Contact Name: _____ City Lic. No. _____

Total Cost to Build: \$ _____ Type of Fence: _____ Height: _____

Circle All That Apply: New Fence Replacement of Existing Fence Around Swimming Pool

Provide a detailed description of ALL work being done: _____

BY SIGNING THIS APPLICATION

_____ I understand that fences, walls, and hedges may be erected, placed, grown, or maintained along a lot line of a residentially zoned or non-residentially zoned property, or adjacent thereto, to a height not exceeding eight (8) feet above the ground; except that no such fence, wall, or hedge located in a front yard or side yard on a street shall exceed a height of four (4) feet. Where such lot line is adjacent to a non-residentially zoned property, fences, walls, or hedges may be erected, placed, grown, or maintained to a height not exceeding eight (8) feet, except as may be required for salvage, wrecking, and junk yards.

_____ I understand all fences require a building permit; except that no permit shall be required for a fence on land used for farming or forestry and located in the AGR Agriculture District.

_____ I understand that a drawing showing the proposed fence's location in relation to the primary structure and property lines must be submitted with this application before a city permit can be issued.

I have read this document and state that the information provided is correct and I agree to comply with all local ordinances and state laws regarding building construction.

* Approval of your request does not necessarily mean that the request is valid for all purposes. For example, applicable private restrictions, covenants, etc. which may exist as to your property may limit or even prohibit your proposed action/use. You should investigate your property and its chain of title to determine the existence and/or applicability of any such restrictions, covenants, etc. City personnel cannot give legal advice.
