CITY CLERK
FALL RIVER, MA

City Council
One Government Center
Room 619
Fall River, MA 02722

Dear Council Members:

We recently moved to a condominium unit in Fall River. We were surprised to learn from the Fall River Department of Solid Waste that residents of condos and apartments have no access to recycling in this City. As I understand it, these residents cannot participate in the City's solid waste collection. They must have private collection and only those with City collection can obtain recycling bins. Fall River has no recycling at its solid waste facility on Lewiston Street.

We would be happy to do whatever was necessary to participate in a recycling program and assume that many other apartment/condo residents would as well. We hope that Fall River can make arrangements so that this significant proportion of its residents can recycle their recyclable waste.

Sincerely,
