We're excited to share that Ouida Street Park is officially open following a beautiful ribbon cutting ceremony! The updated space now features a brand-new pavilion, refreshed playground, new parking lot, and shaded picnic areas — perfect for family fun and community gatherings.

In addition, we proudly marked the completion of the Enterprise Sports Complex at Peavy Park, which includes three new multi-purpose athletic fields, four sand volleyball courts, a pavilion, and restroom facilities. This phase is just the beginning of transforming Peavy Park into a premier destination for sports, recreation, and community events.

We're excited to announce Aqua Fitness as a new addition to our fitness line up for the month of August. Aqua Fitness is a great low impact way to exercise. People who work out in groups or even with a partner are 90% more likely to continue with their fitness schedule than those who workout alone. Participants do not need to know how to swim and the class will be monitored by a certified life guard. The August group fitness schedule is out and better than ever. It's the perfect time to get back into the groove, try something new, and stay active all month long!

Summer 2025 Athletics Camp

We just wrapped up our Athletics Summer Camps, and what a fantastic summer it was! From soccer and tennis to basketball, football, and volleyball, participants brought energy and excitement! We're beyond proud of the growth, sportsmanship, and smiles we saw all summer. Participants learned new skills, built confidence, and made friendships that will last long after the final whistle.

We're especially excited to carry the skills and talent we saw this summer into our upcoming fall season — the future of youth athletics in Enterprise is looking bright!

A special thank you to our amazing coaches, Ben Blackmon, Rhett Harrelson, Janie Wiggins, Marco Lascano, and Frank Zerbinos, who made this summer such a success. Here's to many more summers of play, learning, and fun ahead!

Lifeguard Appreciation Day

Summer 2025 Lifeguard Team

In recognition of International Lifeguard Appreciation Day, I want to thank our incredible team of lifeguards for their hard work and dedication this summer. Eleven of our guards were certified right here at Enterprise Parks and Recreation, and for many, this was their very first season on stand. Watching them grow in confidence, skill, and leadership has been such a rewarding part of this summer. Their commitment to keeping our guests safe while providing excellent service does not go unnoticed. I'm proud to work alongside each of them and grateful for the role they've played in making this season a huge success!
