BUDGET MESSAGE
2026-2027

and other interested parties. From the results of these meetings, the budget has been prepared.

Seven funds are budgeted to receive property taxes. They are the General, Health and Welfare, Indigent Assistance, Youth Camp, Ad Valorem Capital Projects, State Indigent funds and Emergency Services. The assessed valuations for secured (real) property and unsecured (personal) property for the County, which are used to calculate property taxes, increased by approximately \$24,570,036 over the assessed value estimate for 2026, which is an increase of 16.71%. This results in an increase in the total property tax (excluding Net Proceeds of Minerals Tax) projection of approximately \$460,675 more than what was projected for the 2026 fiscal year. The projection for the property taxes for fiscal year 2026 is about \$3,467,122, of which approximately \$3,281,710 is estimated to be collected in the General Fund.

Governmental fund expenditures have been budgeted based on the estimated needs of each department, including any capital outlay needs. Total expenditures have been budgeted to be approximately \$21,875,955.
