.27.

For \$25,000 in total construction cost, the permit cost will be \$140.69.

For \$50,000 in total construction cost, the permit cost will be \$225.10.

For \$275,000 in total construction cost, the permit cost will be \$984.81.

*Commercial projects require an additional \$1 per \$1,000 in total construction costs for the State of Alabama Craft Fee.

Inspection Fees

Inspection fees are included in the cost of the permit, except, each reinspection shall require an additional fee as follows:

\$50 for the 1st reinspection. Twice the fee of the previous amount paid for each subsequent same reinspection.

Example: 1st reinspection - \$50, 2nd reinspection - \$100, 3rd reinspection - \$200, 4th reinspection - \$400, ETC.
