Agenda

Tuesday, October 20th, 2026

The Fall River Historical Commission will have an in-person meeting in the lower Council Hearing Room, Fall River Government Center, on Tuesday, October 20th, 2026, at 6:00 pm to discuss the following agenda:

Open Meeting Law Notice

None

Roll Call

Approval of Minutes

Review and approval of minutes from September 15, 2026.

Citizens Input

None

Notice of intent to demolish

None

Correspondence

1. 344 French Street - Letter of non-applicability was sent to Hurley Construction for exterior repair of siding and scraping and painting of all exposed exterior wood finishes. The home is listed on the significant structures list, state Historical Register, and National Historic Register; it is not in the 40C district. Any alterations to the exterior would put a hold on the building permit and impose a six-month delay on the work
2. 480 June Street - is looking to install solar panels on the roof. This property is listed on the significant structures list, State and National Historical Register. This installation is within the guidelines of the Secretary of the Interior Standards, and a letter of non-applicability can be awarded...

New Business

Mr Aaron Bernardo: acceptance of 403 Anawan Street to be placed on the significant structures list.

Letters of support for CPC Historical funding

1. Mr. Darren Medeiros, Director of Parks Department, Kennedy Park concrete walk replacement.

ADA Coordinator: Gary P. Howayeck, Esq. 508-324-2650
